stride.

The rush to the scene is reported to be of only minor proportions. Approximately 50 prospectors were reported working the Yukon in the area with picks, shovels and pans.

Temperatures in the area are reported around 10 to 15 degrees. The Yukon river now is at its annual low stage because of freezing tributaries. It is assumed the discovery was made on ground usually under water.

East Coast Longshoremen Sign Company Contract with East Coast Longshoremen's strike evaporated to day after the union approved a new two-year contract with East coast shipping companies.

Joseph P. Ryan, president of the AFL international Longshoremen's Association, announced last night that a majority of the ILA's 65,000 members voted to accept the agreement.

Five-Year-Old Delegated To Feed Lawn Squirrels

WASHINGTON, Oct. 24.—49
The squirrels on the White House lawns should be fatter today, at no cost to the taxpayers, Richard Feeney, 5, has been appointed to see to their welfare.

Richard is the son of Joseph Feeney, White House legislative officer. He and his father met President Truman in a White House hall and Richard observed to Mr. Truman, with gestures:

"The squirrels in LaFayette park have stomachs theat big, but here they're only this big."

After Fishbein

PORTLAND, Oct. 24. — (#) — Oregon doctors virtually went on strike against a number of pre-paid medical plans after Dr. Mo-ris Fishbein of the American Medical association visited Ore-gon some years ago, the govern-ment charged Friday.

The government charges that
the State Medical society attempted to monopolize the prepaid medical field through its Oregon Physicians' Service.
Bechtold also listed individual
doctors he said had refused his
patients.

Bechtold said doctors "had combined" in Jackson, Josephine, Douglas, Marion, Clatsop and Columbia counties to refuse tickets from his association. men's Association, announced last night that a majority of the ILA's 65,000 members voted to accept the agreement.

The present contract expires Oct. 30.

FAIRBANKS, Alaska, Oct. 24.
—(P)—Gold fever has again gripped this Alaska mining centre.

A find of nuggets "the size of peas" was reported from the Yukon-circle area. It is near the Actic circle about 125 miles northeast of here.

Word of the find was broughthere by Gilbert Lord, roadhous opeator; Jim Magoffin, a flier, and the Rev. Edward Badten, a flying missionary for the Assemblies of God church.

They said Clifton Carroll, a fisherman, noticed nuggets in the frozen sand and gravel on the action at a claim himself.

The missionary said he staked out a claim himself.
