Roast Turkey In Old-Style Way

By GAYNOR MADDOX
NEA Staff Writer

First you select the best turkey you can find. Then you look for the best way to roast it. That's the American Thanksgiving formula.

Freda De Knight, in this writer's judgment, is one of the best cooks the land over. And her recipe for old-fashioned roast turkey is one of the most satisfactory. Here it is, taken from her "A Date With a Dish."

Old-Fashioned Roast Turkey (Allow 1-2 to 3-4 pound per person)

Twelve to 15-pound turkey, 1 tablespoon salt, 1 tablespoon paprika, 2 tablespoons bacon fat, 1 teaspoon garlic, 1-2 teaspoon pepper.

Singe turkey while dry and remove all pin feathers. Clean inside and out. Wash and dry. Sprinkle inside and out with salt

and pepper. Fill with your favorite stuffing. Sew up or close with skewers; neck cavity may be filled with stuffing, if desired. Fold wing tip up and under back. (Never stuff turkey tightly, allow for expansion.)

Rub turkey well with bacon fat, salt, pepper, paprika, and garlic salt. Cover with a clean white cloth which has been dipped in melted fat or milk. Cover well. Roast slowly uncovered, making sure cloth stays damp at oven temperature, 300 degrees F. Allow 20 minutes per pound. Baste from time to time with drippings, brown on all sides. Cloth may be removed during last half hour, so the turkey skin will be brown and crisp.

Boil giblets and neck with celery tops, onions, and seasonings to make gravy. Cranberries, of course. But how

Try These Special Dishes On Holiday

Everyone is looking for special recipes now for Thanksgiving. Try these three—each fine in its own special way.

Minted Peas (Serves 4)

Four cups cranberries, 1 orange, quartered and seeded, 1 lemon, quartered and seeded, 1-2 cup seedless raisins, 1-2 cups sugar, 1-2 cup chopped walnuts.

Put cranberries, fruit and raisins through food chopper using coarse blade. Mix in sugar. Let stand in refrigerator an hour or so to blend flavors. Just before serving stir in chopped nuts.

Shell and wash two pounds fresh peas just before cooking. Cook not more than 8 to 12 minutes in a small amount of boiling salted water (about 1 inch of water in a covered pan). Add several of the pea pods and several sprigs of fresh mint while peas are cooking. Remove pods and mint before serving. Season with butter or fortified margarine. Serve at once while peas are fresh and sweet and their color is a beautiful bright green.

Pumpkin Tarts (Yield: 14 tarts, 3-inch diameters)

Two-thirds cup sugar, 1 tablespoon flour, 1 teaspoon each, cinnamon and ginger, 1-8 teaspoon cloves, 1-2 teaspoon salt, 1-3 cup unsulphured molasses, 2 cups mashed pumpkin, 3 eggs, 1 cup undiluted evaporated milk, pastry, using 2 cups flour.

Combine first six ingredients. Add molasses and pumpkin. Beat in eggs. Add milk; mix well and pour into pastry-lined cupcake pans. Bake 35 minutes in moderately hot oven (400 degrees F.).

French Apple Pie

Eight medium-sized apples, 1 nine-inch pie shell, unbaked, 1-4 cup flour, 1 cup sugar, 1-3 cup butter or fortified margarine, 1-4 teaspoon nutmeg, 1-2 teaspoon allspice, 1-4 teaspoon cinnamon.

Slice half the apples into the pie shell. Crumble flour, sugar, spices and butter together. Sprinkle half the crumbs over apples. Top with remaining sliced apples and cover with remaining crumb mixture. Place a cover over pie and bake 30 minutes in moderate oven (350 degrees F.). Remove cover and bake 30 minutes longer. Serve hot or cold, but pie is a little runny when hot.
