

# Last Home Tilt Of Grid Slate Faces Indians

Grants Pass Will Be Foe Friday Night; Dated At Ashland Armistice Day

Coach Cee Sherwood put his Roseburg Indians through a tough scrimmage during Tuesday afternoon drills at Finlay field with much emphasis given to defensive tactics that will be used against Grants Pass in the homecoming game Friday night at Finlay field.

The game will be the last one Roseburg fans will see the Indians play on home territory this season. The following week, the Roseburg varsity travels to Ashland for an Armistice day battle there, to wind up the season's football action.

Sherwood expects to have 27 players suited up for the game this weekend. Only one man is expected to be out due to injuries or illness. He is Jim Shrum, who injured his knee during a recent football practice.

Homecoming included a game with the Grants Pass Indians which will carry a double meaning for Senior High school students. In addition to being an expected tough battle with an old rival, the game will be part of a homecoming program lined up for old alumni.

Following the game, graduates of Senior High will be feted at a dance to be held in the girls gymnasium.

Roseburg businessmen are entering into the spirit of the occasion by donating window space, where pictures of Indian football players are being displayed.

An interesting halftime demonstration is also promised—featuring the High School band.

**McCarthy Retained As Manager Of Boston Sox**

BOSTON, Nov. 2.—(AP)—The fans apparently "wrote" Joe McCarthy back into the management of the Boston Red Sox for the next two years.

The front office disclosed last night that the jut-jawed pilot had been besieged with fan letters insisting he continue as manager.

They apparently answered a problem he brought to Boston when his club returned from its vital two-game series which gave the New York Yankees the American league title.

The crestfallen 62-year-old manager told newsmen then, "if you want me back, write it."

Some sports writers did; others didn't. But the fans apparently settled the problem with their kind letters to the tactician Sox pilot.

He came to terms yesterday at a salary believed to be between \$50,000 and \$55,000.

## Weaver Stakes His Title In Return Bout With Dusette On Saturday's Wrestling Card

The Pacific coast light-heavyweight wrestling title will be at stake at the Roseburg armory Saturday night, according to Matchmaker Elton Owen. Buck Weaver, former Indiana University football and wrestling star, will defend his coveted crown against the challenge of Georges Dusette, the muscular and popular French-Canadian.

Owen announced the signing of an outstanding special bout in which "The Great Atlas" will make his local grappling debut against Karl Myers, rough and tough matman from Milwaukee. An added attraction will be the appearance of Bob DeArzt, known as the "Indian Rubber Man" who at one time was featured by the late Bob Ripley as the world's most unusual contortionist. He will give a special exhibition. A preliminary will match Jimmy Gonzales, a Spanish newcomer from Honolulu, against Pete Bartu, Chicago villain.

There is unusual interest in the Weaver-Dusette match, even for a championship affair. It looks like a natural in which a capacity crowd appears inevitable. Ringside reservations are available at Powell's.

Weaver won the title here last August as the result of a final tournament victory over Tex Hager, but his final foe might well have been Dusette, had Weaver not tricked the contender. So a month ago Dusette had his chance, but Weaver back-pedaled and established the fact that the title could not change hands except on the strength of two falls. Dusette is confident he will turn the trick this time—because the time limit for the title engagement will be over a 90-minute instead of a 60-minute route.

Dusette is still employing his usual tactics—softening up opponents with a headlock and clinching the falls with a full-nelson by the aid of his tremendous arm and shoulder strength. Weaver, a great fundamental grappler, has been using a step-over toe hold of late which has always been particularly effective against the French-Canadian.

**Ramirez Defeats Rogers; Winslow Wins Over Wolfe**

PORTLAND, Nov. 2.—(AP)—Experienced Felix Ramirez, 132, of San Jose, Calif., outlasted willing but youthful Don Rogers, 134, of Portland, last night in a 10-round main event decision. There were no knockdowns.

Woody Winslow, 144, Merced, Calif., decided Dick Wolfe, 148, Portland, in their 10-round semi-final.

**Preliminaries:**  
Chuck Maxson, 186, Corvallis, Ore., knocked out Johnny Johnson, 180, Aberdeen, 1; Spider Renaud, 129, Portland, decided Joe Pete, 133, Salem, Ore., 4; Chuck Lyons, 157, Portland, TKO Johnny O'Day, 153, Portland, 2.

**Annual Officers Chosen By Warrior Guard**

The Roseburg high Warrior Guard elected officers for the following year. They are: Betty Hurd, chief; Sylvia Hill, vice-chief; and Doree Ellis, secretary-treasurer.

The object of the Warrior Guard is to heighten standards by getting student cooperation and discipline. All members must have average grades or better.

There are now 50 students in the Guard, under the direction of J. H. Barneek and James Strasburg.

Principal jobs of the students are ticket sales and ushering. Some of the boys have been assisting police officers in directing cars at the games.

The members announce they would be greatly appreciative if everyone gives his complete cooperation with the Guard when they are at school games.

**Girls League Elects, Plans Christmas Ball**

The second Roseburg high girls league meeting of the year was held Tuesday in the girls gym, with Shirley Gregory presiding.

Jodean Hill gave a report on the Pollyanna committee, and the senior representatives were elected. The latter were Sue Brown and Lenora Markell.

It was decided that the girls who worked at concessions and on committees should have points which will go toward a league pin.

The Christmas ball was discussed and the girls voted to have the boys help with the affair this year if they vote accordingly.

