Medford Republican To Run Against Sen. Morse

SALEM, Jan. 17.—(AP)—U. S. Sen. Wayne L. Morse is assured some opposition in the Republican primary election next May. Fred E. Robinson, Medford clothing merchant, filed his candidacy for Morse's job Monday. Morse hasn't filed yet.

Robinson's campaign slogan is "Elect a man who will vote with the rest of our congressional delegation."

Americans use a gallon measure dating from the time of Queen Anne when it was used to measure wine.

Scientists Said Balking At Super A-Bomb Proposal

WASHINGTON, Jan. 17.—(AP)—Washington is buzzing with reports that the government may undertake development of a super A-bomb, perhaps 1,000 times more powerful than the kind this country now has.

While no official will talk about it, the report has gained wide circulation that it has given rise to a series of corollary reports and rumors. Among them are reports that:

1. Some scientists now working on atomic projects have already served notice they will refuse to have anything to do with the "super bomb" project.

2. The real reason David Lilienthal resigned as chairman of the Atomic Energy commission

was because he was opposed to the project. In a broadcast, Drew Pearson, the radio commentator, said that was the reason Lilienthal resigned. Asked about Pearson's statement, Lilienthal said he had "no comment."

Pearson also said that Lilienthal had asked Methodist Bishop G. Bromley Oxnam of New York to line up opposition to such a move. Lilienthal declined comment on that report also. In Indianapolis, Bishop Oxnam said Lilienthal had not contacted him on any such matter.

It is known that since last October a committee has been studying the question of whether the government should undertake development of a hydrogen A-bomb. Such a bomb theoretically would be more powerful than the present uranium bomb. But whether it would be 1,000 times more powerful is another question.

The population of the United States multiplied most rapidly after the Civil War; the increase was almost threefold between 1860 and 1910.

Does Food Form Sour Gas in Your Stomach?

"I have never taken anything that worked so quickly and fine as Kal-O-Dex. It's a grand medicine," says Mrs. Lucy Wallace, 2420 Webster Ave., Fresno, and I have lots of PEP now since I'm rid of that awful acid stomach condition that gave me so much misery. Stomach food just laid in my stomach and soured--had to be taking soda all the time, especially at night, because of awful pressure in my stomach from gas and bloating. It would keep me awake finally. I discovered Kal-O-Dex and my troubles are all over--I can get many things now that I couldn't before taking Kal-O-Dex. Bowels are regular, no more bloating or sour stomach, and I feel better all over.

KAL-O-DEX is an Herbal Formula of 2 juices from Nature's Plants. It has relieved many people who had never been really helped before by any medicine. Taken shortly before meals it mixes with your food, helping to eliminate the poisons that foster stomach trouble. It will cleanse the bowels, clear gas from stomach, enliven intestines and remove old, tickling bile from the system. So don't go on suffering! Get KAL-O-DEX at all Drug Stores today.
