52 Candidates Appear For Drills; Dale Blanck Out With Bad Injury

The Indian varsity basketball team was whittled down to three lettermen after Dale Blanck suffered a leg injury when he tangled with a power saw at his home yesterday. Coach Jack Newby said Blanck would probably remain in Mercy hospital for several days. He will not be able to practice or play ball for at least a month and one-half, Newby said.

Remaining lettermen from last year's squad include Dexter Garey, Bill Van Horn and Frank Olson. Newby said 52 candidates turned out for practice Monday. About 12 men from the football team joined the others, after taking a week off following the football season's end here.

Speedball and calisthenics, plus a three-mile run each day, continue to form the major part of the practice drills.

Newby revealed the tallest man on the squad is 6'2" tall. He is Tom Johnson, who is an excellent baseball player. Second tallest man on the squad is Frank Olson, a good pass receiver on the football team.

**Ticket Sale Opens Dec. 5**

Newby indicated season reserved seat tickets would go on sale Monday, Dec. 5, at J.V. Sporting goods store. A book of ducts will be sold at \$8 and will admit the bearer to nine home games.

Newby added the season ticket book purchase will not admit the holder to sub-district finals, which will be played at Senior high school between Reedsport, Roseburg, Sutherlin and Myrtle Creek.

Also, the book will not be valid on the night of January 10, when Sutherlin high school plays a home game on the local court.

Sutherlin will play three games on the Senior high school floor, because they do not have a gymnasium at their school. Other Sutherlin home games will be played at Oakland.

Coach Newby said the varsity team will be limited to 12 players, while Coach Norm West's Jayvees will include 20 squadmen. The Indians open against Cottage Grove, there, on Dec. 9. The next day, Cottage Grove plays here.

## California Bears Replace Oklahoma As Runnerup Team Behind Notre Dame In Poll

By JACK HAND  
 NEW YORK, Nov. 22.—(AP)—California has replaced Oklahoma as the runnerup team behind Notre Dame in the Associated Press weekly football poll.

By thumping Stanford, 33-14, to move into the Rose bowl as the Pacific Coast conference champion, California took up the rugged task of chasing Notre Dame.

Only a Notre Dame disaster in its remaining games could send California over the top because the Golden Bears finished their regular season against Stanford, last Saturday.

The fighting Irish from South Bend, Ind., captured 113 of the 151 first place votes from football writers and sportscasters across the nation.

California drew 24, Oklahoma 11, College of the Pacific two and Army one.

Notre Dame has led the poll seven straight weeks since Michigan took the opener. The final vote will be taken next week.

The "big four" of Notre Dame, California, Oklahoma and Army still dominate the picture. They run 1-2-3-4 with California edging past Oklahoma.

Ohio State, Michigan tie. Ohio State, California's Rose Bowl foe, won that right by a 7-7 tie with Michigan. They share the Big 10 title but Michigan can't go to Pasadena this year according to the regulations. The win boosted Ohio into fifth place in the poll.

Michigan is a strong sixth, followed by Rice and Minnesota. Next come Baylor and Tulane. They ousted Southern Methodist and Virginia from the top ten. Baylor moved up on a 35-26 win over SMU and Tulane bombed Virginia, from the unbeaten ranks, 28-14.

**Brochures Of Data On Basketball Team Issued**

Brochures including vital statistics of the Roseburg basketball team is the latest innovation incorporated by Coach Jack Newby, to help publicize the team.

Newby said the brochure will be sent to all coaches and sports editors in towns where the varsity will play.

Information to be included in the brochure ranges from statistics of the different ball players to schedule of games, and past record of the players. Also to be included will be the jersey numbers of players, color of suits, and other items of interest.

**Platoon System Makes For Longer Grid Games**

CHICAGO, Nov. 22.—(AP)—The platoon system may account for the high scoring in football this season by making the defense lax, Coach Eddie Anderson of Iowa believes.

Noting that the free substitution rule, which has brought about the two-unit system, was running games 15 to 25 minutes longer than usual, Anderson is in favor of the old substitution provision.

He said yesterday that he suspected some defensive players feel slighted when all the glory goes to the offensive unit.

"Maybe they don't try to look too good defensively," he suggested.

Anderson said Minnesota quite conceivably could beat Notre Dame "on a real, good day."

Iowa was trounced by Minnesota, 55-7, on Nov. 5, and lost 28-7 to Notre Dame last Saturday.

The first cathode ray tube was built in 1897.

## Season Records Give Bears Edge On Ohio State

PASADENA, Calif., Nov. 22.—(AP)—California's Golden Bears and the Ohio State Buckeyes have the official okay today to collide in the Rose Bowl for the second time in 29 years.

On Monday, Jan. 2, 103,048 fans will jam into the big stadium to watch the granddaddy of all bowl games. Another million will jam Colorado street for the traditional floral parade.

Ohio State, co-champion with Michigan for the western conference title, earned the bid by tying Michigan, 7 to 7, last Saturday. Agreement between the two leagues makes Michigan ineligible this time. Big Nine teams may play here only once every three years.

