

Roseburg Loses Tough One, 39-28

Indian Rally Falls Short Of Ashland Lead

Jerry Langer Proves One-Man Grizzly; Long-Dash Mark Tilt

Jerry Langer, 190 pounds of explosive fullback, was just too much for a surprised band of Roseburg Indians yesterday and Ashland's ace backfield man led his team to a 39-28 conquest over the Roseburg varsity.

The Ashland team, pretty much of a one-man squad, capitalized on Roseburg's inability to stop any and all of Langer's advances, as the Grizzly fullback pestered over three touchdowns and set up another. One of these scores came on a 78-yard jaunt; over from about the five yard line, Langer carried the ball on nearly half of Ashland's 60-odd running plays, winding up the day with a terrific 11-yard average per try.

Following the pattern they tried in last week's game here with Grants Pass, Roseburg players suddenly came to life after being played off their feet in the first half. Trailing 20-0 going into the third quarter, the Indians pulled an end-around play with Dale Black covering the 53 yards to the goal line. Langer scored twice in that third quarter to widen Ashland's margin and make it 32-7.

The wild, free-scoring fourth quarter was nearly half gone before the two teams opened up with the touchdown parade.

Three-Star Wrestling Card Offered Fans Here Tonight

A galaxy of some of the most brilliant wrestling stars in the nation, headed by "The Great Atlas" and Maurice LaChappelle, will perform at the Roseburg armory tonight.

Opening the three-star show will be a three-fall match between Jack O'Reilly, superb Australian mat artist, and Jack Kiser, the flashy Portland grappler. The bout opens the show at 8:30 p. m.

The other three-fall supporting match, both over a 30-minute route, will match Georges Dusette, French-Canadian full-nelson artist, against Gus Johnson, tough Seattle veteran, who, like O'Reilly, will be making his first appearance in some time.

Atlas, the Los Angeles "muscle man" who rates himself as a better wrestler and a more handsome physical specimen than "Gorgeous George," is confident he can dispose of LaChappelle. He looked impressive against Karl Myers, but the Frenchman is far and away the better wrestler.

Elton Owen will referee all three matches.

Buffalo Bills To Attempt Victory Over Cleveland

NEW YORK, Nov. 12—(AP)—The Buffalo Bills of the All-America football conference will attempt something tomorrow that hasn't been done in 25 months. That is, to whip the Cleveland Browns on their home lot in Cleveland.

Not since Oct. 12, 1947 have the Browns tasted defeat at San Francisco and then it was only a 13-10 decision to the Los Angeles Rams.

Buffalo currently is fifth in league standings, a half game behind the Chicago Rockets, who cling to the final playoff position. The Rockets will be at New York, tangle with the tough-tough Yankees.

If the other AAC contest, San Francisco will attempt to make it seven in a row against the Los Angeles Rams.

In the National league the Philadelphia Eagles can all but clinch their third straight eastern division title by whipping the Washington Redskins.

Pittsburgh has a tough assignment in facing the Los Angeles Rams, Western division leaders. The Giants will travel to Green Bay to tangle with the Punchless Packers. The New York Bulldogs, meet the Chicago Cardinals at the Polo grounds, and at Chicago, the Bears will play host to the Detroit Lions.

Drain Defeats Sutherland High By 32-7 Score

Drain and Sutherland high schools ended their grid seasons yesterday, with Drain taking advantage of its size, speed and experience to down Sutherland 32-7.

The game might have been scoreless from the Sutherland viewpoint had it not been for a fluke play which gave them the first touchdown of the game. Operating out of a single wing formation, Drain tried one of their favorite plays, a lateral behind the line of scrimmage. All went well until an overeager official got between the ball carrier and his intended receiver. The ball bounced off the referee and into the hands of Games, Sutherland tackle substitute, who outran Drain's secondary to score.

Bob Cellars, Drain quarterback, was the individual star of the game, accounting for four of Drain's five touchdowns and the two extra points. Fullback Dennis Halderman scored the other six points.

From a statisticians viewpoint, the game was just as one-sided as the score would indicate. Drain made 23 first downs to Sutherland's two and net yardage gained favored Drain, 390 to 145.

Class A District Winners In State Almost Complete

(By The Associated Press)—The lineup of Class "A" high school football champions was almost complete today for next week's state championship quarter-finals.

Games yesterday put three teams in the playoff berths to join three others already there.

District committees—the final arbiters—had a pair of contested claims to settle in picking the two remaining quarter-finalists.

Those advancing to the round of eight in yesterday's games were La Grande, which bowled over Baker 33 to 0; Milwaukie, expected victory 26 to 6 over Estacada; and Central Catholic of Portland, which shut out Scappoose 14 to 0.

Already in the playoff first round were Hillsboro, Grant of Portland, and Marshfield.

Klamath Falls trimmed Bend 19 to 13 yesterday to tighten its claim on the District 2 title, but Prineville bobbed up with a 19-0 win over Redmond and demanded consideration for the crown. A committee vote gave the title to Klamath Falls 8-1.

The District 4 race, thrown into confusion when the State School Activities association ordered Corvallis' games forfeited, saw Eugene down Salem 19 to 13. That put the Axemen where they said they were top team, but Lebanon pointed to its season's record as better—and both Salem and University High of Eugene also still ranked high on paper. Today's telephone poll of the district committee was the clincher.

