U. S. Yields To Czech Request To Withdraw 2 Men

WASHINGTON, Oct. 28.—(AP)—Secretary of State Acheson said Wednesday spy charges brought by Czechoslovakia's Communist government against U. S. embassy employees in Prague are "obviously trumped up." He announced, however, that the United States had "acceded to the request" to withdraw two accused American diplomats from their assignments in Prague. He said that the embassy is attempting to see a third American representative, who lacked diplomatic status and who was imprisoned Friday by the Czech government on spy charges. The two regular diplomats whose recall the Czechs demanded on 24-hour notice are John G. Heyn, assistant attaché in the political department, and Isaac Patch, the political attaché. The man thrown into prison is Samuel Meryn, embassy clerk, who has been held incommunicado since Friday. Acheson disclosed that the State department is preparing what he called a communication—evidently a strong note of protest—to be delivered to the Czech

government but he said that no protest had been made yet. This government's efforts, he said, have been directed toward getting an embassy representative into prison to see Meryn.
