Roseburg Beats Reedsport 50 to 44

Indian Team Displays Fast Play To Win

Game Close Throughout, As Locals Put On Best Performance Of Season

Sparkling backboard work and a steady hard-hitting pace set by the Roseburg Indians helped them defeat touted Reedsport high school in a Douglas division, District 5 league tilt last night at senior high.

The final 50-44 score was indicative of the closeness of the contest, but an initial four point lead by the Indians, plus a brilliant second quarter helped put them on top.

Although loaded with clever players three Reedsport Braves outshined their teammates and nearly spoiled the Indians' evening with their accurate shooting.

Frank Jackson, starting Braves guard, connected from all positions on the court. His 17 points put him way above Roseburg's high scorer Dexter Garey, who basketed 12 points.

Garey, who has been running hot and cold this season, came through in fine style last night, and handled himself in a creditable fashion under the backboards, lack of height notwithstanding.

Coach Jack Newby apparently hit upon a brand-new injection for his players. They never slowed up and fought like tigers trying to gain control or hang onto the ball.

Reedsport's Jack Pinion was third highest scorer with 10 points. His retirement from the game on five personals, just after the three-minute rule took effect, helped the Roseburg players, who were hanging onto a slim, three-basket lead, at that time.

The Indians had the visitors topped 26-18 at the halftime, after Reedsport came within a basket of going ahead twice in the second quarter.

After the half, Roseburg continued to pull away, slowly but steadily. Sophomore Larry Freeman was good on the long ones, while Ronnie Strickling made his count from the free throw line. Kee Briggs also figured prominently in the pinches.

Demaret Defends Two-Stroke Lead

PHOENIX, Ariz., Jan. 28—(AP)—Jimmy Demaret, his golf as fancy as his clothes, defends a two-stroke lead in the $10,000 Ben Hogan open today and sees his luck returned.

The Ojai, Calif., veteran who hasn't won a tournament since beating Hogan in the 1949 playoff here, goes into today's third round with a 131, two strokes better than Johnny Palmer of Badin, N. C.

Bantam Ben, the comeback man in whose honor they named this event, skidded over par figures yesterday and found himself with a 138 five strokes off the page but not out of the running. Hogan had an opening day 65 that put him in a tie with Palmer in second place. Yesterday he had a 73. Two rounds remain.

Ed Furgol of Royal Oak, Mich. slipped up into third place with a sizzling 65, outshadowed only by the 64 fired by red hot Doug Ford of Yonkers, N. Y. That tied the competitive course record which had also been equalled in the opening round by Demaret. Ford only had a 73 his first round so finished with a 137 and a tie for sixth place with Jack Burke Jr. of White Plains, N.Y.

The big money man from White Sulphur Springs, W. Va., Sammy Snead, put together his second sub-par round to end in a 135 tie for fourth place with Jack Harden of El Paso. Snead had a 69 to go with his 66 Thursday and Harden a 68 with a 67.

Coast Streams Fishing Date Opening Protested

PORTLAND, Jan. 28. — (AP) — Sports fishermen protested here yesterday a proposal to open the trout season in coastal streams April 15.

They told the State Game commission, which tentatively suggested the date, that the opening was too early. Last year the date was June 15.

The protests came principally from the Multnomah Anglers and Hunters club and the Izaak Walton league of Eugene.

Mert Foltz of the Eugene group also insisted that the steelhead season on the Nestucca river should close Feb. 28, as last year, instead of being extended to March 15.

Foltz also argued for a uniform opening date on trout in the Willamette basin. He pointed out that the McKenzie river opening tentatively was set for May 15, while other streams in the area were scheduled for April 15.

Pancho Gonzales Turned Pro Too Early, Opinion

SPOKANE, Wash., Jan. 28.—(AP)—It looks as though Pancho Gonzales turned pro a year early.

The 6 foot-2 Latin-American with the spectacular serve appears certain to bow out of the pro tennis troupe after only one year. Halfway through his world exhibition series with Jack Kramer, Pancho is trailing 14 matches to 44.

The loser drops out.

Pancho's successor most likely will be Ted Schroeder, says promoter Bobby Riggs. Ironically, it was tall Ted over whom Pancho leapfrogged to the big pro lettuce by winning the National Amateur title last fall.

