

Glendale Wins South League Title Drain, Glide Meet In North Tonight

Pirates Score 70 To 44 Win In Final Play

Riddle Team Edges Out Stubbhorn Canyonville 39-36 For Consolation

The south half county B league basketball championship was decided in a breeze last night as Glendale's towering squad ran over, through and around hapless Days Creek to the tune of 70-44.

The final games, played on Riddle's floor, were anti-climax to the close Thursday night games. Riddle played some of its worst basketball of the season, barely eking out a 39-36 win over Stubbhorn Canyonville and the Glendale-Days Creek affair was strictly "no contest" in the last half.

Glendale's win automatically sets the Pirates up for a crack at the winner of tonight's Drain-Glide contest and the right to claim the Douglas county B league crown. Days Creek will meet the loser of the north half game for the county consolation award. The county playoffs are scheduled for Feb. 24 at Yoncalla's new gymnasium.

Height, fast passes and a tight zone defense told the story of the championship game, with Glendale's big front line controlling rebounds and making night into day. Days Creek's attempts to penetrate through to scoring territory.

Big John Harbour again came through as top point maker for the red-clad Glendale Pirates. His 22-point total set him up as high man for the entire evening, followed by teammates Earl Allen and Bill Chandler with 18 and 17 points each. Allen, Glendale's beanpole center, shined as the best big man on the floor, operating smoothly from beside the key and under both backboards.

Gaulke, forward for the Days Creek Wolves, carried most of the scoring burden by racking up 13 points, all but five in the last half.

Friday night's opener between Riddle and Canyonville provided few thrills until the closing minutes. Opening cautiously at the beginning of both halves, the two teams missed both long and set shots with amazing persistence. Wyatt Hendricks, Riddle's big guard, broke the ice two minutes after the game started by casting off from the foul line. The Irish lead increased to 10-4 at the end of the first quarter but Canyonville narrowed it to 17-16 at the half.

Canyonville's Tigers went out in front momentarily early in the third quarter when Armstrong stole the ball and dribbled in for a lay-up. However, nearly four minutes were scoreless up to that time.

Davis, substitute forward for the Irish, cut this short by tossing in two quick ones to give Riddle a one-point lead at the end of the third period. From there on, the lead lengthened to 11 points before the final three-point margin.

Topping first game scorers was Hendricks, with 14. Covey, Canyonville center, garnered ten points for the Tigers.

Wrestlers And Black Bear To Vie In Big Battle Royal

This will be tops among exhibitionists and in showmanship—four leading professional wrestlers and a Canadian black bear competing in a "battle royal" for a \$200 purse—or the equivalent in berries and fresh salmon.

The mat show, scheduled at the Roseburg Armory arena Saturday night, is certain to attract a capacity crowd, and maybe a record-breaking attendance. It's never been attempted before.

Gus, the 440-pound wrestling bear, will vie in the free-for-all against such talented matmen as Al Szasz, coast junior heavyweight champion; Paava Katonen, Finnish veteran; Tony Ross, the fistic-minded Ohio villian, and Ted Bell, the sensational New Jersey stylist. There will be two matches to follow, the second and third competitors in one one-fall bout, and then the two finalists—man or bear.

A one-fall opener, starting at 8:30 p. m., will match Andy Truman, of the Border Patrol, against Billy Fox, talented matman and owner and trainer of Gus.

Elton Owen will referee the entire program.

Glide Defeats Yoncalla For Playoff Chance

The Glide basketball five fought their way into the north half Douglas county B league finals at Drain last night by handing Yoncalla a 48-39 loss. Drain, which drew a bye in second round action, will meet Glide tonight for the north half crown and the role as opponent for Glendale, south half champ.

In the preliminary game, Oakland ran past Elkton, 48-25, for the right to meet Yoncalla for the consolation award. Yoncalla bested the Oakland crew, 30-25, in the opening round of play Thursday.

In one of the roughest contests played in the north this season, height counted most for Glide as Yoncalla big men were waved to the bench on personal fouls. In all, 43 personals were called, Yoncalla being charged with 23 personals and Glide with 20. Three players from each squad were banished.

Glide looked good in its first tournament appearance, with the team ball-handling singled out for honors, as well as the smooth-working guards who shined on fast breaks.

Eaton and Helms, who scored 11 and 12 points, respectively, were sparkplugs of the winning Glide crew. High man for Glide was the forward, Harvey, with 14 points. Rust, Yoncalla center, dropped 15 through the hoop for team honors.

The first game featured a last half scoring spree between two Oakland boys, with Hill, forward, and Rice, range center, dropping in 22 and 20 points, accounting for all but six of their team's winning total. Cheever scored 7 for Elkton. The Elkton cause was hampered by personal fouls, with three first-stringers lost via the foul route.

Tonight's final round will see Drain and Glide gain top billing for the championship and Yoncalla and Oakland tangling in the opening game for consolation award.

Contrary to practice in the south half of the county, entry into the final county championship games need not include both Drain and Glide, ranked first and second after tonight's play. The third place squad, decided tonight in the Yoncalla-Oakland game, may challenge the loser of the Drain-Glide contest to decide which will meet Days Creek, runner-up in the south.

