THIS HOME IS AN EXCLUSIVE LISTING

This place lies in the suburbs of east Roseburg on a paved street. The yard is completely fenced with a white picket fence straight as a die and built very well inside this lot is all level and has very rich soil. In the back part of the lot is a fine level garden spot on a quarter acre, near the front of the lot, the very modern, painted white house. It has very appealing siding with large view windows portraying a 14x20 foot front room, embracing a built-in breakfast room, with a view of the garden, and hardwood floors. There is a very nice kitchen with a built-in sink, everything you could ask for; lots of built-in, serving table, breakfast room, with a view of the garden, oak floors and large windows. There is an unfinished bedroom up with a large space for storage, etc.

We think this an exceptionally good buy. Full price, \$10,500.
