Few Steelhead Seen At Count Station Lately

Other Fish Abundant; Steelhead Migration At Virtual Standstill

Migration of winter steelhead has been at a virtual standstill during December, despite the fact that an abundant supply of fish is noted in the river, Ross Newcomb, resident biologist with the Oregon Game department reports.

Only 335 steelhead have been tallied at the Winchester counting station, as of December 15, as compared with 1,254 to the same date last year, 934 in 1947 and 1,005 in 1946. That the low count does not indicate a lack of fish is evidenced by the large number of steelhead observed in lower water, Newcomb says.

Migration, he reports, normally stops when water temperature drops to 42 degrees and water in the river has been right on the borderline since the first of the month. Indications are, he said that the migration has been halted by the drop in water temperature.

Silverside salmon tallied over the counting board numbered 13-30 on Dec. 15, as compared with 737 last year, 1010 in 1947 and 1379 in 1946. Silverside jack salmon this year number 82 as compared with 53, 28 and 58 for the same period in each of the preceding years.

Klamath Pelicans Defeat Indians Again; Next Tilt Against Grants Pass Here

Difference in height and general lack of experience again proved to work against Roseburg in the second of a two-game series with Klamath Falls.

The host Pelican club easily defeated Coach Jack Newby's shorter Indians, 54-33 Saturday night at Klamath Falls. Friday night, the Pelicans beat the Indians 53-34.

With men like high-scoring Schubert, at 6'6" on the squad, Klamath Falls entertained little difficulty in backboard play. Each Roseburg attempt at the rebound was more times than not nabbed by a lanky Pelican player and tipped in for a bucket.

Leads Scoring

Schubert, Pelican forward, led the scorers with 16 points. He was paced by 6'5" Pelican reserve guard Carlson, who netted 10 points.

Larry Freeman, Roseburg starting guard, who recently moved up from the junior varsity squad, led the Indians scorers with nine points, including three field goals and three foul shots.

Freeman's team play as lauded by Newby. Frank Olson, starting Indian center, was commended by Newby for his backboard work. Unfortunately Olson wasn't connecting with buckets.

Attitude Different

Another handicapping feature at Klamath Falls, according to Newby, was the higher altitude, which apparently tired the Roseburg players. The Pelican basketball court is 4,105 feet above sea level, while the Senior high maples rise only 479 feet above the level of the ocean's surface.

Quarter scores favored Klamath Falls 14-9, 28-18 and 38-26.

Buddy Mathews, one of Roseburg's high scorers Friday night, failed to see any action Saturday, because of a charlie horse suffered in the earlier game.

The Indians return to the practice court tonight. Their next game, to be played on the senior high court, will be against Grants Pass, on Dec. 28.

NEW TWIST

Browns Employ Psychologist To Help Win

ST. LOUIS—(AP)—The owners of the St. Louis Browns, willing to try anything to improve the club's position, have come up with a psychologist.

He is Dr. David F. Tracy of New York—author, lecturer and specialist in psychological problems.

Dr. Tracy convinced President Bill DeWitt that he can do things toward building the players' confidence and boosting their morale. He has been hired for four weeks of the 1950 spring baseball training season.

Will Have Free Hand

The psychologist will have a free hand at the Burbank, Calif., training base in his efforts to instill a spirit of confidence in the players. He also will concentrate on teaching them how to relax and overcome tension.

"After I teach the players emotional stability," Dr. Tracy told DeWitt, "they will automatically climb higher in the league race. With my treatments, the club should finish fifth and may even climb to fourth."

The club finished seventh in the American league last season and had a narrow escape from the cellar. Incidentally, the Browns drew fewer spectators through the turnsiles than any other team in the major leagues.

Goes Back to Yankee Tiff

The hiring of Dr. Tracy goes back to last summer. Tracy, a former athlete himself, was at the Yankee stadium one Sunday when the Browns dropped a doubleheader to the Yankees. Later he called on DeWitt and his brother, Charley, the club's vice president and explained how he thought he could help the club.

"Dr. Tracy explained to us," President DeWitt said, "that under the stress of a hard-fought game ap layer tenses up. Errors result. Psychology, aiding a player to overcome this mental stumbling block, gets at the bottom of this trouble and enables him to combat these tensions the minute they develop."

Strickland Tops Davidson In Mat Thriller

Gordon Hessell, Dave Detton Win Semi-Final, Preliminary Matches

It was a colorful, dynamic and rough main event that wrestling patrons witnessed at the Roseburg armory Saturday night.

George Strickland came through with his second win over bad man Buck Davidson in an "anything goes" brawl that turned into a real slug-fest.

After Davidson took Strickland in the first fall with a sensational surfboard, exactly 45 seconds after the opening gong, Strickland was ready to eat nails.

He came back in the next two falls, beating his antagonistic opponent first with a series of arm stomps, then in the third fall collected the winner's purse by disposing of Davidson with knee stomps.

The clash was a dilly, with only about four wrestling holds used. The balance of the match was a series of free-for-all actions rarely seen in these parts. It was a no-disqualification classic, with hardly any holds barred.