**Jayvees To Battle Myrtle Point "11"**

Norm West's Junior varsity football players face Myrtle Point Saturday afternoon at Finlay field, starting at 2 o'clock.

Eddy Wyatt's seventh-graders play Cottage Grove seventh-graders, starting 12:30.

For the Jayvees, it's their chance to win game number two. West's warriors have had some tough breaks in earlier actions this season, and have beaten one team so far. The Warriors beat Sutherland 13-6 in a game played one week ago today.

One thing that has kept the Warriors on the bottom side of the scoring has been West's liberal use of third and fourth string men, in an attempt to keep every man on the squad busy. By giving every man an opportunity to play, West hopes to provide the varsity with players that are well-grounded in fundamentals, next year.

The same situation will hold true for Eddy Wyatt's seventh graders. Under the new athletic setup in the Roseburg schools, every man will be given an opportunity to play, with the hope of building up a strong varsity team in future years.

**Stocking Of Oregon Lakes Finished For Season**

PORTLAND, Nov. 2.—(AP)—Pack-string stocking of remote Oregon lakes has been completed for the season, the State Game commission reports.

In continuous operations since June, 434,000 eastern brook and 440,000 rainbow trout were released in Cascade lakes not reachable by road. Plantings also were made in a number of headwater streams. Fish varied in size from two to three inches long.

The pack string concentrated on the more isolated lakes, the commission reported, since much of the general work has been taken over by the airplane. Forty-five lakes were stocked for the first time.

**Duck Hunters Get Heavy Fines In Redsport Court**

REDSPOUT, Nov. 2.—(AP)—Seven duck hunters were fined \$154.50 each in justice court Monday, charged with violating hunting laws.

One was charged with having an unplugged gun which could handle more than the allowed three shells and the others were charged with shooting on Lake Tahkenitch from a power boat in motion.

The early Chinese invented a primitive method of drilling oil.

**COFFEE CROP CUT**

SAO PAULO.—(AP)—Forest fires and a long drought are ruining next year's coffee crop, Silvio Pacheco, of the farmers' association, reported after a tour of the interior areas of Sao Paulo.

There are forest fires almost everywhere, he said, and the continued heat has killed flowering coffee plants.

He said it has not rained in two months. If by next month it does not rain, farmers told him, prospects for next year's crop will be none. Sao Paulo is the greatest coffee producer in Brazil. A reported crop of seven and a half million bags has been estimated now at only five.

**JUDGMENT GRANTED**

Circuit Judge Carl E. Wimberly has entered judgment in favor of the State Industrial Accident Commission and against Earl R. Yates, doing business as Yates Lumber Co. The judgment was for \$128.54.

## Glendale Favored To Trim Yoncalla In Titular Game

Two top six-man football teams in Douglas county will fight for the county championship tonight at the Drain high school field, starting at 8 o'clock.

Glendale, the south half champions, faces Yoncalla Union high, the north half champions.

The Glendale team is favored to win this one having defeated Yoncalla, 49-6, in a test game earlier in the season.

The winner of tonight's six-man grid classic faces Coos River for the District 4 championship at Medford on Nov. 11.

According to Lee Roy Hanson, secretary of the Douglas county B league, championship and consolation trophies will be awarded after tonight's tilt at Drain.

Probable starting lineup:

**Grid Gossip In Northwest Loop**

SEATTLE, Nov. 2.—(AP)—Coach Howie Odell worked his University of Washington gridiron charges against the Oregon State team at the University of Washington stadium during a heavy scrimmage in which the frosh made like ducks.

The inside attack spearheaded by Fullback Bob Sanders, has piled up 1,819 yards in seven games for the ducks and is furrowing the field almost as deeply as the lengthy string of Husky injured did earlier in the year.

All but one of the Washington regulars—reserve fullback Hank Tiedemann—was on hand for yesterday's workout.

**PULLMAN, Nov. 2.—(AP)—**Tom Baker, veteran Washington State college end, may not be in the traveling squad when the Cougars embark for Berkeley and Saturday's test against California.

Baker broke a hand against Oregon State last week.

**EUGENE Ore., Nov. 2.—(AP)—**Bill Fell's efforts in the waning moment of last Saturday's clash in Iowa may have earned the Oregon ball carrier a prominent part in the Duck offensive picture, Coach Jim Aiken indicated yesterday.

As the Oregon varsity worked out against a Washington defense in practice for this Saturday's tilt at Portland, Fell was being given new opportunities to carry the ball.

**CORVALLIS, Ore., Nov. 2.—(AP)—**Only one change is planned in the starting Oregon State college lineup against Idaho Saturday, Coach Kip Taylor said. That was put reserve center Al Gray in for Pete Palmer, regular snapper-back.

Palmer went to the hospital for observation but, while released yesterday, may not be able to play, Taylor said. Nature of Palmer's ailment was not disclosed.

**OLD MILL TO WORK AGAIN**

PAWTUCKET, R. I.—(AP)—The first successful cotton mill in America soon will hum again, this time as an historic exhibit. Established in 1793 by English-born Samuel Slater, who employed locally hewn lumber, the mill now is being reconditioned by the Old Slater Mill association.

The association plans to re-equip the sturdy structure with ancient machinery and set it in motion early next year.

The machine most desired, however, is in the Smithsonian institution—Samuel Slater's first machine of its kind made in America. Slater brought its intricate "plans" to this country "in his head." Its mechanism was a carefully guarded secret in England.
