

Killer Of Husband Adjudged Sane

RIVERSIDE, Calif., Dec. 21.—(P)—A jury, returning shortly before midnight last night, found Mrs. Sophie Petrillo, 35, sane when she shot and killed her husband, Peter, 35, in their Palm Springs apartment last Sept. 19. She screamed at the verdict and had to be partly carried from the courtroom. Last week the same jury convicted her of second degree murder of her plea of innocent.

She was given a second trial on her plea of innocent by reason of insanity. By being found sane, she will be subject to the second degree murder penalty of five years to life imprisonment.

The court set sentencing for Jan. 6.

Had she been found insane, she would have been committed to a state hospital instead of a prison. The prosecution asserted that Mrs. Petrillo killed her husband because of jealousy over Alma Ross Prima, 30-year-old dancer and ex-wife of Bandleader Louis Prima. She had confronted her husband in Mrs. Prima's apartment the night before the shooting.

Mrs. Prima testified that Petrillo, a night club operator, was discussing a business matter with her when Mrs. Petrillo found them.

Damage Suit Arises From Automobile Collision

A claim in the sum of \$11,000 has been filed in the county court against the estate of Gye Bennett, deceased, by attorneys representing R. M. Gilbreath, guardian of Robert Lee Gilbreath, a minor, who was injured in an automobile collision last July 15.

Gordon Carlson, one of the attorneys for the guardian, stated in the claim that the child suffered injuries because of alleged negligence by the deceased, when an automobile in which the minor was riding collided with a truck "then owned and operated by the deceased Gye Bennett."

The accident was reported to have occurred near Gazley road, between Canyonville and Myrtle Creek.

Organization Of State Defense Units Is Urged

PORTLAND, — (P) — State Civil Defense director Louis E. Starr told city and county officials here to start organizing their units of the State Defense administration.

Starr said Oregon was ahead of other states in planning but lacks organization. He said "the responsibility of civil defense in its organized forms rests on the community."

He outlined the departments authorized by the 1949 legislature under the program. The atom bomb was mentioned. Starr said "we must consider the possibility that we may receive an atom bomb on Portland."

Negro Quartette Heard At Senior High School

On Dec. 20 the Senior high school was privileged to hear the Coleman brothers Negro quartette sing.

The assembly was opened by the flag salute, and students remained standing while the quartette sang the "Lord's Prayer."

They sang several spirituals and some other songs, including "The Martins and the Coys," "There's a Tree in the Meadow," "Old Man River," "Juanita," and while one played the accompaniment the others acted the parts of "Tea for Two."

They closed with "Silent Night." This was reported as one of the most enjoyable assemblies this year.

Counties Should Get Bus Law Fines Money, Ruling

SALEM, Dec. 21 — (P) — Counties should get all the money received for violations of the new school bus law, attorney General George Neuner ruled.

The new law makes it necessary for motorists to stop for school buses which are loading or unloading children.

District Attorney G. Russell Morgan of Washington county had asked if the county should split the fines with the state.

U.S. auto workers are paid from three to 10 times as much as similar workers in Europe.
