

Comedy Will Be Presented By School Students

"Boarding House Reach," a three act comedy will be presented by the Junior class of Roseburg Senior high school, Tuesday evening, Dec. 13, in the school auditorium.

The play, written by Donald Payton and directed by Miss Marie DiLoreto, deals with the trials and tribulations of Wilbur, a 13-year-old problem child, whose goal in life is to secure a bicycle. However, his parents veto the idea.

One night the parents are called away on a week-long business trip and the house is left in charge of Wilbur's two sisters, Connie and Betty Lou. Wilbur and his friend Hercules get the idea to open a boarding house in Wilbur's home. The boys' experiences with the various characters who apply for rooms make up the rest of the play, with a plot termed "one of the funniest written."

Chuck Plummer will play Wilbur, the principal character, and his side-kick Hercules Nelson will be portrayed by Vernon Thompson. Others in the cast include Joan Long and Lois Byrd as the sisters, Betty Lou and Connie; Mr. Maxwell, Gene Henry; Mrs. Maxwell, Dorrie Willis; Limpy McGuire, Louie O'pali; Nora, Beverly Henbest; Herman "90-Volt" Jones, Bill Burghart; Roughhouse Ruby, Lorraine Taylor; Mr. Potter, Lauren Loveland; Lucy Burns, Margie Moore; Aunt Mary, Hope Stubbs; Bernadine Smith, Margie Travillon; Connelly, Boy Kelly; and Mrs. Mott, Bertha Carter.

Other juniors assisting with production are Winnifred Williams, prop chairman; Louise Steffenson and Esther Owen, make-up department; Jess Shirley, head of art work; Marion

Twirp Events Set At Senior High

Two "national" events, both made famous by renowned cartoonists, are being observed this week and next by students at Roseburg Senior high school.

"Twirp Season" at senior high began Nov. 16 and continues until Nov. 23, to be climaxed by the "Sadie Hawkins Day" dance. The tables are turned for this topsy-turvy week, with strict rules laid down for all to observe.

For instance, during the week-long Twirp season, girls must pay the bills. And in preparation for the Sadie Hawkins dance, the girls must ask the boys.

The night of the dance, next Wednesday, girls call at the homes of the boys and if walking to the dance, girls must walk on the sidewalk next to the curb. And following the dance, girls must see their dates safely home. Girls (or their fathers) must pay all expenses of the evening.

Conference Not Considering Split

OLYMPIA, Wash., Nov. 19. — (P) — The Pacific Coast conference never has entertained the idea of splitting into Northern and Southern divisions for the football season, or dropping Montana and Idaho from the schedule.

H. P. (Dick) Everest, conference president, quieted both rumors yesterday and labelled them "street corner talk." He said neither idea ever had been discussed by conference officials.

Several California sports writers and commentators have advocated dividing the circuit on the theory that northern schools do not offer enough competition to Stanford, California, UCLA and Southern California.

But Everest, the University of Washington faculty representative to the conference, said such a plan is the last thing the California member schools want. He pointed out that although the California "Big Four" won every game this season against the north, Oregon was co-champion last year and Oregon State finished second in 1947.

The conference winter meeting will be held in Carmel, Calif., Dec. 11-13.
