TANDA CAMP FIRE GROUP

The Tanda Camp Fire girls of Canyonville are planning a novel doughnut sale to start next week. The girls have made paper doughnuts which they sold for orders and later the girls will deliver the doughnuts to be made by Neal's Do-Nut shop in Canyonville. This will be the girls' first money-making project this year.

They are also working on a national project "Discoveries Unlimited" learning to do something new and from experienced persons. Crocheting, quilting, dressmaking and pottery making are a few of the discoveries. The object of this project is to broaden their scopes.

The girls and their leader practice basketball each Saturday in the high school gymnasium. They are making dish gardens and during the winter months are meeting in the various members' homes rather than the council room in the city hall.

PIONEERING POOCH

Faun, the seeing-eye dog of Anita Blair, 28, above, became the first dog in history to hear a Senate debate, after Sergeant-at-Arms Joseph C. Duke broke a long-standing Senate rule against animals by permitting Miss Blair and her dog to enter the galleries. Miss Blair, who was blinded 10 years ago in an auto accident at El Paso, Tex., is in Washington to protest a bill which she fears would put her out of business as a lecturer.

Sex Murder Denied By High School Athlete

BURLEY, Idaho, Jan. 27.—(AP)—Neale Butterfield, 16-year-old high school athlete, pleaded innocent Wednesday in the sex slaying of seven-year-old Glenda Joyce Brisbois.

The girl's battered body was found in an irrigation canal two days after she disappeared last Nov. 18. Butterfield was arrested after he left his home, headed for the west coast. Sheriff Saul Clark and other officers said the youth admitted striking the girl with a car jack.

An autopsy showed the child had been raped. Butterfield has denied he raped her.

The former football star displayed little emotion when the complaint was read. District Judge Hugh A. Baker set trial for Feb. 1.

Gen. MacArthur Still Fit At 70

TOKYO, Jan. 27.—(AP)—General Douglas MacArthur, the man who has ruled Japan since the Rising Sun set more than four years ago, was 70 years old Thursday.

Physically well and mentally tough, the supreme Allied occupation commander talked a little about his increasingly difficult job—but not for publication.

His views are pretty well known on the rising red tide in Asia, peace for Japan, the importance of Formosa in the U. S. Pacific defense line.

It is also known he does not think war is imminent. He is known to regard modern war as so nearly all-destructive that any future conflict might prostrate the participants.

But today you would hardly have known he had anything on

his mind but a birthday.

There was little ceremony or fanfare. There were congratulations of course. From his son and wife, from officers who have followed him through hot and cold war, from many friends in many lands and from Sir Alvary Gascoigne of the British mission here who brought greetings from Tokyo's diplomatic missions.

JOB LONGEVITY

KNOXVILLE, Tenn. — (AP) — Andrew M. Toimie's re-election as treasurer of his union local didn't startle anybody.

Toimie, who'll be 80 next March, first was named to the office in 1900.

Every year since then he's been re-elected by Hill City lodge No. 58, International Association of Machinists.

FINE TRAILS LAW TALK

OREGON CITY, Jan. 27.—(AP)—Hall S. Lusk, chief justice of the state supreme court, gave a speech here on respect for the law. Then he gave an example. He emerged from the speech to find police had impounded his car, which he had inadvertently left parked in a zone reserved for fire truck maneuvering. He went right over to the police station and paid a \$3.50 fine.

Does your merchant smile when you say "charge it"?

CREDIT IS YOUR GREATEST ASSET

You made a solemn agreement with your merchant, doctor or hospital WHEN YOU ASKED FOR CREDIT

This is the same as asking for a Personal loan. You also asked for his Confidence and Trust in You . . . When you received that courtesy, wasn't it a grand and glorious feeling?

NOW

Have you betrayed that confidence, by not either paying or part paying or satisfactorily arranging to take care of that courtesy when it became due. Have you betrayed that confidence and trust you so solemnly asked for? If you have been careless—why not at once answer your PIONEER SERVICE COUNTY CREDIT BOARD letter that you have received. Go in and Pay, Part Pay or Satisfactorily arrange to pay and keep that promise good! Remember the man who pays is welcome everywhere and holds that confidence he asked for and received—But the man who doesn't pay soon becomes a social outcast, and loses his character rating.
