

Indians Ready For Grid Tilt With Ashland

Armistice Day Battle On Grizzlies' Field To Be Broadcast On KRNR

Roseburg's Indian varsity was spared a physical workout on the practice field yesterday, after prolonged rains left water standing on the turf, making it too sloppy to work out on.

Instead Coach Ceece Sherwood kept the boys indoors and put them through a mental drill, as the chalk dust flew thick and fast.

The Senior high mentor diagrammed various offensive and defensive tactics that will be employed against their opponent at Ashland Friday afternoon while brows knitted and tongues crowded cheek.

In the trip south Friday, Sherwood will be in the same boat with some of the sophomores on the team. He has never seen the Grizzly gridiron!

Last year, the Indians played Ashland here for the first time in many a moon. The Indians won handsily, 19-6, after coming from behind. In that game, the Indians turned a pass interception and an Ashland fumble into touchdowns.

Plays, after going scoreless with nearly two minutes remaining in the second quarter.

Kickoff time for the Armistice day tilt will be 1:45 p. m., with Roseburg's radio station KRNR giving a play-by-play description starting at 1:30. Halftime activities are also scheduled to be broadcast. Frank Purdy will do the sportscasting. The commentary will be broadcast by Hank Henry and KRNR Chief Engineer Ralph Smith will see that the wire between Ashland and Roseburg doesn't get snarled.

Roseburg's Orange and Black high school bands—75 strong—will participate in halftime activities, headed by director C. A. Ricketts.

Tentative lineups include:

Roseburg	Ashland
Olsen	LE
Parr	LT
Packard	LT
Boyles	RG
Rowe	RT
Blank	RE
Strickling	Q
Kenny	LH
Van Horn	RH
Scott	F

Grid Gossip In Northwest Loop

PULLMAN, Wash., Nov. 10.—(AP)—Washington State college's football season hasn't been too full of bright spots this season, but out of it halfback Chuck Brayton managed to come up with a world's record.

It's for the mile run in a football uniform. Brayton set the new standard—five minutes and nine seconds—this fall during a practice session, according to information received from Archie Richardson, who collects track records for a sports encyclopedia.

EUGENE, Ore., Nov. 10.—(AP)—The rains came—and Coach Jim Alken called an early end to the workout of his Oregon ducks yesterday. "I don't imagine it will rain at Berkeley Saturday," Alken cracked. "So there's no need of taking a chance on needless injuries."

PULLMAN, Wash., Nov. 10.—(AP)—The kickoff of the Washington-Washington State football clash a week from Saturday will wind up the collegiate grid careers of 12 Washington state athletes. Senior squad members include Don Paul, Frank Mataya, Bobby McGuire, Fran Polesfoot, Bob Doornink, Capt. Jerry Houghton, Otto Kofler, Tom Baker, Chuck Brayton, Chuck Eckert, Bill Smith and Ken Spooner.

SEATTLE, Nov. 10.—(AP)—John Prechek, senior letterman tackle from Tacoma, will captain the University of Washington Huskies against UCLA Saturday.

The Husky stalwart was named last night after a workout on defenses against the Californians' single wing attack. The 37-man Husky squad was to leave by plane today for Los Angeles where light workouts were scheduled this evening and tomorrow.

Pancakes-Sausage Feed Set To Pay Smear Penalty

DEFIANCE, O., Nov. 10.—(AP)—If Defiance college students eat tonight, they may have enough money to "rebuild Finlay college." The fund-raising pancake enterprise is the last of several aimed at raising \$212. That's the amount for which Findlay college billed the Defiance student council.

Seems there was some paint smeared around on various exposed objects on the Findlay campus the night before the Oct. 25 football game between the schools. Findlay's bill was for cleanup expenses. Finlay won, incidentally, 13 to 6.

More than \$100 has been raised so far on the Defiance campus through the sale of tags labeled: "I am helping rebuild Findlay college."

Bears Favored To Down Oregon In Saturday Battle

By RUSS NEWLAND SAN FRANCISCO, Nov. 10.—(AP)—Coast conference football swings into the next to the last lap of a red hot championship scramble this weekend.

There seems little likelihood the front runners will be shifted out of position. California, the undisputed leader, may get fairly tough competition from Oregon but off past performances, figures to win.

Stanford, the team that finally found itself in fast company, rates to win handsily over Idaho. The big upset victory over Southern California last week was all that Stanford needed.

With only one league defeat, Stanford still has a chance for the Rose Bowl. This transition could take place by a win this week over Idaho and a walloping setback to California Nov. 19.

