Rev. and Mrs. Walter W. Appleyard, Mr. and Mrs. Paul Rummell and Mrs. Bertha Rummell of the Dillard church are going to Portland Thursday to attend the mass meeting of the Methodist church for the Advance program. Outstanding national speakers are to be there.

The new Dillard school is nearing completion, with all the rooms now being occupied. The yards out in front are all being leveled off and gravelled and are soon to be landscaped. A large new garage is now being erected for the use of the school buses.

Mitchell Anderson, son of Mr. and Mrs. Marvin Selby, who has been home, sick with severe ear infection is satisfactorily improving. He is being treated with special shots brought from Eugene to combat the infection in his body. Although he is still very ill he is resting easy, it is reported.

Mr. and Mrs. Walter F. Middlestadt, who reside in the Ford's addition to Dillard, has as their house guests this week Mr. and Mrs. Herman Krotlen, aunt and uncle of Mr. Middlestadt, from Portland, and their daughter and son-in-law, Mr. and Mrs. Bill Beaverton.

Mrs. Belle Clark recently returned from a trip visiting three sisters in North Powder, Ore., two of whom operate the local telephone exchange in that city. Mrs. Clark reports very cold frosty weather from there, so winter here must be just around the corner.

Czechoslovak Purge Hits Directors Of Factories

PRAGUE, Oct. 20.—(AP)—Czechoslovakia's communist-controlled government has extended its purge of "political untrustworthies" to the management of its own nationalized industries, throwing out a score of factory directors in one swoop.

This was disclosed by the government's official gazette.

A single issue of the gazette reported the expulsion of 20 directors of nationalized enterprises, eight of them large industries.

The official bulletin also disclosed the government's campaign of liquidating privately-owned small businesses was continuing without relaxation.

Railway Flat Car At "Blind Crossing" Damages Glendale Man's Automobile

By MRS. GERALD B. FOX

A moving flat car at a blind crossing in Glendale struck the automobile of Ralph Sloan, Glendale man, last week and carried the car and its occupants 117 feet down the track before it was stopped. Sloan's car, a late 1947 Ford, was caught broadside and damaged to the extent of \$450 or more. Sloan escaped with only a few scratches.

The accident occurred at 8:05 p. m. Tuesday, Oct. 12, Sloan, traveling north, was approaching the multiple railroad crossing in second gear. Seeing no movement of train, he started across. An engine was parked at the crossing on the No. 3 track and completely hid from view a train moving east on the No. 2 track.

Sloan said "Just as I drove onto the track, a flatcar flashed from the darkness as I entered the crossing, and I could not move my car forward quickly enough to get out of the way." The force of the impact lifted Sloan from the

driver's seat, across the car, and back again where his body, hitting the door, bowed it out. Fortunately, the lock had jammed and held the door closed.

There was no signal device at the crossing, and the train crew had placed no flagman there. Sloan declared. The crossing has been the site of several similar accidents in recent months.

Hotel Leased

The Glendale hotel and cafe has been leased, according to H. McDougall, local manager of the property, to H. Oestrich who also operates two similar establishments in Medford. Mr. Oestrich's mother, Mrs. Josephine Lynch, is in charge of the hotel, and Mrs. Merle Richardson is in charge of the cafe. The business will be reopened about Oct. 21 after extensive remodeling and modernization.

Daughter Born

Mr. and Mrs. Lonnie Mitchell of Glendale are the parents of a baby girl, Rita Virginia, born Oct.

8, in the Josephine hospital at Grants Pass.

Move To Sacramento
Mr. and Mrs. Eugene Johnson and son Wayne, of Fortune Branch, moved this week to Sacramento, Calif., where he will enter the real estate business. Mr. Johnson has had real estate offices here, at Fortune Branch, and at Wolf Creek.

Return To Hospital

Mrs. Bob Patterson, of Glendale, recent victim of throat polio, was returned to the hospital in Grants Pass by ambulance Saturday, for complications suffered as the result of a cold. Mrs. Patterson is said to have been making good recovery, but it was felt that hospital facilities would give her a better opportunity to fight off effects of the cold on the weakened area.

Home From Hospital

Mrs. M. C. Watson, confined to the Grants Pass hospital since a Labor day automobile accident, was brought home by Stearns am-

balance early this month but will be confined to her bed for several weeks longer. She suffered complicated pelvic injuries. Her daughter, Mrs. Francis West, injured in the same accident, has been undergoing regular treatment for compound fractures of the arm near the elbow joint.

Vacation In Alabama

Mr. and Mrs. H. D. McDonald has left for a vacation visit with relatives and friends in Alabama. Mr. McDonald is a member of the office force of the Robert Dollar company in Glendale.

When a menu calls for parsleyed potatoes how do you make them? An easy way is to dip small whole cooked potatoes in melted fat or margarine and then into finely chopped parsley.

If you want to keep the skin of baked potatoes soft just rub them with salad oil or some other suitable fat before baking.

Any tire is safer tire with

LIFEGUARD SAFETY TUBE

Here is Why...

1. Ordinary tubes have but one air chamber. When tire blows, tube blows too.

2. Instantly both tire and tube go flat, frequently throwing car out of control.

3. The LifeGuard Tube has two air chambers. In case of a blowout, only the outer chamber gives way.

4. Keeps air in the strong cord fabric inner chamber supports the car long enough for a safe gradual stop.
