### Special

LOCATED TWO BLOCKS FROM INDIAN THEATER

We have a wonderfully located home just a couple blocks from the Indian theater. This is a wonderful place if you are working and haven't much time to go home in. Has lots of room on its oversized lot for a nice lawn (which it has.) A nice garage. The house is of the older-type, but is kept so nice that it's quite appealing. First it is latned and plastered thruout; the bedrooms are large with a nice appealing color job—nice living room with a homey fire-place. A nice oversized view window and French doors dividing the living room from the entering hall. Mostly hardwood floors throughout. The bath is full and complete and a nice full sized kitchen. The color arrangement in this home is brand new—both as to paint and style. Asking price $8900; about $2000 down.
