MAKES BAKED BOUQUETS

LOS ANGELES (AP)—Mrs. Mae DeLano slow-bakes her bouquets. The flowers last longer that way. Here's her recipe for a baked bouquet, suitable for framing: Cut flowers (preferably flat types), leaves and lacey ferns. Place in an oven dish, cover with clean white sand, and bake for 10 hours in a low oven. After baking, Mrs. DeLano removes the posies, cleans them with a camel's hair brush and arranges them on a flat backing. She fixes them in position with transparent glue.

Then she carefully clamps a glass, airtight frame over the design and behold—a beautiful picture, painted in nature's own colors. Mrs. DeLano cautions in-

Oregon's Industrial Payroll Slumps in September

SALEM (AP)—Oregon's industrial payroll, which includes firms covered by the State Industrial Accident Commission, slumped during September. The September total was \$37,492,751. That was \$7,000,000 less than in August, and \$4,000,000 less than in September, 1948. The payroll in Multnomah county was \$20,384,808, or \$4,500,000 less than in August. It was down \$2,000,000 from September, 1948.

These figures, however, do not conform with those of the Unemployment Compensation Commission, whose payroll totals for all business firms show gains. Officials said it is possible that industrial payrolls could be less, and that other business payrolls could more than offset them.

CITY HALL LOSES SANTA

LINCOLN, Neb. (AP)—The Lincoln city hall has finally given Santa Claus the cold shoulder. At one time there were 16 fireplaces in the venerable structure. One by one they were removed and the last of the 15 was taken out this fall. In recent years they had served only as a place to hang stockings during employees' Christmas parties.