Ezzard Charles To Defend Title Against Beshore

NEW YORK, Jan. 28—(AP)—Ezzard Charles, the NBA heavyweight champion, is going to defend his title in New York state where he is only a "logical contender."

Charles signed yesterday to meet Freddie Beshore of Harrisburg, Pa., in a 15-rounder at Buffalo, Feb. 28. It's okay with the New York State Athletic commission but you can't mention title.

In New York, Charles is only a "logical contender." Across the river in New Jersey, he's the champ. It's all a little confusing.

This isn't the first time, either. In fact, Charles made his first "defense" in New York City against Gus Lesnevich last summer. If Ezzy loses he'll "blow" his NBA title.

Beshore, 26, sparred with Charles at San Francisco last fall when Ez was getting ready to fight Pat Valentino. Maybe Beshore thinks he found a hole in Charles' defense.

"I like to go in and fight," said Beshore, summing up his style. Whatever he does, it didn't work against Lee Oma who won two decisions over him in the last two months. The last was a close one.

"This proves my guy is a real fighting champion," said Jake Mintz, Charles' manager, "we'll fight anybody, anytime."

Nobody announced exact percentages for the Buffalo match but it is understood that Charles will get 37 1-2 percent. Plus another 2 1-2 percent for training expenses for a total of 40. Beshore will get 17 1-2 percent. Guarantees are not allowed in New York state but there is a report Ezzard won't go home with less than $20,000.

DeMolay Boys Will Hold Practice For Basketball

Arrangements for regular basketball practice were made Thursday during a meeting of the Roseburg chapter of DeMolay.

Members of the DeMolay squad will practice each Wednesday and Friday at the Wilbur gymnasium. Tom Taylor, chairman of the athletic committee, asked all boys to meet at the junior high school at 6:45 p.m. for transportation to the practice.

Chapter members also decided to arrange a regular schedule to prepare for the forthcoming initiatory degree, to be held Feb. 24.

Refreshments were served at the close of the chapter meeting.

Eugene Fem Trapshooter Bests Husband At Tampa

TAMPA, Fla., Jan. 28. — (AP) — Like Calamity Jane who was a pretty fair hand at outshooting the men, Mrs. Ruth Ray of Eugene, Ore., can do a little boasting over males in general and her husband in particular.

She and hubby Cal tied for second place at 248 in the 16-yard singles competition of the National Midwinter trapshoot. Then in the shoot-off yesterday she shattered 25 straight targets.

Maybe it was nerves, or letting wifey have the last say—but the head of the family missed two.

Oregon Beats Washington By 57-49 Margin

EUGENE, Ore., Jan. 28.—(AP)—Jack Keller, University of Oregon guard who was gallant in defeat last week at the hands of the University of Washington Huskies, was just as gallant in victory over the Huskies last night.

He potted 16 points as the Oregon Ducks smote Washington's Northern division Pacific Coast conference basketball leaders, 57-49.

Oregon's shifting defensive tactics also drew a share of the credit for the upset. The fourth place Ducks pestered the Washington shooting with a partial zone defense much of the game. When the zone wavered, the Ducks shifted to a man-to-man effectively.

Forward Paul Sowers' field goal gave the Ducks a 19-17 lead which proved the turning point in the first half. Oregon led at the intermission, 28-23, and pushed the advantage to 14 points at 43-29 after 5½ minutes of the second period.

Washington's last threat drew the northerners to the short side of a 53-49 gap, but Will Urban's basket, and free tosses by Keller and John Neeley widened the Oregon margin.

The loss chopped the Huskies' leadership edge to half a game over Washington State's Cougars.

The Cougars will have a chance at first place tonight if they defeat Idaho at Moscow while Oregon duplicates with another victory over Washington here. A Washington triumph along with W. S. C. would leave the Huskies a half-game in front.

Seventh Graders Uphold Roseburg Glory At Ashland

Roseburg seventh graders, coached by Al Hoffman, produced the only junior high school win Friday night at Ashland, a 22-19 victory. Eddy Wyatt's eighth graders lost out 31-20, while Hod Turner's ninth graders were defeated 45-38.

