## California Bears Edge Closer To Another Entry In Rose Bowl By Defeating UCLA, 35 To 21

### Trojans Have Close Call In Victory Over Washington; Oregon Beaten By Iowa, O. S. C. Wins Over Cougars

By RUSS NEWLAND  
SAN FRANCISCO, Oct. 31.—(AP)—California's Bears have one more to go in the Rose Bowl. Only the most thundering upsets now can prevent their return to the country's No. 1 football classic Jan. 2.

Lynn Waldorf's team hurdled its second biggest obstacle of the season last week with a convincing 35-21 victory over its southern cousin, the University of California at Los Angeles. The other tough one was the University of Southern California, a 16-10 victim two weeks ago.

California is the only undefeated, untied club in the conference. The balance of its schedule is favorable. Washington State next weekend should provide not much more than a workout. The same goes for Oregon Nov. 12. Stanford, in the season windup Nov. 19, may offer an argument of major proportions.

The Bears from Berkeley went to the Rose Bowl last year's day. They lost to Northwestern. There seems little doubt they will make the trip again. The Big Ten team for the postseason classic is yet undetermined. It may be Ohio State, currently tied with Iowa for the lead in that conference.

California has won 21 conference games in a row. In fact, Coach Waldorf has lost only one league contest since he took over three seasons ago. Trojans Have Close Call

Southern California, pre-season favorite for the conference title, outscored an inspired Washington team, 40-28 and takes on the Loop's Enigma club, Stanford, this weekend.

The Trojans had to go all out to win from Washington which came back from a 0-20 count to go into a third period lead 28-27. Two touchdowns in the final quarter turned the trick.

Southern California will be favored over Stanford. The latter chalked up a 7-7 tie with Santa Clara in a game marked by defensive play. Stanford has great potentialities but has yet to put its best game together.

Washington meets Oregon. Oregon lost to Iowa, 31-34, last week. Off the performance against U.S.C., Washington rates an excellent chance against Ore.

### Fullerton, Rose Retain Leads In Grade League

#### CITY GRADE LEAGUE

Team	W.	L.	T.
Fullerton	3	0	1
Rose	3	0	1
Benson	1	2	1
Riverside	0	4	0
Peewees	W.	L.	T.
Rose	3	1	0
Fullerton	2	1	1
Riverside	1	1	2
Benson	0	3	1

The city's grade schools completed their fourth week of Saturday morning competition with the favorites coming through with expected wins.

In the heavyweight division Fullerton held its league lead by outscoring Benson, 18-12, and Rose walloped Riverside, 32-0, to remain in second position.

Rose school Peewees ran their victory string to three by blanking Benson, 18-0, while Riverside and Fullerton Peewees played to a scoreless tie.

### Medford Juniors Blank Paposes

A classy Medford junior high school team rolled up another victory over the Roseburg Junior High Paposes by taking advantage of Roseburg miscues to blank the home squad, 24-0, Saturday at Finlay field.

Fumbleitis proved to be the deciding factor in an otherwise well-played contest, with two of Medford's scores set up because the local lads failed to hang on to the ball.

Medford marched to a touchdown in the first quarter when Roseburg fumbled the opening kickoff. A second recovered fumble, climaxed by a sharp forward-lateral play, gave the visitors 12 points. Medford's only "earned" touchdown was their third score which followed a sustained drive up the field.

An over-anxious group of Roseburg third-stringers gave their opponents their final score when Medford intercepted a lateral and ran to a touchdown.

According to co-coach Frank Purdy, the Roseburg team played good defensive ball, and the final score would have favored Medford, 6-0, had it not been for the fumbles. However, Purdy said the Paposes had very little to offer in the way of offense.

### Small College Texan Leads Football Scorers

NEW YORK, Oct. 31.—(AP)—Some of the bigger schools could well use Brad Rowland, halfback for McMurry college of Abilene, Texas, who held a big lead today as top individual scorer of the country's college football teams.

Rowland has rolled up a total of 96 points in seven games, clicking for 16 touchdowns. That gives him a lead of 16 points over Bill Young, who has chalked up 79 points and 14 conversions for unbeaten, united Hillsdale (Mich.) in six starts.

A week ago, Rowland led Young by only four points, 78 to 74.