Braves Beat Indians For League Tieup

Reedsport Wins 52-43 To Give Roseburg Its First League Defeat

The Roseburg Indians lost their first league game this season last night on Reedsport's new \$275,000 gym floor by a 52-43 score, after battling to within two points of tying the game shortly after the fourth quarter got under way.

Reedsport will share the Douglas division championship, with Roseburg and a trophy will be presented to each team, but the Indians won the toss that decided the seeding in tournament play, which starts here Tuesday, Feb. 21.

Roseburg will draw a bye the opening night. Myrtle Creek plays Sualaw starting 7:30 and Sutherlin and Reedsport battle it out starting at 8:30.

The Braves took a quick lead, held it 11-9 at the quarter mark. Jack Pinion, Brave guard, kept the winners in the ballgame with a game total of 22 points. The speedy three-sport star athlete was the keystone in the Reedsport offense.

Behind 31-26 at the three-quarter mark, the Indians suddenly started hitting, closed the gap to a 32-30 Reedsport lead inside two minutes. But Roseburg's ace center and backboard man Frank Olson dropped out on fouls. The Indians lost control of the boards and the ballgame went back to Reedsport.

Roy Van Horn did a superb job defensively. He wasn't budged offensively either. Coach Jack Newby related Van Horn checked the usually high-scoring Don Leggett right out of the ballgame, in the meantime, racked up 10 points.

Kee Briggs and Van Horn did good work with Olson under the baskets while Ronnie Strickling was high man on the Indian club with 13 points.

Larry Freeman, who is home sick with acute tonsillitis, was missed from the lineup. He was taken ill Tuesday, and isn't out of bed yet. Coach Newby said, Newby reports Freeman is getting better, however, and hopes he's back in school in time for tournament action.

Cougars Win; Idaho Vandals Beat Oregon

(By The Associated Press)
The largest crowd of the season—12,000 partisan fans—saw the Washington State college Cougars increase their Northern Division Pacific Coast conference basketball lead to a game and a half last night.

The Cougars went in front early at 5-4, stretched their margin as high as 14 points a few times, sagged at the three-quarter mark, then rallied to score a 54-46 victory over the University of Washington Huskies in Seattle.

Idaho State college moved into second place ahead of the once dominant Huskies who must come back against the Cougars tonight or kiss their title hopes goodbye.

In the division's other contest, the peppy University of Idaho Vandals shoved the University of Oregon Ducks into the cellar with a 53-47 decision on the Ducks' own floor at Eugene.

At Eugene, Idaho led most of the contest, but got a late-second-half surge before the two-minute rule assisted in putting a wingclip on the Ducks. The merry Vandals had rolled to a 27-18 half-time lead. Then the Webfoots ranged in on the target and managed to tie it up at 40-all with nine minutes left.

Bob Friant, Idaho forward who led the Vandals with 15 points, southpawed one from outside the key to start Idaho toward a 48-43 lead going into the last 3½ minutes.

Oregon's guard Jack Keller bagged three points to narrow it to 48-46, then missed a free throw in the last two minutes and Oregon lost the ball. Idaho kept possession and flipped in five straight foul shots.

Oregon's Will Urban topped the scorers with 16 counters. The same teams play out their series tonight at Seattle and Eugene.

LOS ANGELES, Feb. 18.—(AP)—California meets UCLA and USC tomorrow night in a pair of basketball soirees which portend further disaster for the Bay area quintets if there's any resemblance to what went on here last night.

The Bruins, now leading the Pacific Coast conference Southern Division race with a 6 and 1 record, registered their 25th straight victory on the home floor last night by dumping Stanford, 69 to 59.

At the Pan-Pacific auditorium, meanwhile, USC's Trojans avenged themselves of a humiliating upset last week by smothering California, 61 to 34.

Oregon Blamed For Its Shortage Of Teachers

PORTLAND, Feb. 18.—(AP)—Oregon has only itself to blame for the shortage of teachers in grade schools, the national president of the AFL Teachers' union said here.

John Eklund, Denver, commented that the "dual system of teacher training" is a "relic of the dark ages."

"You are restricting yourselves and penalizing your children by not being able to draw teachers from the best qualified graduates from all institutions of higher education," he said.

In the Oregon system, grade school teachers are trained at three colleges of education; high school teachers at Oregon State college and the University of Oregon.

Eklund said all teachers should get at least four years of broad academic training, plus some specialized courses in teaching. The dual system makes a student choose between elementary and high school teaching before he knows which he prefers or is best fitted for, Eklund added.

Chinese Red Leaders On Way Back Home

MOSCOW, Feb. 18.—(AP)—Chinese Communist leader Mao Tse-tung and Premier-Foreign Minister Chou En-lai were headed back to their homeland today after a two-month visit in the Soviet capital.

Behind them was the signature of the 30-year Soviet-Chinese treaty of friendship which was declared in Moscow to have allied the "two greatest countries in the world."

Before departing from Moscow's Yaroslav railway station last night, Mao said over a microphone: "It is plain to all that the solidarity between the great Chinese and Soviet peoples, sealed by the treaty, is permanent, indestructible and firm."
