Election of officers took place at the last meeting of the Canyonville Chamber of Commerce. They are as follows: George Binder, president; Henry Ford, vice-president; Dayton Bailey, secretary; and H. J. Hash, treasurer. Committees will be appointed at the Jan. 11 meeting.

Canyonville Lions Club Sets Yule Party Saturday

At the meeting of the Canyonville Lions club Monday evening final plans were made for the Christmas party for the children which will be held Saturday afternoon. The party will include a matinee, treats of oranges, candy, nuts and popcorn.

In behalf of the club, President R. E. Olsen extended thanks to the wives of the Lions for contributions of pies and cakes for the recent auction and for the splendid way in which the Lions turned out at the auction.

The Lions club wishes the public to know the cost of the resuscitator was \$533.51. At the time it was purchased the club paid \$177.84 down. The first auction cleared \$85 and the second auction, \$66.25. There is a balance of about \$200 which will have to be paid in the next four months.

Residents of this community feel very fortunate to have a resuscitator in our little city.

Christmas Tree Lights Burning At Canyonville

The City of Canyonville's Christmas tree has been set up in front of the post office and the lights turned on, Mrs. H. M. Anderson reports.

The tree, cut and erected by the local volunteer firemen, is part of the town's holiday decorations. Smaller trees have been placed on all four corners of the main street intersections.

"Though the tree doesn't boast 7500 lights like the 'Rockefeller tree' in New York, we delight in seeing it," Mrs. Anderson said.

Sutherland Church To Construct New Building Soon

Construction on the new St. John's Lutheran church building at Sutherland is expected to get underway the second week in January, the Rev. Richard Graef, pastor, announced today.

Edward H. Graef, Rochester, N. Y., father of the Rev. Mr. Graef, has offered to supervise the work on the proposed chapel with the help of a carpenter, laborer and various men from the church who would donate their time. His offer was accepted by the building committee after many alternatives were proposed and rejected. All bids up to that time on the plans and specifications were rejected by the committee.

Graef, now manager of production in the precision optics department of the Bausch and Lomb optical company of Rochester, was formerly a supervisor for one of the largest construction companies in the Buffalo-Rochester area. He was supervisor in the construction of the \$2,000,000 Cutler Union building on the women's campus of the University of Rochester. He has obtained a leave of absence from Bausch and Lomb and will arrive at Sutherland about Jan. 9. He will assist in building the new

church in return for his expenses. Many people in the community have offered their aid in the construction work, which will be deeply appreciated, the Rev. Mr. Graef said.

Infant Burns To Death, Three Others Rescued

WAPATO, Wash., Dec. 22 — (AP) — A 15-month-old child burned to death and three others, the oldest about 5, were carried to safety by neighbors last night

when fire broke out in a two-room west side cabin.

The rescuers had to batter down a door to the cabin to gain entrance.

The dead infant was Jimmy Ventura, son of Mrs. Elsie Ventura. His brother Donald, 24, and Johnny Dandara, 1, son of Mrs. Lucy Dandara, were ill from breathing smoke. A fourth child, about 5 but unidentified by name, was not injured.

The children were alone in the cabin when the fire broke out. Cause of the blaze was unknown.
