

### Asks To See Grid Tilt As Reward For Jail Killing

PHOENIX, Ariz., Oct. 27.—(AP)—Tom Stowe, the crippled night watchman whose accurate shooting killed two escaping jail-breakers Saturday, has only one request for a reward. "I would really like to have a ticket to the football game between my Alma Mater, Arizona State college at Tempe; and the University of Arizona," he admitted.

**NOTHING TO STOP 'EM**  
HONG KONG, Oct. 27.—(AP)—Generalissimo Chiang Kai-shek called Tuesday for "total mobilization" against the triumphant Chinese Communists because, he said, they will stop at nothing. Chiang spoke at his headquarters on Formosa on the fourth

anniversary of China's liberation from the Japanese. He said the big island off the south central coast was destined to be a citadel of resistance against "Russian imperialistic designs."

### New Hospital Authorized For Feeble-Minded Home

SALEM, Oct. 27.—(AP)—The state board of control has awarded a \$194,375 contract for building a new hospital at Oregon Fairview home for feeble-minded persons.

The building, to be constructed by Malarky & Moore, Portland, will replace the one burned down last May by a 16-year-old inmate of the home.

William Ryan, state supervisor of institutions, told the board that last year the state spent an average of \$743 for each patient in the state mental hospitals, compared with only \$208 in 1940. This means much better care is being given, he said.

During the same period, the population of the mental hospitals has increased 14 per cent, compared with a 54 per cent increase in the state's population.

The elephant is the largest existing land animal; the ostrich the largest bird.

### LURE OF CAR WHEELS

PITTSBURGH — (AP) — Little Jimmy Crawford, 7, always said he wanted to be a trolley motorman. Now he's sure of it. He gave the job 19 hours of observation. He left his home at 7 a. m., bearing a 30-cent all day ticket, and spent the entire day riding one car after another. At 2:10 a. m. the following day, his travels ended when the car he was on rolled into the car barns. Said Jimmy: "I still want to be a motorman some day."
