Public Welfare Medical Aid Is Curtailed

Until further notice all medical assistance for Douglas County Public Welfare recipients will be discontinued except for emergency cases. It may be necessary to sharply curtail other general assistance in Douglas county due to budget limitations, Lols Baker, administrator, announced. No medical bills can be paid by the welfare commission that have not had prior authorization from the commission.

Total obligations incurred by the Douglas County Public Welfare commission for the month of October 1949 were in the amount of \$47,968.92. Expenditures for the month of November were \$50,103.00. It is anticipated that expenditures will be somewhat over that figure for December and January. Increases are due to enlarged standards for Social Security grants and to the current unemployment situation.

In view of mounting costs, it was voted at the recent Douglas County Public Welfare commission meeting to assist single able bodied transients for one night only and single able bodied local men not to exceed three days.

Meeting recently with the local Welfare Commission were George Foster, manager of the Oregon State Employment Service; Douglas Simms, executive director, American Red Cross; Mrs. Lols Kent, board member of the American Red Cross; Erwin Short, service officer for Soldiers and Sailors Indigent fund, and Captain Claude Bowden, Salvation Army. Coordination of the entire welfare program was discussed.

Health Unit Sends Gifts To Patients

Christmas gifts to Douglas county's 19 patients in the Oregon state tuberculosis sanatorium were mailed by the Douglas County Tuberculosis and Health association Friday, reported Mrs. William F. Amiot, executive secretary.

Sending of gifts is an annual practice, she said.

This year Mrs. Harry Greenquist assumed the responsibility of purchasing and wrapping the gifts. The purchases were made from a suggested list presented by Dr. D. C. Bellinger, superintendent of the sanatorium. The names of the patients and their ages were listed, together with suggested needs.

The presents consisted mostly of bathrobes, slippers, pajamas or other wearing apparel, but in the case of two patients, who are taking vocational training, the gifts were of a nature to assist them in their educational work, said Mrs. Amiot.

Scrapbooks for children were also sent by the local chapter.

No Action Planned On Preventives Petition

ROCKFORD, Ill., Dec. 10.—(AP)—No action is planned at present by the Rockford city council on a petition of city leaders for an ordinance authorizing only registered druggists and physicians to sell contraceptives and prophylactics.

Various religious, civic, educational and youth leaders in a petition drawn up Nov. 26 charged such merchandise was dispensed in slot machines "in most taverns, billiard parlors, bowling alleys and gas stations" in Rockford. They charged this was "abetting juvenile delinquency."

Architectural plans for the building now being constructed for the morning Colonist will be changed to accommodate the evening Times.

High cost of production was given as the reason for the joint plant.

Seventh Pleads Guilty In Bulgarian Treason Case

SOFIA, Bulgaria, Dec. 10.—(AP)—One of Bulgaria's richest men admitted on trial Thursday he joined the Communist party after World War Two, then recruited former industrialists for an anti-Russian sabotage program that cost his country's economy more than \$45,000,000.

The wealthy land and rubber tycoon, 65-year-old Ivan Gevrev, entered the seventh guilty plea in Bulgaria's trial of 11 former government and business leaders on charges of treason, espionage and sabotage.

All are accused of plotting to take Bulgaria out of the Russian orbit and put it under the influence of Yugoslav Premier Marshal Tito.
