YONCALLA RESIDENTS INVITED TO BENEFIT CARD PARTY FRIDAY

At eight o'clock on Friday, February 17th, there will be a benefit card party at the City Hall in Yoncalla sponsored by the Yoncalla BPW. No admission charge will be set, but a contribution will be accepted during the evening for assistance of: Heart Drive, Cancer Fund, White Cane, and the Crippled Children.

Although the bulk of the funds contributed to these drives each year are used in research for cause, so that the public does not clearly see the evidence of dollars put to use as in some other drives, the work of these great organizations moves slowly onward. If and when the general public is so educated to think in terms of prevention rather than cure, then there will be nation-wide support enough to speed the work now carried on.

The community is urged to come out and lend its support to these worthy causes, thereby rendering aid to the future which is more jeopardized by Cancer and various diseases of the Heart than most realize.

There will be prizes for five-hundred and pinocchio and refreshments supplied by the Yoncalla BPW.

FULLERTON CARNIVAL AND SUPPER IS MOST SUCCESSFUL AFFAIR

Nearly every resident of West Roseburg participated Friday night in the supper and carnival held at Fullerton School. More than 600 parents, children and friends came as guests to enjoy the dinner prepared and served by the P.T.A. under the capable leadership of Mrs. Charles Collins. Turkey, baked beans, jello salad, relishes, hot bread, pie and coffee were served to the crowd that filled the school cafeteria to enjoy the excellent food in company with their neighbors.

The carnival, under the management of the school teachers, provided dozens of diversions for the children. There were movies, a doll show, baseball and basketball throws, ring toss, penny pitch, fortune telling and a special "Get Your Face Painted" attraction that quickly turned the well-scrubbed small fry into villainous apparitions, unrecognizable even by their own parents.

The many Fullerton parents who brought and served food and washed the inevitable tall stacks of dirty dishes felt amply repaid for their efforts by the huge attendance and the obvious enjoyment of all those who came.
