MAYBE SZASZ TOO?

Jersey City Mat Artist Amazes Northwest Fans

Douglas county wrestling fans will see something new under the sun of the mat sport when Ted Bell of Jersey City makes his local debut. He meets Al Szasz in the one-hour preliminary at the Roseburg armory Saturday.

Bell is an easterner who has literally taken the Northwest by storm and in his short stay of several weeks has amazed wrestling fans with his style and newness of his maneuvers. In recent appearances in Salem and Albany, Bell has won "battle royal" victories, the toughest of mat tests.

Matchmaker Elton Owen says, "This boy is by far and away the greatest grappler to come here during the past two years—a combination of Andy Truman and Rene LaBelle, who are well known to local mat followers."

Appeared At Garden

Bell, who just recently was credited with "stealing the show" before 18,000 fans in Madison Square Garden, also uses the "iron cross", along with new holds like the backward body drop and rolling keylock and claims he has some holds he hasn't even shown to date in the Northwest.

Bell's initial test here will be the toughest—against Szasz.

Szasz's reason for taking a preliminary bout is to have a chance to watch Maurice LaChappelle and Leo Wallick work. The headliners on Saturday's card will meet for the right to challenge Szasz for his coast junior heavyweight championship.

LaChappelle Declined

LaChappelle, the great French grappler, was scheduled to get a crack at Szasz after his impressive victory over Georges Dusette last week, but declined the match when Wallick said that he (LaChapelle) was yellow and wouldn't meet him for a chance at the crown. Wallick, following a victory over George Strickland here last week and armed with a victorious tilt in a recent "battle royal", claimed that he had as much right as LaChappelle to a championship match.

The fireworks will be colorful and explosive when the two men meet—Wallick matching his damaging and dangerous piledriver against LaChappelle's head-snapper, hangman's hold and combination deathlock — surfboard. Quite a few local fans believe that the Detroit piledriver has an even chance.

The Bell-Szasz opener gets under way at 8:30 p.m., and Owen said he will have an outside referee handle both bouts.

Golf Wizard, 15, Voted Year's Female Athlete

NEW YORK, Jan. 13 — (AP) — Marlene Bauer, the 15-year-old Los Angeles girl who amazed the golfing world with a string of brilliant victories during the past summer, has been voted female athlete-of-the-year in the annual Associated Press poll.

Sportswriters and sportscasters gave the sensational young coast star 17 first place votes and a total of 73 points, compared to 13 firsts and 58 points for her closest rival, Louise Suggs of Atlanta, the nation's woman professional golf champion.

Babe Didrickson Zaharias, still another golfer, placed third with 49 points, and Mrs. Margaret Osborne Dupont, the national tennis champion, was fourth with 41. Points were figured on the basis of three for first place, two for second and one for third.

Oregon-OSC Hoop Rivalry Starts Again

Series Opens Tonight At Corvallis; Santa Ana Flash To Unlimber

CORVALLIS, Jan. 13—Oregon State and Oregon will renew their ancient basketball rivalry in the first round of a four-game series in mammoth new Gill coliseum here tonight. Opening tipoff will be at 8 p.m.

Weather conditions permitting, a capacity crowd of some 10,000 fans is expected. Reserve seat tickets were sold out Tuesday. Only a thousand general admission ducats remain and they will go on sale at the gates at 6:45 p.m. Friday. To enable as many fans as possible to see the game, three sections of bleachers from the old gym have been added on the sides of the huge plant.

Beavers Need Win

After breaking even with Washington State in the initial conference series last week. The Beavers must win Friday to remain in a strong position for the successful defense of their northern division championship. Oregon likewise split with the Cougars and wants to win Friday as desperately as the Orange. All of which adds up to the usual red-hot battle when the arch rivals meet on the maple boards.

The Beavers should be in their best physical condition of the season with the squad at full strength. Coach Slats Gill probably will open with Bob Payne and Jim Padgett at forwards; Ray Snyder, center; and Dick Ballantyne and Bill Harper in the guard slots. Snyder moved into the starting pivot job this week because of his speed and aggressiveness.

Santa Ana Star Eyed

Jim Nau, 6 foot, 5 inch sophomore from Santa Ana, Calif., probably will see his first varsity action Friday. One of the top men on last year's strong Rook club, Nau injured his back early in the season and is just rounding into form.

Probable starters for Oregon are Paul Sowers and Will Urban, forwards; Jim Vranizan or Mel Streeter, center; and Ken Hunt and Mel Krause, guards. Sowers and Urban have been the big guns in the Webfoot attack to date.

Joe Gordon Dislikes Contract Offered Him

Eugene, Ore., Jan. 13 —(AP)— A 1950 baseball contract proferred by the Cleveland Indians to Joe Gordon has "disappointed" their star second baseman.

But, Gordon said yesterday, it's not the $7,500 salary cut that hurts so much as the absence of a clause granting him an unconditional release at the end of the 1950 season.

The former University of Oregon star announced earlier this year that he would like to play in the Pacific Coast league because it was closer to home. He indicated yesterday that a Cleveland official had promised him the release clause would be in the new contract.

