Salvation Army Home Dedication Is Slated

(Continued from Page One)
ham will preside at the dedication. Captain Bowden has expressed the Army's thanks to all who contributed towards the building which will afford the local corps a greater opportunity for community service both as a meeting place for local Salvationists and as a welfare center. The basement in the building will be devoted to young people's activities other than Sunday school, which will be held in the main chapel. A rapidly growing youth activity is the newly organized band which will be heard at the dedication service tonight. Other activities include a basketball team, craft classes and allied arts.

"Reactionary" Foes Blasted By Truman

by those who oppose those policies," Mr. Truman declared. Between the reactionaries of the extreme left with their talk about revolution and class warfare and the reactionaries of the extreme right with their hysterical cries of bankruptcy and despair, lies the way of progress.

Mr. Truman spoke on the anniversary of the day last November when he received word of his victory over Thomas E. Dewey in the bitter 1948 campaign. It was "Truman day" in Minnesota's centennial observance. Republican Gov. Luther Youngdahl was one of his hosts. The President called it a "bi-partisan" visit but laughed every time he did so.

Public Dance Slated By Winston Community Club

The Winston Community club will hold its second public dance Saturday night in its new hall. The hall was formally dedicated Saturday, Oct. 29, when a Halloven dance was featured. A large crowd was reported.

Music for the evening was provided by Jack Foster and his band. Mrs. Gertrude Hunter played the piano; Dick Furman, the drums, and Dick Meek the saxophone.

Mrs. Irene Geddis was in charge of the check room; Mr. and Mrs. Clarence Walker handled the snack bar, serving hot dogs and coffee or pop; James and Reba Butler took charge of ticket sales and Frank Mitchell parked cars. Space was provided for 65 vehicles, but three times that much room was actually needed, it was reported.

Mrs. H. Ferguson Claimed By Death

Mrs. Helen Relach Ferguson, 95, well-known resident of Roseburg, died suddenly at her home at 1473 Riverside drive Thursday. She was born at Wick, Scotland, and came to Canada in 1875. She was married to Donald Alexander Ferguson at Winnipeg, Canada, June 24, 1880. She moved to Roseburg in 1888 and had made her home here continuously since that time. Mr. Ferguson died several years ago. Mrs. Ferguson was a member of the Presbyterian church and the Women's Christian Temperance union.

Surviving are four children, John Ferguson, Days Creek; Catherine Ferguson, Roseburg; Hector P. Ferguson, Alameda, Calif.; and Archie Ferguson, Days Creek; also a sister, Miss Effie Relach, Roseburg; two brothers, George Relach, Winnipeg, Can., and James Relach, Phoenix, Ariz.; 10 grandchildren, and 19 great-grandchildren. Funeral services will be held in the chapel of the Long & Orr Mortuary Sunday, Nov. 6, at 2 p.m. with Dr. Morris Roach of the First Presbyterian church officiating. Concluding services and vault interment will follow in the Masonic cemetery.

Ching And Lewis Slate Parley On Coal Strike

(Continued from Page One)
for negotiations starting tomorrow in Chicago. Lewis said that if Indiana coal operators can be brought into session, then a wage agreement perhaps could be negotiated for Illinois' 40,000 miners alone. His wire was in response to an appeal by Governor Stevenson on Tuesday, addressed both to Lewis and coal operators, for a resumption of mining to relieve widening distress in Illinois.

There have been increasing signs that Lewis would like to achieve a settlement with some one segment of mine operators and use it as a lever for prying an agreement to his liking from the whole industry.

Union men think that pattern is taking shape in the steel strike where CIO President Philip Murray has reached a settlement of the steelworkers' pensions dispute with Bethlehem, the industry's No. 2 producer.

Federal Move Forecast
Pressure is growing for government action in the coal situation if the operators and Lewis make no progress toward an agreement.

A highly-placed government official said some government move is likely within the next 24 hours. Some operators said they expected to be called soon to government-sponsored talks. Lewis told Stevenson that he proposed a two-state agreement because "it may be more acceptable to some operators who have overlapping mining interests in both states."

Chest Kickoff Breakfast Open To General Public

No limit has been set on the number of persons invited to attend the Roseburg Community Chest kickoff breakfast Monday at 7:30 p.m. in the Hotel Umpqua, it was announced today. There will be at least 250 workers on the drive to raise \$25,550 for five local agencies and agencies of the Oregon chest. All persons who expect to work on the campaign are urged to be present.

