## TWO SPEECH CONTESTS SPONSORED BY W.C.T.U. SUNDAY, OCTOBER 30TH

Southwick, at the First Baptist church during the Sunday school hour Sunday morning was won by Betty Roach, who received the bronze bar. Others participating in the contest were Patsy Williams, Delberta Simonson, James Kenyon and David Whitaker.

The County W.C.T.U. rally was held during the afternoon with Mrs. R. D. Knigge leading the group singing and Mrs. Forrest Hill giving the invocation, followed by a vocal solo, "I Am Satisfied," by Mrs. Knigge. Mrs. Lesita Follett, of the Adventist church, gave a reading and the Y.W.C. girls from Lookingglass and a group of friends sang "Our Diamond Jubilee."

Mrs. C. E. Brittain was the guest speaker on the subject, "Temperance." She stated people in general are asleep to what is happening in our cities and nations and never has there been a time to be more alert. She said the reason for this disinterest was so many things directing their way from God instead of people turning to God. She said W.C.T.U. and church members should be more closely linked together in their temperance, each and that the W.C.T.U. should act as an arm of the church and that every church woman should belong to the W.C.T.U. She praised the spiritual part of the organization because it taught the Bible and won people for Christ in the church.

Members of the L.T.L., under the direction of Mrs. Albert Fray, sang the rally song and Mrs. Knigge led in prayer. The program was followed by one of the most outstanding pearl medal contests to be sponsored by the W.C.T.U. in Douglas county. The judges reported that every contestant was especially fine and that it was difficult to make a decision.

The contest was won by Miss Juanita Thomas with the reading, "Bars." Others participating included: Gaylen Crisler with the reading, "Rescued;" Edward Hall, "Dot Poy Fritz;" Beverly Nickell, "Just This Once;" Miss Margaret Page, "The Boys of America;" and Mrs. Fred L. Southwick, "Tomorrow."

## TAILOR ON THE MOVE

SPRINGFIELD, Ill.—(AP)—A roving tailor cuts the cost of outfitting the 500 Illinois State highway patrolmen.

A mobile truck carrying the tailor visits each of the 14 division headquarters on the day patrolmen gather for monthly inspection. As the need demands, the men are measured for new uniforms, shirts, caps, and coats.

Public funds are saved since neither state vehicles or gasoline is used to transport the men to Springfield for periodic outfitting as in the past.
