Churchill Raps Soviet War Errors But Praises Its Ultimate Resistance

NEW YORK, Feb. 20.—(AP)—Russia's leaders displayed "amazing ignorance" and vanity, says Winston Churchill, when they failed to prepare for Nazi Germany's attack in 1941.

However, Churchill credits Russia's ultimate resistance with cracking the might of the German armies.

In the latest installment of his war memoirs, now appearing serially in Life magazine and the New York Times, Britain's wartime prime minister writes:

"War is mainly a catalogue of blunders, but it may be doubted whether any mistake in history has equalled that of which Stalin and the Communist chiefs were guilty when they supinely awaited the fearful onslaught which impeded on Russia."

"We have hitherto rated them as selfish calculators. In this period they were proved simpletons as well. Stalin and his commissars showed themselves at this moment the most completely outwitted bunglers of the second world war."

Truman On Socialism Road, Senator Byrd Says

WASHINGTON, Feb. 20.—(AP)—Senator Byrd (D.-Va.) said that President Truman is traveling "a non-stop, high-speed highway to socialism" with his "fair deal" proposals.

Byrd voiced the first Democratic criticism of Mr. Truman's Jefferson-Jackson dinner speech Friday night as Republicans challenged the President to take the issue of Socialism to the polls in November.

Byrd said the President was adding insult "to the injury already done our intellect by Truman proposals and propaganda."

The Virginia senator, who has opposed the President's spending program, said the country will be "irrevocably committed to socialism" if three administration proposals are adopted by Congress.

He listed these as (1) the "socialized medicine" of the President's compulsory health insurance plan; (2) the "socialized agriculture" of the Brannan farm subsidy payment plan and (3) the "extension of socialized housing."
