RHS Band Bills Thursday Concert

A dozen concert pieces and special musical numbers will be included on the program of the Roseburg senior high school band concert scheduled for Thursday night at 8:15 in the senior high school auditorium.

In addition to regular concert numbers, several selections will be played by the "German band," trombone quartet and saxophone quartet. Featured during the evening will be Dick Cumpston, saxophone soloist. Another special number, the popular concert, "March of the Steelmen," will present trombone and cornet quartets.

Special rehearsals and night practice sessions in the home of Band Director E. G. Stiles have been on schedule for band members preparing for the first concert of the current year.

Tickets are being sold by members of the concert band, junior and beginner groups and grade school groups.

Free Schools For Vets Nearing End

WASHINGTON, Feb. 7.—(AP)—Unemployment jumped 991,000 in January, sending the number of jobless to 4,480,000—highest since the war.

Secretary of Commerce Sawyer, announcing the development, issued a statement which said:

"A sizable increase in unemployment is to be expected between December and January because of seasonal developments. It is noteworthy that industrial employment did not appear to be materially affected. A year ago, industrial layoffs were an important factor in the rise of unemployment."

The number with jobs—56,947,000 in January—dropped 1,609,000.

The full force of this decline did not show up in unemployment, however, because many of those losing jobs dropped out of the labor market, at least temporarily.

Boy Tumbles Through Thin Ice And Drowns

HOQUIAM, Wash., Feb. 6.—(AP)—Six-year-old Carl Edward Warbington Jr. drowned yesterday after tumbling through the thin ice of a frozen slough at nearby Newton.

He was the son of Mr. and Mrs. Carl E. Warbington who live on a Hoquiam rural route.

Among the devices used to kill weeds is a flame thrower in war but on a much smaller scale.

All the training they are entitled to, it would cost the government \$60,000,000 actual cost of the program from its beginning to the 1956 windup date is expected to range between \$25,000,000 and \$30,000,000.

The next six years will cost about \$16,000,000, VA estimates.