On the Pacific Coast Bob Sanders of Oregon and Bill Martin of Southern California pace the scoring parade with 54 points each other under the lights—the played but six games against Sanders' seven.

## Triple Giants Of Grid Extend Win Streaks

### Notre Dame Blanks Navy, Army Beats V. M., Okla. Smash Iowa State

By The Associated Press  
It's no longer sufficient to say those gridiron Gargantuas—Notre Dame, Army and Oklahoma—won again. The pertinent point is: by how much?

As if jealously watching the scoreboard in their drive for national honors, these three top ranking eleven's are gorging themselves on touchdowns and pushing the modern record for scoring.

Army's Black Knights of the Hudson, second to Notre Dame in the current standings, are setting the point-production pace among the leaders with a total of 287 in six games, an average of 44 1/2 per Saturday.

The fighting Irish have registered 197 in five games, an average of 39 plus, while the third-ranked Sooners have 229 in six games, a bit over 38 for each afternoon's sport.

They are not apt to wreck the listed all-time record of 504, established by Army in 1944, but they'll be mighty close at the end of this "point-crazy" campaign.

All three of the Titans won games Saturday by robust margins. Notre Dame crushed Navy, 40-0, at Baltimore, Army overpowered Virginia Military, 40-14, Oklahoma smashed Iowa State 34-7.

### Other Top Results

These were the other top developments of the last October weekend:

1. Pennsylvania, ninth ranked nationally, was jumbled from the unbeaten ranks by Pittsburgh, which scored a last minute safety to prevail, 22-21.

2. Perfect records were maintained by 11 other major teams—Notre Dame, Army, Oklahoma, California, Cornell, Baylor, Boston U., Virginia, Fordham, Wyoming and College of the Pacific.

3. Bowl hopes rocketed for California, Baylor, Pitt and Boston University.

4. Bowl hopes were shattered for North Carolina, Minnesota and UCLA.

5. Fordham, once an eastern giant, came back to the big leagues with a 42-0 triumph over Georgetown.

California's Golden Bears just about clinched the Pacific coast championship and the Rose Bowl bid by humbling UCLA 35-21.

But the possible Pasadena foe from the big ten became a greater puzzle, as oft-whipped Purdue rose up to smite seventh-ranked Minnesota, 13-7, and Michigan, No. 11, tripped Illinois, the conference leader, 13-0.

That put Ohio State and Iowa in the middle of the Rose Bowl picture. Ohio State vanquished Northwestern, 24-7, and Iowa won an intercollegiate fray from Oregon, 34-31.

Iowa takes on Minnesota Saturday in the game that can buoy or bash its Bowl chances.

### Dillard

By ROSA HEINBACH  
Mr. and Mrs. Dale Anderson and their son were the guests on Saturday evening of Mr. and Mrs. Clarence Walker of Dillard. Pinchle was enjoyed. The Andersons left Monday for Tulsa, Okla.

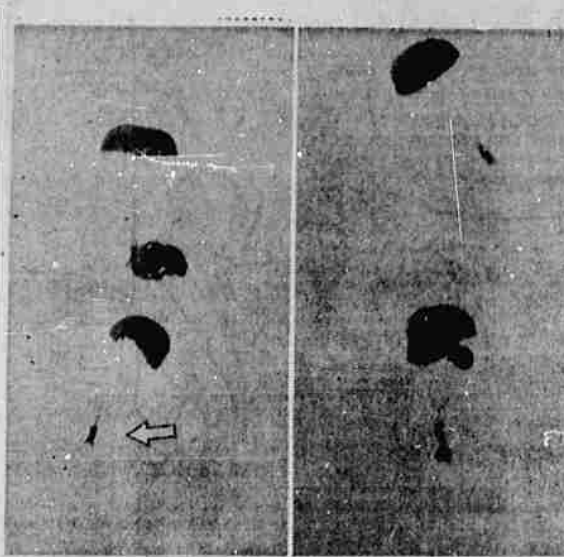

Mr. and Mrs. O. D. McAllister spent last weekend in Eugene where, on Saturday, they attended the funeral of Victor Peterson, a former Roseburg man. Mr. Peterson was assistant general manager of the Southern Pacific Railroad company.

Don Nordling of Eugene is now working for the Andrus and Hult Lumber company and staying with the George Selby's.

