LISTINGS WANTED
FOR 1950
SEASON JUST STARTING

We are looking for property that is priced in line with today's market. We will be glad to accept listings on any recent appraisals from certified real estate appraisers. If your price is right and we list your property you will get action. We are not office sitters. We wear out our shoes, not our seats.

We never carry over 35 listings, and seldom half this number, as we believe that no one can have too many listings without slighting some. Your chances with us are good, as we will be glad to prove to anyone that out of every 10 exclusive listings, we sold on an average better than 7 right here in Roseburg. We are not afraid to advertise and spend money on the listings we take. We need stock, dairy, grain, diversified farms, and will go anywhere in Oregon to inspect and list the larger ones. You can be assured that your property will not be neglected or forgotten as when our listing quota is reached, we do nothing but sell the real estate we have listed and keep replacing them as they are sold.

Our methods get results. 16 years real estate experience, and exclusive agents.
