FRAMPTON B. PRICE

ROBERT D. SINCLAIR

ed to take a position on the facul-ty of Reed College in Portland. ADDED TO STAFF

ADDED TO STAFF
Also added to the psychology
department is Robert D, Sinclair,
Ph. D., a recent arrival from the
VA hospital at American Lake,
Wash. Although Dr. Sinclair has
been working at the local hospital
for the last few months, it was
that a temporary assignment for the last few months, it was just a temporary assignment which has now been changed to permanent. Dr. Sinclair came to the Veterans administration from the College of Puget Sound in Tacoma where he was a professor of psychology for 18 years. Prior to that time, he taught in the elementary and high schools. Prior to that time, he taught in the elementary and high schools in Iowa, and in colleges in both Iowa and South Dakota. He received his A.B., M.A., and Ph.D. degrees at the State University of Iowa, majoring in psychology. He is a member of Phi Delta Kappa, and Pi Gamma Mu, both national honorary fraternities.

DOCTOR AND WIFE

The medical staff of the Rose-

The medical staff of the Rose-burg Veterans hospital has been

Walter W. Barker has filled a new position in the hospital as social worker. Mr. Barker is a native Origonian, having been born in Portland, where he attended elementary school and Washington high school.

At the University of Iowa he studied business administration, receiving his B.S. degree in 1942. The following year he enlisted in the Navy as flutenant (g) and served aboard ship in antisubmarine warfare. Most of his service was with destroyer excerts

marine warfare. Most of his service was with destroyer escorts working in and out of the Philippine islands, although he was on one cruise to Bizerte. Africa.

Upon release from the Navy in 1946 he entered the University of Chicago for anothr year of university work. He then joined the faculty of Graceland Junior colege in lowa for a year, to return to the University of Chicago for his master's degree in social service work which he received in June, 1949.

Mr. and Mrs. Barker have Jake en up residence on Meirose route with their three year old twin boys who look so much alike that even they sometimes have Assisting him in this public as a service work when he received in June, 1949.

Mr. and Mrs. Barker have Jake en up residence on Meirose route with their three year old twin boys who look so much alike that even they sometimes have Assisting him in this public and the public health functions, especially the reatment of tuberculosis and communicable diseases. A part of this time was spent in Nagator of the University of Chicago for his master's degree in social service work which he received in June, 1949.

Mr. and Mrs. Barker have Jake en up residence on Meirose route with their three year old twin boys who look so much alike that even they sometimes have
