"You know what I got," the man replied. "I got numbers slips."

The officers arrested him but

## Of CIO Anti-Communist Cleanup

By BRUCE BIOSSAT

Civil war among the nation's electrical workers is in the offing.

the EW's present red-tinged leadership. The same can be said for the farm tool union.

The decision to establish a rival electrical union is obviously the CIO's stragtegy for recoupling the money and membership losses occasioned by the UEW's expulsion. The CIO believes the union's rank and file is to a considerable extent free of Communist taint. It wants to wean this membership away from leftist leaders and build up the new union.

To head this raiding campaign the CIO has picked its secretary-treasurer, James B. Carey, one time president of the UEW untidisplaced by leftwinger Albert J. Fitzgerald. All signs point to a stiff battle on a city-by-city, local by-local basis.

In fact, the fight is already on for the funds and properties of the UEW all over the nation. Some court actions are underway and much more litigation appears likely before the test of power ends.

Strikes in big electrical plants may be an important by-product

VAN NUYS, Calif. — (P) —
They have the cutest textbooks at the adult education class in Van Nuys evening high schools Textbooks with pigtails, ribbons and flashing eyes. They chirp gleefully to their readers. Children are the texts and their mothers are the students.

The class, called pre-school observation, studies the youngsters and seeks answers to common problems of child rearing. It's full and has a waiting list. The mothers, 44 of them with more than 50 children, meet weekly to observe their offspring at play, take notes, ask questions and discuss day-to-day growth problems.

The children ages two to five have swings, slides, a merry-goround and books. Periods are set aside for painting, stories, singing danging rest crackers and
