**Reds' A-Bomb Used For Public Good, U. N. Told**

LAKE SUCCESS, Nov. 12.—(AP)—The riddle of Soviet atomic production hung heavily over the United Nations on this Armistice day of the pre-atomic world war.

Russia claims she is using the power of the atom for peaceful economic development—for moving mountains... for irrigating deserts.

For cutting through jungle and tundra... spreading life, happiness, prosperity and welfare... where the human footstep had not been seen for thousands of years.

But Foreign Minister Vishinsky added this warning Thursday in a sharp speech before a U.N. assembly committee: If war comes, Russia could produce atomic bombs — "as many of these as we should need — no more and no less."

Vishinsky said the United States plan—backed by a majority of the U.N.—stringent international control and inspection of all nuclear energy materials, machinery and output—seeks to thwart and wreck Russia's peaceful use of atomic fission.

**FEP To Probe Ouster Of Negro At Salem**

PORTLAND, Nov. 12.—(AP)—The Oregon Fair Employment Practices Commission voted Thursday to investigate a Salem incident involving two Negroes and police at the state capital.

Chairman David Robinson reported one of the Negroes has sworn to an affidavit saying a policeman told him "We don't allow Negroes in Salem." Robinson said the Negro, a crop worker near Salem, was in the city to pick up his pay.

"The EP commission is concerned about any case where it appears members of a racial minority are not able to enjoy the protection of the EP law because of a local policy forbidding them to remain in any certain locality," Robinson said.

**Douglas School District Slated For Inspection**

Miss Laura E. Keller, state supervisor of elementary education, Salem, will be here all of next week to make a standardization inspection of Douglas County school districts not previously checked.

County School Superintendent Kenneth Barneburg said that about half the schools of the county were inspected last year, and that Miss Keller, with his assistance, will inspect other schools next week.
