KDND DIAL-LOG

Thanksgiving day in the United States saw more than a quarter-million packages of Christmas gifts headed overseas for war-suffering children as a direct result of the campaign efforts by two Mutual-Don Lee network week-day programs, "I Love a Mystery" and "The Bob Poole Show" . . . marking only the half-way point in the campaign. Already, France, Italy, Greece, Holland and China have sent official expressions of gratitude. Carlton E. Morse, whose "I Love a Mystery" series is aired on KRNR (10:30-10:45 p. m.) has been designated as the "International Santa Claus." Poole was made his chief deputy. In addition to the thousands of packages, listeners have swamped both Morse and Poole, who are foster parents themselves, with requests for names of some of these children—so that they can be adopted. Persons adopting youngsters via the Foster Parents' Plan for War Children provide food and clothing, although the youngsters remain in their own European and Asiatic communities.

AROUND THE STUDIO: Hank Henry advertising for riders on his Christmas jaunt to Los Angeles . . . McCari family settled comfortably in Roseburg with papa after waiting in Portland to join him . . . Fanner planning an extended Christmas vacation to here, there and everywhere, leaving his 1:30 p. m. co-star to lingering-alone-awhile-without-Lyle . . .

TONIGHT: "Lyn Murray Show" at 7:30 . . . "Hopalong Cassidy" at eight . . . tips to the sportsmen at 8:30 on "The Fishing and Hunting Club of the Air" . . . and the popular Woody Rousa Trio direct from the Shallmar at 9:30. **SATURDAY:** 1:45 p. m. to conclusion . . . Grant High School vs. La Grande in the big state event of the year . . . a championship football game!

Penney Company Employees To Get Special Payment

The board of directors of the J. C. Penney company have authorized a special payment of an amount equal to two weeks' pay for all full-time associates who have been employed for a full year of 1949 and on a proportionate basis for extra and part-time associates and for those employed less than a year.

All Penney associates throughout the company share in this payment except those who are members of the management staff and whose earnings are determined largely by the company's long-standing profit-sharing plan.

H. C. Elliott, manager of the local J. C. Penney company store, said that more than 50,000 Penney associates all over the United States will participate in this payment, including 46 of the Roseburg store. He further emphasized that this was not a Christmas bonus in the usual sense, and was non-recurring.

The company some years ago substituted a thrift and profit-sharing plan for the more usual Christmas bonus and into this plan is annually paid a proportionate share of company earnings. The current extra payment, just announced, is additional to these thrift and profit-sharing benefits.

American Tourists Get Break In Duty Free Agreement

PARIS, Dec. 1.—(AP)—American tourists will soon be able to tote their souvenirs, perfumes, new dresses from one western European country to another without paying customs duty.

An agreement was reached yesterday between 18 Marshall plan countries creating a single uniform list of goods overseas visitors can carry in duty free.

No date was set for putting the list into effect, but it was hoped most of the countries could start by Jan. 1.

The agreement affects all overseas visitors, including Americans, but does not permit citizens from one Marshall plan country to carry the listed goods to another.

On the duty free list are \$400 worth of souvenirs including about a pint of perfume; 400 cigarettes or a little more than a pound of cigars or tobacco; the traveler's own new clothing and other personal effects; two open bottles of wine or liquor and a bicycle.

The list will change touring conditions in a lot of countries. Holland has allowed no liquor to come in duty free. Denmark has allowed only 25 cigarettes per person. And many an American woman who has bought a new Paris gown has had to pay duty on it when she reached England.

Escaped Convict Admits First Degree Murder

LEWISTON, Idaho, Dec. 1.—(AP)—George R. Martin, 47, pleaded guilty to first degree murder charges Wednesday in Lewiston's District Judge Leo McCarty scheduled sentencing for Saturday.

Martin was arrested in the shooting of Charles Lemmons, 77, and John Hendley, 31, at a tavern during an attempted robbery. He was charged only with the slaying of Lemmons.

Prosecutor Earle W. Morgan said the prisoner had been identified as Martin N. Martin, who escaped from the Washington State prison at Walla Walla July 17. He had been sentenced from King county on second degree burglary charges.

Mrs. Gladys Keller and Mrs. Cope Kellogg testified that Martin entered the tavern with a gun and shot the two men when they attempted to rush him.

Molester Of Girls Gets Five-Year Term

ASTORIA, Dec. 1.—(AP)—A 49-year-old railroad section hand was sentenced to five years' imprisonment yesterday for molesting the 7, 8 and 9-year-old girls in his Sunday School class.

Sheriff Paul Kearney said the girls were sexually molested during excursions that James Edward Johnston, 49, planned for his Sunday school pupils. None was raped or physically injured.

Johnston was sentenced after pleading guilty to contributing to the delinquency of one girl. He was given the maximum sentence.

Johnston was on parole from the Doyleston, Penn., penitentiary on charges of bigamy and perjury, the sheriff said.

Railway Track Torn By Blast In Doukhobor Area

NELSON, B. C., Dec. 1(CP)—A 30-foot stretch of C.P.R. track, three miles east of here, was torn up last night by a mysterious explosion.

It is the third incident of its kind in the last 10 days. No one was injured.

The rails were torn up 30-feet from a railway bridge crossing the Columbia river. Investigators believe it was designed to put the bridge out of operation.

The scene is in the Doukhobor district, where Sons of Freedom, radical branch of the religious sect, have been blamed for acts of terrorism.

Fire raids, bombings and nude parades have been the symbol of protest against man-made laws for many years.