On paper anyway, the unbeaten, untied Californians are two touchdowns better than the Buckeyes. Ohio State has lost one and tied two of its nine games, scoring 190 points for an average of 21 points per game.

In 10 contests, the Bears have rolled up 305 points for a 30½ point average.

The teams have had two common opponents: Ohio State tied with USC, 13 to 13, and the Bears beat USC, 16 to 10; Ohio State whipped Wisconsin, 21 to 0, and Cal beat the Badgers by 35 to 20.

California also has a better defensive record. The Bears' opponents averaged 11 points per game against them. Ohio State's foes averaged 13½ points.

These two clubs met here last in 1921, before the Rose Bowl was built. California's wonder team won that one, 28 to 0. This will be Cal's sixth appearance.

## Novelist Again In Court Because Of Alcohol Habit

LOS ANGELES, Nov. 22.—(AP)—Craig Rice, 41, mystery story writer, will appear in psychopathic court today for hearing on an alcoholic petition.

The author's daughter, Mrs. Nancy Atwill, signed the petition, which stated that Miss Rice had used liquor to excess for four or five years and needs institutional care. It was also disclosed she has been under observation in General hospital since last week.

Miss Rice appeared before the same court Sept. 1. She had been taken into custody in a Santa Monica hotel after telephoning an attorney that she was about to end her life. She was released after she explained she didn't plan to die but wanted her estranged husband "to hear about it and come back to me."

A few days later she was hospitalized after becoming unconscious at the home of her mother, Mrs. Nancy Rice.

Last August Miss Rice filed suit for divorce against her fourth husband, Henry W. DeMott Jr., 29, but later insisted she wanted a reconciliation because she loved him.

## "Y" Craft Classes Progress Nicely

The YMCA craft classes are "progressing nicely," according to Alva Laws, YMCA program committee member. He said an average of 22 persons have been taking part in the program. Plaster casting will continue until the Christmas vacation period. Another craft will be taken up in January, Laws said. It has not yet been decided by Rev. W. A. MacArthur and other leaders what the next craft will be. It was pointed out that persons participating in the program may want certain crafts and an effort will be made to answer their requests.

Another class will be held this evening in the Methodist Church social rooms at 7:30. Any person, who wants to learn a craft so that he or she can teach the youngsters of the community, is urged to attend. Rev. MacArthur structing plaster casting.

A course in totem pole carving is offered at Squamish Life College, British Columbia's all-Indian school in North Vancouver.

## Attendance At U. Of O. Grid Games Sets Record

EUGENE, Ore., Nov. 22.—(AP)—University of Oregon footballers attracted more fans in losing six games this season than they did in tying for the coast conference title in 1948.

The 10-game attendance this year was 347,100—a new school record. Only 286,570 fans sat in on 1948's 10-game schedule.

Home attendance also was up—88,900 for four games this season as compared with 76,629 for a quartet of contests last year.

NEWARK, N.J., Nov. 22.—(AP)—Joe Louis, a slower and heavier brown bomber, and Joe Chesul, a young and fast corner, met tonight in a ten-round no-decision bout at the Newark armory.

For Louis, the not so refined undefeated heavyweight king of the bout will be the second of his nation-wide tour of exhibition ten-rounders.

Louis is expected to enter the ring at 220-pounds, about ten pounds lighter than he carried in dumping Johnny Shkor three times in Boston last week.

And lighter he'll have to be to catch Chesul, a Bayonne, N. J., junior college student who weighs only 187.

A boxer, not a puncher, Chesul has been compared to Billy Conn. He has taken 24 of 27 fights and has been knocked down only twice. On both occasions he came off the canvas to score a win over his opponent.

At 35, Louis is 11 years older than Chesul.

All this points to a busy night for Louis who hasn't had a real fight since he successfully defended his title by knocking out Jersey Joe Walcott June 25, 1948. At that time he scaled 213.

## Powers' Return Ups Navy Chances Of Tipping Army

ANNAPOLIS, Md., Nov. 22.—(AP)—Navy's hopes of beating Army got a shot in the arm today with the word that Bill Powers is a probable starter against the Cadets in Philadelphia Saturday.

Powers has been plagued with a bad ankle most of the season. He reinjured it in the Columbia game ten days ago and there was some doubt that he would be in shape for the service classic.

Coach George Sauer announced that it looks like Powers will be a starter, however, if he is not able to make it, his right halfback spot will be filled by Duff Arnold.

Powers has gained a total of 139 yards in 30 tries from scrimmage this season, or an average of 4.6 yards a carry. He has caught four passes good for another 138 yards and two touchdowns.

## Men's Exercise Hour Off For Current Week

Nat Johnson, YMCA program chairman, reported today that the YMCA men's exercise hour will not be held this week because of the Thanksgiving holiday. All men are asked to come to the back center door at the high school. They will be directed from there. The day and time will be the same—Thursday at 5:30 p. m.

## Practice Scheduled For Tumbling Squad

Jack Newby's tumbling squad will start practice Dec. 5. At the present time, tumblers are working out during the regular physical education classes.