Halftime scores put the seventh graders ahead 10-5; Ashland eighth graders were ahead 14-12 and Ashland ninth graders topped the locals 25-21.

Roseburg ninth grader Backen ran up the highest count for the Papoose teams, with 17 points. He was tied by Ashland eighth grader Tenney.

Tonight, Roseburg Papooses play at Medford.

Atlas-Strickland Bout Tops Wrestling Program Tonight

Douglas county mat followers will have a top-heavy talent wrestling show served for their pleasure at the Roseburg armory tonight, starting at 8:30 o'clock, and promising to attract a near-capacity attendance.

Although there will be a double main-event, top billing goes to the coast junior heavyweight championship match, in which Al Szasz, Hungary, defends his title against the challenge of Leo Wallick, Detroit.

Second feature will be the return of The Great Atlas, with a gigantic wardrobe of Hollywood-designed jackets—to match his tights—and a mat prowess he says will be much too much "for a man the caliber of Strickland." George, who hails from Denver, has other ideas. He not only promises to pay back Atlas for a "cauliflowered ear", but hopes to whip the ex-Mr. America with the big muscles.

The opener will introduce a newcomer—Arnie Skaaland, a young Norwegian who promises to become an extremely popular grappler. He meets Lee Grable, a rugged New Mexico wrestler, in his debut.

Elton Owen will referee the three-bout card.

Dukes' Second Ranked Team Wins Another

NEW YORK, Jan. 28. — (AP) — Duquesne's Debonair Dukes, ranked second only to Holy Cross in this week's Associated Press college basektball poll, rang up their 14th straight victory last night.

The Dukes, still to be beaten this season, rolled over Youngstown (O) college, 69-49, after erasing an early Youngstown lead. Ed Dahler sparked the Dukes' offensive with 11 field goals and a charity toss for 23 points.

Wyoming, ranked 14th strengthened its bid for a higher placing by coming from behind to beat Utah, 42-35, in the Skyline Six. The Utes led at the half, 24-19, but first place Wyoming rallied to tie at 32-32 then pulled away on a string of 10 consecutive points.

Oregon turned in the surprise of the night. Beaten in four of five previous league games, the Ducks upset the first place Washington Huskies, 57-49, in the Pacific Coast conference Northern division.

Duke tied North Carolina State for the lead in the Southern conference by piling up an early 17-point lead and going on to whip Davidson, 69-59.

Kansas kept on the heels of Kansas State in the Big Seven by trouncing Iowa State, 67-42. Big Clyde Lovelette rimmed 23 points for the Jayhawks.

A record crowd of 12,579 at the Cow Palace in San Francisco saw San Francisco whip Southern California, 55-41, and first place Arizona of the Border conference sink St. Mary's (Calif.) 67-57.

Arizona State Tempe tightened its hold on second place in the Border conference by taking Flagstaff, 62-47.

Western Kentucky successfully opened a southern tour by beating Miami (Fla.) 66-61. Louisville, on an eastern tour, tripped Seton Hall, 82-69.

Third ranked Long Island had an easy time with Lawrence Tech, 84-54, and Dayton (Ohio) lost its fourth straight to Kent State.

Cade of Drain with 13 points was high point man. Eaton of Glide led with 10 counters.

Globetrotters Record Breakers

They do say that every time a Harlem Globetrotter basketball player does anything from scoring a point or committing a foul a new basketball record is set. That's why the appearance of the superb sepia aggregation against the Roseburg JVRs at Senior high school Wednesday, Feb. 1, is certain to be a record-breaking occasion.

The Trotters entered their 23rd consecutive season of play with a total of 3,184 victories, 235 defeats and one tie, certainly the greatest record in all basketball.

Every point they score, every fan they attract, every mile they travel—in fact, each game they play—establishes a new cage mark. Last season approximately a million fans, also a record, saw them win 146 games while losing only five.

Their travels last year included the playing and winning of 14 games in five days in a tour of Alaska under U.S. Army sponsorship. They've been to Hawaii three times, Cuba, Mexico and elsewhere on plenty of occasions in recent years and won tournaments in most of those places.
