WASHINGTON, Oct. 18 - (P) A Senate House conference committee today reached "com-plete agreement" on a farm price support bill.

Chairman Elmer Thomas (D. Okla.) of the Senate conferees, announced the compromise and said it calls for 90 per cent of parity supports next year for cotton, corn, wheat, rice and peanuts

The agreement still is subject to approval by both the Senate and House but the compromise—which had threatened to delay adjournment—is expected to be accepted.