The University of California at Los Angeles, also with one conference loss, entertains a rejuvenated Washington team and may be in for more trouble than expected. Washington's win over favored Oregon last week was a brace.

Oregon State, which has coupled together triumphs over Washington State and Idaho, lines up against a hard knocking team in Michigan state. The game will be played at Portland where rainy weather could set in to level conditions.

Here is what we see in the crystal ball for Saturday. California over Oregon by 13. Stanford over Idaho by 18. U.C.L.A. over Washington by 6. Michigan State over Oregon State by 7.

Joe Kahut Will Battle Bosnich Felton, Pellone Battle To Draw

PORTLAND, Nov. 10 (Special) Joe Kahut, sporting a "new look" and under new management, will make his "homecoming" to the Auditorium ring Tuesday night, November 22, in a ten-round main event with Tony Bosnich, Oakland heavyweight.

Recently Kahut severed relations with his manager, Jack Capri, and signed up with his local attorney, Johnny Bassett. Eddie Hogan continues as trainer. In his first fight under the new set-up, Kahut lost on a TKO to Joey Maxim in Cincinnati, when a cut forced the bout to be halted after he had the American lightweight champion in serious trouble.

Kahut, at 25 years of age, just reaching his fistic prime, is in the best condition of his career. He's abandoned the crouch style he formerly used in favor of a more orthodox stand-up stance, which gives him better advantage of his punching ability.

In Bosnich, the Woodburn pride gets a crack at a fighter for several years considered one of the leading heavyweights on the Pacific Coast, and one mentioned several times as a contender for the championship of the world.

Football Season Ends For Pappoose Babes

Coach Eddy Wyatt's seventh and eighth grade Junior high school Pappoose Babes turned in their suits Wednesday after winning the only game they played this season—a 31-14 victory over Cottage Grove.

Their coach reports that although less traveled than their compatriots, the Babes gained much in intra-squad scrimmages. He indicated that Coach Hod Turner would be spared the trouble of explaining what a football is and other rudimentary aspects of the game, when the Babes move up to the regular Pappoose team next fall.

The ninth grade Papposes, under Coach Turner, wind up the season with a game at Ashland Saturday at 2 p.m. Assistant coach Frank Purdy said both he and Turner will accompany the boys.

Of the original broadcast stations WWJ of Detroit and KDKA of Pittsburgh, the air. They started in 1920.

Love Begins At 40 As Facts Of Modern Romantic Episodes Attest

By HAL BOYLE

NEW YORK—(AP)—With politics out of the way for another year, let us return to a quaint, old-fashioned subject that enthralis us all.

I refer to love—l'amour, l'amour, l'amour.

The news from this crowded field is pleasant indeed to those dwelling in the shady years of life. For with no government subsidies of any kind, there has been wrought a "fair deal" for the middle-aged man in the politics of love. He has turned out to be the Romeo of our times.

No longer do maidens sigh for the young man with an apple in his hand. They turn to the older gent with a hundred acres of land. But he doesn't win them with his real estate. It's his sex appeal. For it isn't the fact that he is 40 for the American man. It's love—you know, l'amour, l'amour, l'amour.

The public awoke to this fact with the discovery that 57-year-old Ezio Pinza star of "South Pacific," was affecting the weaker sex in a way no other matinee idol has since Rudolph Valentino. This grandpa still has 'em gasping with his bass-bellowed enchanted evening.

Top Film Stars Over 40 And it isn't just a one-man matter. The current issue of Cosmopolitan has found the same thing to be true in the movies: the real romances—the eight-to-ten drawing men film stars—are all over 40. Among the standouts are Bing Crosby, 45, Gary Cooper and Clark Gable, 48, and Humphrey Bogart, the dean of pandahuggers at 50, one year older than the century he lives in.

But this recognition of the amatory leadership of the time-mellowed male didn't become official—at least not in my mind—until it was confirmed by Dorothy Dix. I have always thought that Dorothy knew more about love than either Freud or Dr. Kinsey suspected. They had to ask people questions about it. Dorothy just knows all about affairs of the heart—from some interior radar of her own.

Charge Offsets Pot Tummy Well, 'tother day, Mrs. Dix said yes, it was true that men over 40 are most attractive to women. She said girl bobby soxers mightn't agree, but they didn't know any more about men than they did about food.

And Dorothy gave reasons. She said the mature fellow knew more about life, had more to talk about—and understood women better than feckless youths. A bald head and a pot tummy didn't offset the intellectual charm that only years bring, in her opinion.

Dorothy summed it up: "It is because the man of 40
