

# Roseburg Grid Teams Slated For Tussles

Indians Will Clash With Cottage Grove; Jayvees, Papooses Also Scheduled

Roseburg's embattled but unbroken high school football teams are back on the practice field determined to come out ahead this weekend.

All three clubs suffered defeat last weekend at the hands of an imposing array of football talent. Cecil Sherwood's varsity Indians lost out to the league-leading Marshfield Pirates in a district clash at Coos Bay Friday night, while on Saturday both Norm Turner's junior varsity and Hod Turner's junior high school Papooses were thumped by Myrtle Creek and Ashland, respectively. This weekend, the Indians will be visited by Cottage Grove. The Lane county club posted a victory over Drain Warriors in their most recent clash. The Grove aggregation fought to a 13-6 win, barely beating out Bill Chatham's lan.

Coach West's junior varsity eleven will have an opportunity to even up for losing at Myrtle Creek last Saturday. They journey to Eugene this afternoon, to battle Eugene High school. The Eugeneans are reportedly the hottest thing in Lane county and West's Warriors may entertain some difficulty in keeping up.

Turner's Junior high school eighth and ninth graders are slated for a weekend workout with the Medford Junior high school griders. The Turner men will take to the road for this one. It's scheduled for 1 p.m. Saturday.

Around the county, Elmira visits Drain Friday. Yoncalla goes to Glendale, Coos River visits Elkton and on Saturday Myrtle Creek travels to Sutherlin.

# Grid Fans Offered Wide Open Playing

NEW YORK, Oct. 18 —(AP)—For football fans who like their games wide open with plenty of scoring, the All-America conference this year is filling the bill.

The AAC attack-minded members are averaging close to 59 points a game and setting all sorts of records for piling up figures on the scoreboard.

A week ago the conference set a three-game record with a total of 216 points. Last weekend the boys rang up 178 points in three games.

In the last nine games, the average has been 65.2. That's better than a point a minute.

The San Francisco Forty-Niners, leading the league with six victories in seven starts, are setting the offensive pace with a total of 281 points. They have scored 107 in their last two outings.

San Francisco also is tops in rushing with an average of 268.1 yards a game. The New York Yankees follow at 196 and Los Angeles is third at 155.1.

Ancient Indian rulers in Mexico used to carry rare orchids in their hands, as a mark of rank, when they appeared in public.

**Rainiers, Padres Dicker On Swap In Players**

SEATTLE, Oct. 18 —(AP)—A San Diego-Seattle baseball trade involving the Padres' veteran catcher, Dee Moore, and Tony York, Seattle's utility infielder, was rumored today.

Earl Sheely, general manager of the Rainiers, said he had talked with President William Starr of the Padres, but would not disclose the individuals involved.

The Moore-York trade was deemed by baseball circles to be the best bet in view of Seattle's need for a top catcher and the Padres' desires for a good utility man.

**SCOUT JAMBOREE**

VIENNA, (AP)—The 7th world jamboree of the Boy Scout movement will be held in Austria in 1951.

The meeting, which will be attended by scouts of five continents, is to be staged near Bad Ischl in the Salzkammergut.

The last world jamboree was held in Moisson, France, in 1947.

**MISTAKEN IDENTITY**

PALM SPRINGS, Calif., Oct. 18 —(AP)—A few days ago three pretty cats wandered into the hillside yard of E. R. Burchiel. The family fed and housed the homeless strays.

Yesterday Burchiel leaned down to pet one of them. He was clawed severely. A physician, summoned to treat the scratches, saw the animals and remarked: "Heck, those aren't kittens. They're wildcats."

# Basketball League Teams Lining Up Under "Y" Plan

Although it's still early to talk about basketball for any length of time, the YMCA here is laying plans for a YMCA-sponsored league.

Already four teams indicated they would participate in league play. They are the Christian church, Umpqua Plywood, Junior Chamber of Commerce and possibly the Elks club.

Roseburg YMCA secretary Marlen Yoder said arrangements have been made to use the gymnasium facilities at Junior High school.

Two- and one-half hours have been allotted to each four teams per week, Yoder said. He added that each team will furnish its own equipment and one referee a week, the idea being to cut down on costs. According to the present set-up, each team will be required to post \$15 for 12 weeks play.

The league will not be competing with other leagues for championships or prizes, Yoder said the "Y"-sponsored league is merely to provide those wanting to play basketball an opportunity to do so.

Teams that wish to enter the league are urged to contact Yoder before November 7, at which time the league schedule will be drawn up.

# Seerey, Goodwin Turned Loose By White Sox

CHICAGO, Oct. 18 —(AP)—Pat Seerey, much-traveled outfielder who played with five different teams last season, and Pitcher Jim Goodwin today were released outright by the Chicago White Sox to the Memphis Chickasaws of the Southern association.

Goodwin, a left-hander, was on option to Memphis last season, fashioning a 7-5 record.

Seerey, rotund swinger acquired by the Sox from the Cleveland Indians last year, played with the Sox, Los Angeles, Kansas City, Newark and San Antonio last season.

# Exercise Hour Draws Large Turnout Of Men

Volleyball is still the main attraction of the YMCA-sponsored exercise hour, held every Thursday evening at the Junior high school gymnasium.

Roseburg YMCA secretary Marlen Yoder said any man feeling the need for exercise may attend the activity hour. A 25-cent service charge is assessed each person, to help defray the cost of using the facilities. Yoder said a large turnout of men have been on hand each Thursday evening. He indicated if more men turn out, it may become necessary to hold the exercise sessions two nights a week.

