Russia Returns One Of Three U. S. Icebreakers

WASHINGTON, (AP)—The State department says Russia has returned the icebreaker Southwind to the U. S. Navy at the Japanese naval base at Yokosuka.

The ship lentleased to Russia during the war, was sailed in to Yokosuka by a Soviet crew. Navy reports indicate it is in "satisfactory condition."

The Southwind is one of the three America lend lease ice breakers whose return the State department has been demanding for the past two years.

COLD WAR IN SCALES

BERLIN, (AP)—West Berliners claimed to have found they were putting on nine pounds of weight every time they consulted an automatic weighing machine in the Soviet sector.

Back in west Berlin, so they said, they had their normal weight again—nine pounds less than in the east.

The French-licensed "Kurier" said the gauges of automatic weighing machines in the Soviet sector were deliberately changed to give east Berliners the illusion they put on weight and to make them forget strictly rationed food and austerity economy.

Ice Cream Patron Pays Fine For Kick At Service

READING, Pa., Jan. 5.—(AP)—The case of Harry Specter versus the ice cream soda may be headed for a higher court.

At a hearing before magistrate Charles Lease yesterday, Specter—a traveling salesman—was fined \$11.50 for creating a disturbance over a soda he contended didn't contain enough ice cream.

Policeman Melvin Tomlinson testified Specter ate most of the soda before registering his complaint and then paid \$1 to take the remains along as evidence.

Magistrate Lease looked at the half-eaten soda, ruled Specter shouldn't have "destroyed the evidence," and ordered him to pay the fine.

Specter said he would appeal to a "higher court"—evidence or not.

Reds Begin Purge In East Germany

BERLIN, (AP)—The communists gave warning today to all their opponents in the Soviet-sponsored east German people's republic to toe the line or get out of political life.

This was sounded in the Soviet-licensed newspaper, "Nacht Express," and follows reports of heavy Communist pressure on the non-Communist parties of east Germany. It indicated the Communists intend to push sternly a drive to weed out all political unrelies — Communist or otherwise.

The Liberal Democratic party yesterday suspended five of its members of the Brandenburg parliament from party membership, apparently acting under this Communist pressure. The Communists earlier had charged the five with being reactionaries and "attacking Soviet culture."

An LDP statement said the five were suspended to insure that members would not deviate from the party's political course. In east Germany both the Liberal Democrats and the Christian Democrats collaborate with the Communists, who dominate the east German government.
