Carter Tire Co., formerly Hansen Motor Co., Tire Dept., has moved to 444 N. Stephens to bring you a larger and more complete Tire and Car Accessory Center. After many weeks of delay in receiving and installing machinery in our shop, we are now ready to introduce our new home to you. We cordially invite you to attend our OPEN HOUSE, Thursday night from 7 to 9 P. M., and to inspect our newest addition in our service to you, our completely new RECAPPING plant.

BE SURE TO VISIT OUR NEW STORE AND PLANT TO SEE ONE OF SOUTHERN OREGON'S NEWEST AND MOST MODERN RE-CAPPING PLANTS.

Here is news also! No need to tie your car up when you have your tires recapped. We loan you tires while you have your-tires recapped in our plant. This means that you can still use your car while your tires are being recapped. Try our service soon.

WHILE YOU VISIT DURING OUR OPEN HOUSE

- ... You will be served punch and cookies.
- ... And there are FREE balloons for the children.
- ... Make plans now to visit our new home Thursday night between 7 and 9 P. M.