**MOONSHINE FEUD CLAIMS 3RD LIFE**

DAISY, Tenn., Oct. 18 —(AP)—Daisy mountain's moonshine feud bids fair to take its place with the famed Hatfield and McCoy squabble in southern mountain history.

Spurred during a dispute over the making of corn whiskey and fanned by bitter hatred, the feud flamed anew over the weekend. Another man was killed on the lonely mountainside—the third to die since the hill country war began two years ago.

Police found William L. (Boots) Parker lying on a muddy slope of the mountain Saturday night, shot three times and bludgeoned with an ax.

Raymond Bell, 29, was found at the scene, two ax wounds on his head, Bell and his brother, Ed, 23, were arrested and chief deputy Scott Swafford charged them with murder. They face arraignment today.

Officers have redoubled patrols on the mountain but have met with the same tight-lipped silence that greeted them after the two previous deaths; no one knows anything about the slaying.

"It's hard to get those people on the mountain to talk," says Sheriff Frank Burns.

Evidence has been sparse whenever one of the mountaineers has been tried for a killing. Several persons recently were indicted on murder charges in the first two deaths. Three trials were held and all were acquitted.

For a while it seemed there would be peace on the mountain. A representative of each faction appeared on a nationwide radio broadcast (We the People) last December and proclaimed an end to the feud. It evidently didn't take.

# Grid Gossip In Northwest Loop

By The Associated Press  
SEATTLE, Oct. 18 —(AP)—Washington's football Huskies may just be limping instead of crippled for this Saturday's clash with California at Berkeley.

Left Halfback Rolly Kirkby, Fullback Hugh McElhenry, tackle George Bayer and Loran Perry and Fullback Hank Tiedemann were injured early in the Stanford slaughter last Saturday. Tiedemann has been out for three weeks with illness and flu.

PULLMAN, Oct. 18 —(AP)—The Washington State college Cougars, who came through the Idaho clash with a one-sided win and no injuries, worked out yesterday against the UCLA single wing attack they will face this Saturday.

A hard scrimmage topped the workout.

# Units Of Albanian Army Reported To Have Revolted

TRIESTE, Free Territory, Oct. 18 —(AP)—Astra, Italian news agency, quoted "reliable sources" Monday as saying regular army elements have revolted against the Communist government of Albania in a "clearly anti-Russian" movement.

The agency said it was unable to confirm this report. There have been no western correspondents in satellite Albania for several years. There have been reported reports of risings in Albania, particularly since the recent purge in which former high officials were executed for "Titoism."

Astra said its Yugoslav sources have reported a breakdown in secret negotiations between Albanians and officials of Premier Marshal Tito's Yugoslav government to establish friendlier relations. Since the Yugoslav-Albanian break, Albania has been isolated from the rest of the communist satellites, since Yugoslavia surrounds Albania by land.

Albanian officials were said to have initiated the negotiations with Yugoslavia because of a fear that Russia was about to abandon the cause of the communist guerrillas in Greece, whom Albania has been aiding. Yugoslavia long ago withdrew her support from the Greek guerrillas in the heightening war of nerves between Tito's government and Moscow.

# Oregon State Basketball Squad In Training To Defend Its Coast Title; Tough Season's Schedule Is Faced

OREGON STATE COLLEGE, Corvallis, Oct. 18.—Coach Slat's Gill and his Oregon State basketball squad started preparing this week for the defense of the Beavers' Pacific Coast conference basketball crown. Daily workouts at present are being held in the men's gym, but before the first home game Orange will be housed in their new pavilion.

Missing from last year's great club which finished fourth in the final NCAA standings are only three men, but two of them leave holes hard to fill. They are Captain Cliff Crandall, all-America forward; and Al Petersen, lanky forward who couldn't miss on a hot night. Jim Catterall, speedy little guard, has transferred to Linfield.

Returning letter winners include Glen Kinney, Dick Ballantyne, Gill Harper, Ray Snyder, Harvey Wait, Len Rinearson, Tommy Holman, Dan Torrey, Ed Fleming, Paul Slipper, and Ken Storey.

Up from last winter's once-beaten rook squad are Jack Orr, 6-3 forward; Don Padgett, 6-4 forward; Jim Naw, 6-5, and Bob Edwards, 6-6, centers; and George Allison and Don White, speedy guards.

Also expected to be in the thick of the battle for starting jobs are George Crandall, brother of Cliff and a sophomore who was held out of competition last year; and Bob Payne, promising 6-3 transfer forward from San Francisco Junior college.

The defending champions will play one of the toughest schedules in the school's history. After meeting Portland University on December 1 at Portland, the Beavers will go east to play Canisius in Buffalo on December 3, New York university in Madison Square garden, December 6; Wisconsin at Madison, December 8; and Minnesota at Minneapolis, December 10.

Returning home the Orange will open play in the new pavilion against highly regarded Utah on December 16 and 17; Indiana will be here December 19 and 20; and Minnesota for a return contest on December 27. Gill's men start defense of their northern division title against Washington State here January 3 and 4.

# 17 Men Saved From Burning Ship

SEATTLE, Oct. 18 —(AP)—A "nick of time" rescue saved 17 seamen from the wind-frothed North Pacific last night after fire turned their wooden lumber schooner, the Salina Cruz, into a blackened broken hulk.

The officers and men were picked up by the U. S. Fish and Wildlife service vessel Black Douglas just as one of their two lifeboats was awash and sinking.

The Douglas reported early today all of the sailors had recovered from their ordeal, and she was proceeding to her home port of San Francisco.

The dramatic rescue a few hours after nightfall 140 miles west of Grays Harbor, Wash., was carried out in heavy seas kicked up by a 25-knot wind. Coast guard search planes that had been circling overhead throughout the day guided the Douglas to the scene.