Mr. and Mrs. Fred Burks are planning to leave about Nov. 1 by airplane for Flint, Mich. They plan to bring home a new Buick. They will return by the southern route and plan an extensive trip, visiting points of interest and relatives along the way.

The ladies of the Dillard P. T. A. are very busy taking the school census of the surrounding Dillard district.

The following poem is taken from the poster of a small school child who is interested in the party and costume carnival for

**DRAMATIC**—Paratrooper Charles J. Dye (left) gives a warm clasp of thanks to Sgt. Marvin O. Smith (right) who, with a desperate snatch, pulled Dye to safety when the latter's parachute collapsed during a training jump at Eglin Air Force Base, Fla. Top photos graphically show the dramatic mid-air rescue. His chute partially collapsed (upper left). Dye falls past Smith (arrow). A split-second later the rescue is climaxed as both men dangle from Smith's chute (upper right). Smith has been recommended for the Soldier's Medal for his alert action in saving his jumpmate. Official Air Force photos.

### Stojack Pins Karlinko; LaChap Defeats Kiser

Douglas county wrestling fans were treated to two fine matches as Elton Owen presented his weekly wrestling card Saturday night at the Roseburg armory.

Plenty of scientific action was seen in the opener, as Maurice La Chappelle decisively pinned Karlinko, an oft-whipped Purdue rose up to smite seventh-ranked Minnesota, 13-7, and Michigan, No. 11, tripped Illinois, the conference leader, 13-0.

That put Ohio State and Iowa in the middle of the Rose Bowl picture. Ohio State vanquished Northwestern, 24-7, and Iowa won an intercollegiate fray from Oregon, 34-31.

Iowa takes on Minnesota Saturday in the game that can buoy or bash its Bowl chances.

### Pacific Northwest College Grid Scores

Linfield 16, Whitman 9, Pacific U. 34, British Columbia 6, Southern Oregon College 21, Chico State 14.

Oregon College of Education 33, Eastern Oregon College 9, Eastern Washington 20, Central Washington 6, Lutheran 26, Whitworth 21, Western Washington 40, St. Martin's 7, Lewis & Clark 20, Willamette 7.

### Sutherland Wins Over Eagle Point

Sutherland evened its standings in DJJ league play at two wins and two losses Friday, by returning from Eagle Point with a 19-7 win over the southern rivals.

Sparking the victory was the two touchdown performance of Levone Ziegler, who raced 56 yards off tackle for Sutherland's second score and finished the Bulldogs' scoring parade by skirting end for eight yards.

Merle Buck tailed first for Sutherland with a 25-yard touchdown sprint over tackle. Vogel-pohl made one of three conversion attempts good.

Lone Eagle Point score came in the fourth quarter on a 30-yard pass play from Finley to Cain. A power play scored the extra point.

Coach Orrin Hills said every member of the Sutherland squad got into the game, thus accounting for Eagle Point's supremacy in statistics. First downs favored Eagle Point, 10-8, and the Eagles amassed 267 yards from rushing to Sutherland's 259.

Sutherland steps out of its class next week by playing Coquille, the coastal A league team. The game will be played at Sutherland at 2 p.m. Saturday.

First use of a coaxial cable for a regular television program came at the Republican convention in Philadelphia in 1940, the relay being to New York.

### Reedsport Victor Over Myrtle Creek High

Plans for an otherwise perfect Myrtle Creek high school homecoming weekend were dampened Saturday afternoon as the host school dropped a 26-0 decision to the Reedsport football team.

Experience counted for the invading Braves in racking up a win in the non-league game. Ray Karp, Myrtle Creek principal, said his lads played one of their best games of the season, with a lineup consisting mainly of freshmen and sophomores.

Myrtle Creek fumbled three times inside the Reedsport 20-yard line and threatened on other occasions, but lacked the necessary punch to score, Karp said.

This was Myrtle Creek's second unsuccessful go against A league competition, dropping an earlier decision to Myrtle Point.

### Drain High Drops District Title Game To Bandon

Recent rains and a muddy field spelled defeat for the Drain high school football team Saturday as they lost their chance to claim the District 4 B league crown, dropping a 13-6 decision to Bandon.