In the opener, Dave Detton bested Billy McEuin with a step-over toe hold. In the second preliminary action, a scheduled two out of three fall, 30-minute affair, Gordon Hessel, in 16 minutes, disposed of Lee Grable in one fall. Time ran out before either could do anything, after the first fall. Elton Owen refereed.

All teams are reminded to have a referee there for the game that their team is not playing, reported Nat Johnson, YMCA program chairman. The public is invited to see all these games. Canyonville Beats Camas Valley In B-Leaguer, 26-21

The Canyonville Tigers finally broke into the win column after two losses, defeating Camas Valley 26-21 Friday night in a 3-league game at Camas Valley.

It was a close game all the way, with Canyonville's Armstrong and Shipper getting off the first two field goals, out the valleyites tied it up at 4-all.

The score alternated until nearly the half, when the Tigers went ahead 13-9. Camas Valley bounced back, went ahead 17-16 as the third quarter ended.

The Tiger's Armstrong, who was high scorer with 17 points, went on a scoring rampage and pulled the game out of the fire for the visiting Canyonville team.

Wheeler was high scorer for Camas Valley, with eight. Other high scorers were Shipper of Canyonville, and Dancer of Camas each with six.

Hunter Bags Nine-Point Deer, But He's Unhappy

BOUND BROOK, N. J., Dec. 19. —(AP) — John Wojnar is a crestfallen hunter today.

Wojnar has been hunting deer in season for more than five years. This year he bagged a nine-point buck, and entered it in the 21st annual buck deer contest run by Frank Efinger, owner of a Bound Brook sporting goods store.

Efinger gives two prizes each year—for the first deer killed and for the heaviest.

Wojnar brought his kill in first. The buck, along with eight others, was hung on a rack outside Efinger's store to await the judging yesterday.

During the night thieves made off with Wojnar's buck.

The hunter still was indisputably eligible for the prize for bringing in the first buck of the season.

That's just the trouble — the prize for the first deer is a free mounting of the head.

Drain B's Take Close Win Over Oakland B's

The Oaks led 7-5 at the end of the third, but the fourth quarter ended 11-all. A Drain free throw was good for the winning point.

Lineups for Drain: D. Brown, D. Moore 1, Matten 6, C. Parker, Dunen 3, Leroy, Oakland: Osburn, Moss 1, Gibson 4, Loper 5, Bowmen, C. Anderson, Snyder, Pryor 1.

Buckeyes Practice Near Site Of Rose Bowl Tilt

PASADENA, —(AP)—The Buckeyes of Ohio State buckled down to business today right next door to the Rose Bowl.

Coach Wes Fesler and 37 of his Big 10 grid champions flew in yesterday and the head man said he will run two workouts a day at Brookside park, just a pass and a punt away from the arena where the Bucks meet California Jan. 2.

"I know we're up against one of the best teams the West has produced in several years," said Fesler, "but we're going in to win."

Volleyball Continues

The regular YMCA Volleyball hour for men will be held at 5:30 p.m. in the armory on Tuesday and Thursday this week, announced Harold Backen, "Y" adult committee chairman. All men of the community are reminded that they are welcome to come, and, Backen added, the hour is for exercise and enjoyment and not for just athletes, thus every man can enjoy it. The men should bring their own gym shoes, trunks and a towel. A charge of 25 cents is made to defray expenses.

Louis Fights Tonight

OAKLAND, Calif., Dec. 19. —(AP) — Joe Louis, retired heavyweight champion who keeps insisting he will remain in that category, dons the gloves for a scheduled 10-round match here tonight.

His opponent will be Al Hoosman, a Los Angeles Negro who stands 6 feet 5 inches and weighs some 200 pounds. Hoosman once was a sparring partner of Louis.

Whether the fight will go the distance is problematical. Louis is expected to level with the best punches from the start. Hoosman is fast and a good boxer. Eight ounce gloves will be used.

GLENDALE TOWNIES WIN

OSC Defeated By Utah, 51-42

CORVALLIS, —(AP)— Oregon State's basketball Beavers turned today to their two-game series with the touring Indiana Cagers after splitting the weekend games with Utah. The midwestern team plays tonight and tomorrow.

Coach Slats Gill's team lost Saturday to Utah, 51 to 42, after winning the night previous, 53 to 41, in the game that initiated the new Gill coliseum floor.

The University of Utah players opened the scoring with free throws and quickly boomed ahead 9-3 with sophomore Glenn Smith setting the pace. The staters cut this down, with Jack Dotour, Len Rinearson and Bill Harper scoring, to 1412, but Utah rallied and put the halftime at 23-18. A tight defense allowed OSC to score only seven of 15 attempted field goals.

Oregon State came up midway in the second half with their only serious threat and tied 33-all. In the drive, after Bob Payne and Ray Snyder put Utah's margin at 33-31, a technical foul on Utah brought two free throws and Rinearson and Dick Ballantyne got both of the throws.

But another Utah rally broke up that try and OSC was falling steadily behind toward the finals.