Gordon got about $35,000 from the Indians last year, plus a $2,500 bonus. The new contract calls for $30,000—without the bonus.

ROOKS PLAY TODAY

CORVALLIS, Jan. 13— Oregon State's freshman basketball team, with only a week of practice behind it, will open its 1950 campaign against strong Hood River high school in Gill coliseum this afternoon at 4 p.m.

BILLIARDS WIN TWO

Riddle Billiards town team defeated Myrtle Creek Firmco, 40-22, and Days Creek, 33-28, in two games played at Riddle earlier in the week.

Riddle Hoopers Trim Canyonville

The Riddle varsity and junior varsity basketball teams won both games of a two-game series with Canyonville on the Riddle court Tuesday night.

The Riddle varsity had an easy time, as they completely outclassed a fast-breaking Canyonville team for a 46-15 win. After a slow first half, Coach Arthur Brown's Irish began finding the range and dumped in 28 points in the second half, while holding the Canyonvile team to one field goal and three free throws. Gene Buckley was high scorer with 13 points. Halftime score was Riddle 19, Canyonville 10.

The Riddle junior varsity won its second game of the season downing Canyonville J. V.'s, 32 to 22. Riddle jumped to an 11-4 first quarter lead and maintained a narrow margin throughout the entire game. Canyonville pulled to within two points, 22 to 20, with seven minutes left in the game. Rigsby of Riddle scored 20 points to lead the scoring.

Indians, Vikings To Clash Tonight

All points lead to the Senior high school gymnasium tonight. Myrtle Creek and Roseburg, traditional foes in all sports, battle for league honors, starting at 8 p.m.

A preliminary action between Roseburg and Myrtle Creek junior varsity, starting at 6:30, is expected to set the basketball pace for the evening.

Coach Newby reports his Indians are ready for the visiting Vikings and barring last minute accidents, should be in good shape at the starting whistle. Frosty Loghry's fast-stepping Viking squad is reported to be in fine fettle and eager to dispose of the Indians.

The starting lineup for both varsities may look like this:

Myrtle Creek		Roseburg
Crisp	F	Matthews
McDaniels	F	Coen
Rice	C	Olson
Wilder	G	Garey
Corrigan	G	Blanck

Sutherlin, Reedsport Fives Battle Tonight

Coach Orrin Hills released a tentative starting lineup for both clubs, that may include the following:

NEW YORK, Jan. 13 — (AP) — The Citadel, one of the four southern universities blacklisted by the National Collegiate Athletic association for self-confessed violations of the sanity code, announced its withdrawal from the NCAA yesterday.

Skiing Devotees Planning On Club

Wih continued snow apparently in the offing, at least on the higher slopes in the county, many skiing enthusiasts have been making the most of the opportunity to catch up on a favorite winter sport.

Ralph Voeller, local sporting goods merchant, said plans are being made to form a skiing club. Any ski fan in the county is invited to join.

Sunday, those interested are invited to come to Boomer hill, reported to have nearly 30 inches of snow on its slopes, at which time the formation of a ski club may be discussed. Persons lacking transportation and those willing to provide the same are urged to contact Voeller at J-V Sporting Goods store.

Already, nearly 85 persons have expressed a desire to form a skiing club, Voeller said. Nearly a dozen were seen sliding down the slopes of Boomer hill last week, while some two dozen spent the day there the week before.

Boomer hill is located approximately 16 miles south of Roseburg and three to four miles west. A sign—located near the highway—points to the direction of the hill.

Voeller warned that chains should be used in getting to Boomer hill. The roads are being kept clear by the highway department, but are accessible only if the car is equipped with chains.

Plans are to construct a portable ski tow in the near future, Voeller said, which will be powered by a 25 horsepower gasoline engine.

Gonzales Trims Kramer 3rd Straight At Tennis

SAN FRANCISCO, Jan. 13—The blazing speed of Richard (Pancho) Gonzales has begun to pay off in his world-wide tour with professional tennis Champion Jack Kramer.

The pair meet again tonight in civic auditorium where last night Gonzales outplayed and outslugged the champion for a 6-3, 6-8, 6-4 victory—his third straight.

But Kramer, almost continually his master since the tour began, still holds a 38-9 bulge in matches won.

Angott, Manager Laken Hurt In Traffic Crash

FROSTBURG, MD., Jan. 13—(AP)—Former lightweight champion Sammy Angott and Jack Laken, his manager, were injured last night in an automobile collision on an icy mountain road near here.

Harold (Baby Face) Jones, another boxer riding with them, was uninjured.

Laken was hurt seriously. At the hospital here, doctors reported he had a possible fracture of the back, a hip injury and several fractured ribs.

Angott hurt his hip and bumped his head when he and Jones were thrown from their automobile after their car skidded into another vehicle state police reported. Angott was to return to the hospital today for X-rays.

Laken was trapped in the rear seat of the demolished automobile. He was freed by state police, who had to pry a door open.