The passing attack which has pulled Drain out of many a hole this season failed to click and Drain's breakthrough runners were hampered by the sea of mud in which they were playing.

Bill Chatham, Drain coach, said neither team could get going until the final quarter—then the three touchdowns came in rapid succession.

Morrison, ace Bandon back, started the fourth quarter scoring spree with a 90-yard run to paydirt—an exact duplicate of a touchdown run he made against Myrtle Creek earlier in the season. The second of two Drain fumbles set up the other Bandon score, when the coastal team recovered a loose ball on the Myrtle Creek eight-yard line. Meyers powered it over from the one-yard stripe.

With time running out, Drain struck back with a 75-yard drive climaxed by a 20-yard pass from Bob Cellars to Don Joslyn. The try for extra point failed.

Although outplayed, according to statistics, Bandon took advantage of their superior weight and the breaks of the game to outscore the fighting Drain squad. Drain pined 296 yards in rushing to Bandon's 135 and first downs favored Drain 11 to six.

The win put Bandon in the running for the state B league title and the right to represent District 4.

### Soil Conservation Zones Planned In 2 Counties

CORVALLIS, (AP)—Establishment of two soil conservation districts—in Lake and Sherman counties—will be decided next month.

A Nov. 1 vote in Lake county will determine whether landowners want to add about 800,000 acres of Goose Lake valley to the present Lakeview soil conservation district.

On Nov. 16, the owners will decide whether all of Sherman county should be made into a new conservation district.

Results of two recent referendums in Josephine county will be announced Nov. 10 at a meeting in Portland of the State Soil Conservation committee.

### Big Corn Surplus Stored Under Price Support Plan

WASHINGTON, (AP)—An Agriculture department survey shows that U. S. stocks of old-crop corn in storage on October 1 totaled 815,000,000 bushels.

More than 500,000,000 bushels of the old crop supply are stored under government price support programs.

Added to this year's indicated crop, the old stocks give a total corn supply of about 4,292,000,000 for the current marketing year. This supply is at a point where the department can decide either for or against grid marketing quotas on the 1950 crop.

### Four TDs In Last 10 Minutes Give Iowa Win Over UO

IOWA CITY, Oct. 31.—(AP)—Four touchdowns in ten minutes of the last half gave Iowa a thrilling 34-31 victory over Oregon here Saturday in their intercollegiate gridiron contest.

Oregon held a 10-6 halftime edge and was leading 24-6 before the spectacular Iowa rally got underway.

After an initial Iowa touchdown in the first quarter, Oregon went into the lead in the second quarter with a touchdown by Bob Sanders and Chet Daniels' field goal.

In the last half Woodley Lewis broke away from his own 25 and went the distance. Later it was Lewis again, going 37 yards to paydirt.

Oregon had a 24-6 lead at this point, but after a penalty that put the ball in midfield, Iowa struck like lightning bolts of a big mid-western storm.

Iowa senior Bob Langley returned a punt 93 yards for one touchdown. Then just after the fourth quarter opened, an Oregon fumble of the Iowa kickoff and a 21-yard pass by Jerry Faske to Jack Diltmer narrowed the gap to 20-24.

Oregon came back to take an 11-point margin when Johnny McKay ripped around end 37 yards. But the kickoff to Iowa brought sophomore Bill Reichardt from his own 1 to the Oregon goal. A few minutes later, Oregon fumbled on its own 19 and Iowa recovered. Reichardt banged over in three plays and booted his fourth extra point to put the score at 34-31.

The final Oregon thrust brought the ball to the Iowa 4. A fumble by Sanders sent the ball back to the 18. Then came a five-yard penalty. Earl Steile tried a diagonal pass to Darrell Robinson but it was too high and fell as the gun sounded.

### Price Support For Wool To Increase

PORTLAND.—Recently enacted federal farm legislation means higher price supports on wool in 1950 and for a long time to come, Portland wool dealers say.

Modernized parity formula in the new farm bill boosts parity price on wool about 4 cents a pound. While supports may range from 60 to 90 per cent in parity, other language in the bill makes 90 per cent supports certain in 1950.

This, according to the trade, will boost support prices to about 46 cents next year, compared with an average of 42.3 cents this year. Mohair also is due for support price protection at about 59 cents a pound in 1950.

### AUTO GLASS REPAIRS