Riot Follows Release Of Communists Leaders

vainly to overturn a police car. Its windshield was smashed. Police reserves, led by some of the department's top officials, poured into the area—on edge for weeks over a bitter local election campaign in which Communism is a dominant issue.

Six persons—four of them Negroes—were arrested. One Negro was charged with assaulting a policeman. The other men were accused of disorderly conduct.

The injured policeman, hurt seriously, were taken to hospital. The parade finally broke up as some of the crowd followed Davis off to other meetings. Davis later told newsmen: "My reelection is needed to end at once and for all the police department brutality, evidenced particularly tonight against Harlem's people."

"We are not going to stand for it." The Negro councilman, with strong Communist support, is running for reelection next Tuesday on the American Labor party ticket.

Davis said Harlemites were "celebrating and rejoicing the liberation of their rights."

A police department official, declining to be quoted by name, said the officers had no objection to a Harlem celebration for Davis. But he charged that hoodlums moved in and provoked the disturbance.

He called 98 per cent of Harlem's residents "good and law-abiding."

The U. S. Government delayed the release of the 11 Communists for hours yesterday. Finally, however, it conceded that their bail was in order.

MOSCOW, Nov. 4.—(AP)—The Moscow press today attributed the release on bail of the 11 convicted American Communist leaders to the "pressure of public opinion."

Revised Season's Program Listed By Concert Assn.

The revised schedule of the Roseburg Community Concert association was announced today by Gladys Strong, president.

The season will open Nov. 30 with the appearance here of Odno Posoff, violinist, a Victor recording artist. On Feb. 1, Walter Casel, baritone, will come. He has an excellent reputation, said Miss Strong.

Maryla Jonas, Polish pianist and a recording artist, is dated here March 2. A Polish war refugee, she is considered an outstanding artist, despite the fact she has been in this country a very short time.

Strong, feels indeed fortunate in the announcement of her appearance. She is one of the few artists for whom the Steinway Piano company provides a special piano for all her performances. Mona Pauline, mezzo soprano, is the artist scheduled for the close of the greater artist series. She will be here March 14.

thank George Felt, who donated the use of his plane and piloted it to bring a shipment of serum from Portland, and to Howard Church who accompanied Felt and delivered the serum to the school," Sias said.

He added that Church now has the jaundice. His "shot" was not effective because the period of incubation had already started. Dr. Wainscott warned that those who have jaundice should avoid over-exertion, lest they possibly might suffer permanent liver injuries.

Woman Admits Hiring 2 Men To Kill Her Husband

BREMERTON, Nov. 4.—(AP)—A mother of two children is held on a charge of attempted murder here after telling authorities she had made a \$324 down payment on an unfulfilled plot to slay her husband.

Prosecutor James Munro said the woman, Mrs. Margaret Susan Platt, 31, was accompanied by her husband, Willford, 34, when she appeared to tell her story. The husband, an unemployed navy yard worker, later hired an attorney for her defense.

Two men whom Mrs. Platt said had taken her money with the promise to get rid of her husband also were held on a charge of grand larceny by embezzlement. They were Hollis D. Scott, 23, a former private detective whom Mrs. Platt said was to arrange the \$1,000 slaying, and Wallace Mottern, 22, also of Bremerton. Mottern was introduced to her, she said, as the "gunman" who was to carry out the plot.

Munro said the woman's statement related that she conspired against her husband because he refused to give her a divorce. The prosecutor said Detective Lt. John E. Plouf said Mrs. Platt told them she wanted to get rid of her husband "because he wanted to make love every night of our 15 years of married life and I couldn't stand it."

The death plot later was abandoned, Munro said he was told by Mrs. Platt, when she and Scott decided to run away together. She said they sold the Platt car for \$1,200. She turned the money over to Scott and was to meet him in Seattle for the trip east.

When he failed to keep the rendezvous, Mrs. Platt said she decided she had been abandoned and told the entire story to her husband.

BUS LINE PERMIT / SKED
PORTLAND.—(AP)—An application of Safe Way Motor Coach lines to operate buses between Washington and California via Portland, Madras, Lakeview and Klamath Falls was continued after a day-long hearing here.

A. F. Harvey, public utilities superintendent of motor transportation, said a date for another hearing would be set later.

E. S. Lublin, a California resident, sought the permit.

ARMS TALK STAYS
WASHINGTON, Nov. 4.—(AP)—The United States opened negotiations with eight Western European allies Thursday on agreements under which the country will furnish them \$1,000,000,000 worth of arms and military supplies.

Their major provisions—standard in all the American drafts—are designed to assure the use of arms furnished by this country in strengthening the total defense of the Atlantic area.
