

Coffee Future Prices Still Rise On N. Y. Exchange

NEW YORK, Oct. 27.—(AP)—Coffee futures prices on the New York Coffee & Sugar exchange rose Tuesday, the permissible limit of one and one-half cents a pound for the fourth trading day in a row. Buying orders continued heavy but offerings were virtually non-existent.

The upward spiral of coffee futures prices on the exchange during the past several days has been the sharpest in history.

Spot coffee was quoted at from 41 to 44 cents a pound for the basic Santos No. 4 grade, which sold at just above 26 cents only last April. Since last week the price has advanced three and one-half to six cents a pound.

Major coffee roasters, who buy the green coffee beans and process them for distribution to retail stores, have boosted their wholesale prices at least two to three

cents a pound since last Wednesday.

Behind the soaring coffee prices are forecasts of a short supply at a time when consumption is at an all-time high. Drought in Brazil—the biggest coffee producing nation—has caused estimates of the new crop to be revised sharply downward. The recent flood in Guatemala destroyed much of the crop there.

Night Club In Coos Burns; Dog's Bark Saves Owners

COOS BAY, Oct. 27.—(AP)—Jack Skaggs, manager of the Fireside Inn, suffered minor burns early Tuesday when fire destroyed the night club south of Empire near North Bend.

Skaggs and his wife, sleeping in an apartment in the building, were awakened by the barking of their dog. Some furniture was saved. Cause of the fire was not determined.

The Inn, partially covered by \$25,000 insurance, was operated by Empire Enterprises, Inc. C. C. Wilson, Portland, and Kay E. Wilson, Empire, are the principal stockholders.

New Speed Mark Set For Atlantic Air Crossing

LONDON, Oct. 27.—(AP)—Pan-American Airways Tuesday claimed a new commercial speed record for the New York-London Atlantic crossing.

Pushed by an 80-mile-an-hour tail wind, a Pan-American Boeing stratoscouter made the non-stop flight to London in nine hours, 41 minutes, an average speed of 370 miles an hour.

The airline said the previous record was nine hours, 46 minutes, set by a Pan American plane last July 28.

The plane, carrying 38 passengers, was piloted by Capt. Max Weber of Flushing, New York.