Let's Talk Things Over

I was at a party the other night—just a neighborly get-together—and I overheard one lady say: "I don't know much about my husband's business. I've a full-time job looking after the home and the children."

And it's quite a job, too. Hundreds of thousands of women are doing the same thing. And the mother carries most of the load in keeping her husband and family in good health, in shaping the character of the children, in organizing the home life, and so on.

But there's one important part of her husband's business that she should know about. It's important because it affects her life, and the future of the children. It might even mean all the difference between security and despair. It's the matter of life insurance. If the unexpected should happen—and it does—every housewife and mother should have the protection which only life insurance can give.

Yes, that part of her husband's business is really important, and every housewife and mother should know about it. What life insurance has, and is it enough to give the family a reasonable chance to carry on if the wage-earner died?

I'd like to step in sometime and talk over this important business before it's too late. Let's talk things over—today!

Coos River Six Defeats Glendale In Seesaw Game

The Douglas county six-man football champions bowed down 37-31 to the Coos county winners in a district championship clash at North Bend Thursday night.

Coach G. W. Line's Glendale attack after dominating the opening minutes of a game that saw the lead shift back and forth throughout the contest.

Bill Cooper launched the Glendale attack after intercepting a Coos River pass. On the next play, a pass from John Harbour to Bill Chandler was good for a touchdown.

Glendale followed up with another touchdown after Chandler ran 23 yards to the Coos River on, with Harbour plunging over on the succeeding play.

Coos River countered with a touchdown late in the first period. The team traveled all the way on a series of pass plays that ended with Roying, who went over the goal line. The extra point also was made over the air lanes.

In the second quarter Coos River moved ahead on a pass from Ronning to Morgan, the latter going over for the touchdown, then Ronning dropped kicked two points putting Coos River ahead 15-12.

The third period saw Glendale off to a fast start after the kick, with the Douglas county six rmping off 55 yards. On the next play, Chandler swept around left end for 19 yards and a touchdown, putting Glendale ahead 18-15.

But Coos River came back and scored on a pass from Ronning to Hayes to go ahead 21-18.

Glendale took the kick, drove the length of the field and again took the lead 24-21, but just before the end of the third quarter, Coos River pounded up the turf and Ronning smashed across from the one. He also dropped kicked for two extra points, to regain the lead, 29-24.

Glendale again altered the game's outlook by going ahead on two fast running plays by Chandler. He plunged across from the 12, then made the extra point, putting the score at 31-29.

Coos River scored its final touchdown on a run by Wood, with Ronning drop kicking for two more points.

The Glendale team missed an opportunity to go ahead after driving to the four-yard line, then scoring on a plunge by Harbour when the play was called back to a backfield in motion penalty.

Coos River held the losers to four downs then took the ball and kept it until the final gun.

Decoy Ducks Good Targets Even If Not Good Eating

He was a good shot, but he certainly couldn't find duck decoys very good eating.

A local business man, hunting with a companion on the Umpqua west of Roseburg, had this story to tell.

They had placed their decoys about a half mile apart. The first man had gone some distance away, when he heard two shots. He looked up but saw no ducks flying. He returned to find his two decoys shot to pieces and he saw a man in a green canoe going down the river.

A short time later, two more shots were heard by the two hunters. Investigation revealed the second hunter's decoys broken by bullets.

The man in the green canoe sailed on!

All Goal Lines Of College Teams Are Now Crossed

NEW YORK, Nov. 12—(AP)—There's not a college football team in the country whose goal line has not been crossed.

Little Gannon college of Erie, Pa., lost the distinction of being the nation's only unscorred-upon outfit but kept its perfect record intact in defeating Lora's college of Dubuque, Ia., 19-7, last night.

In Miami's Orange bowl, the University of Miami edged South Carolina, 13-7, before 34,185 spectators. It was the winners' fifth success in six starts.

At Provo, Utah, Colorado A & M eked out a 16-14 decision over Brigham Young in a Skyline Six conference clash, thanks to Joe Folsom's field goal 35 seconds before the windup. The victors overcame a halftime 14-0 deficit.

At Los Angeles, the Loyola Lions edged the University of Nevada Wolfpack, 12 to 12, to make it four wins and four defeats after a slow start of the season.

Compton college has the inside track for the western bid to the Little Rose bowl again.

The Compton club walloped Pasadena City college, 25 to 6, before nearly 30,000 fans in the Rose bowl last night. The winning Tartars cashed in on five Pasadena fumbles.

Compton represented the west last year and defeated Duluth, Minn., junior college, 48-14.

Basketball Practice To Begin At Drain

Drain will join other county high schools in basketball practice this week, in preparation for their season opener early in December.

An estimated 30 candidates are slated to turn out the first day, including nine of last year's squad of 12 which took the district championship. The first hoop appearance for the Drain team will be Dec. 3, in a jamboree scheduled at Lane county's Willamette high school.

FOOTBALL CLASSIC

SAN FRANCISCO, Nov. 12—(AP)—One of college football's classics out this way will be played tomorrow — Santa Clara's Broncos against St. Mary's Gaels. This is one of the games that is steeped in the tradition of more than half a century of competition. The rivalry started on a stormy afternoon, Dec. 12, 1896 in San Francisco. It has continued, at first spasmodically, ever since.
