KDND

FOREST GROVE, Oregon—Fight finalists in the famed All-Northwest Barber Shop Ballad contest will be heard by radio listeners of Roseburg over KRNR this coming Sunday evening, February 26, at 8:30 o'clock. The Mutual Broadcasting system is airing the eight top quartets of this fourth annual competition at Forest Grove on its nationwide network from coast to coast. This is the second year MBS has carried a half-hour broadcast of finalists in the competition. The broadcast will be released through station KPJ, Portland. During the two days' competition, the city of Forest Grove turns back the clock to the Gay Nineties. The community is decorated for the occasion and is literally smothered in harmony. Quartets will not only sing from the auditorium stage but on street corners and in downtown stores and cafes. The event is sponsored by the Forest Grove Gleemen, a non-profit civic male chorus. Quartets entered to date hail from Seattle, Corvallis, Bonanza (Ore.), Tacoma, Everett, Arlington, and Portland (Sunday, 8:30-9:00 p. m.).

TONIGHT: Ruby Goldstein, boxing referee, and track star Fred Wilt join the regular "Sports for All" panel as guest experts (8:30-8:55 p. m.). The three adventuring "I Love a Mystery" heroes travel to San Moreno in a new adventure titled "The Tropics Don't Call It Murder" (10:00-10:15 p. m.). The United States Navy commissioning ceremonies for the local Naval Reserve unit being held tonight at the Douglas County fairgrounds will be broadcast over KRNR tonight (11:00-11:30 p. m.). Naval Reserve chief for the Roseburg units is Commander Walter S. Mallory. Visiting naval dignitaries from Seattle will also participate in the ceremonies.

BENEFIT BOX SOCIAL

The general public is invited to a box social, sponsored by the Myrtle Creek Saddle Pals, Saturday at 8 p. m. at the Myrtle Creek Grange hall.

Admission only is for the women to bring box lunches. Various games and dancing are planned. The proceeds will be used to improve the rodeo grounds and Saddle Pals facilities.

Winston

By MRS. GEORGE BACHER
Senator and Mrs. Thomas Parkinson of Winston entertained Mr. and Mrs. Ed Sala and daughters, Marilyn and Dianne, of Portland, over the weekend. Mrs. Parkinson is Sala's sister and Parkinson owns and operates Parkinson's Food store in Roseburg in addition to his duties as an acting senator of Oregon. The Parkinsons have purchased the late Dr. George J. Bacher ranch in this vicinity.

Mr. and Mrs. H. R. Harrison returned to their home in Winston this week after a vacation in Portland. Mrs. Harrison has resumed her duties as co-owner of the Fashion Center.

J. K. Masters this week took a leave of absence from his position at the Veterans' administration hospital in Roseburg, where he is employed as a clothing storekeeper, in order to begin pruning of his commercial orchard in Winston.

Mrs. Chelsea Browne and daughter, Cheryl, and son, Chelsea James, are visiting at the H. A. Winston home this week. Mrs. Browne is the former Beverly Winston, daughter of Mr. and Mrs. H. A. Winston. She and her husband resided here before moving to Portland, at which time Browne was co-owner of a lath mill south of Roseburg.

Howard Lengele has purchased highway frontage from Mrs. Clell Holtean. This is to be the future site of Howard's Hardware, which is temporarily located in the Sukdorf building next door to True's grocery in Winston. The new store will be located between Markham's Toy Shop and Franny's Beauty Shop at the intersection of highways 99 and 42. Blueprints have been drawn up for a building some 50 by 60 feet, and construction will get underway as soon as weather conditions permit, Lengele said.

The Myrtlewood Treasure House and Malt Shop, located on Grape avenue in Winston, is closed this week for repairs. This shop is owned and operated by Mr. and Mrs. Al Dotson, formerly of California.

Winston is undergoing another "boom," residentially speaking. Three new model homes are being added to the area known as Winston section, with one nearing completion and the other two well underway.

Mr. and Mrs. Dale Williamson, recently of Sweet Home, have moved in to occupy their new two-bedroom home. It has been completed except for "finishing touches." Williamson is foreman for the Associated Plywood mill in Green valley.

Framework has been completed on the two-bedroom home which is soon to be occupied by Mr. and Mrs. Isaac James and son, Jesse. At present they reside in Melrose where James is a carpenter contractor.

The cement foundation has been laid for the third house which belongs to Mr. and Mrs. Jesse James of Roseburg. They have operated the James' Gardens in this vicinity for the last few years and will continue to do so in the future, James said.

These three sites were purchased from the county and lie adjacent to the Harry Winston orchards.

True's Grocery, owned by Mr. and Mrs. Frank True, recently underwent considerable expansion. A wing was added on the north side of the building making room for a meat market operated by Larry Delaney of Roseburg. Further changes are in the offing, True said.

The Trues have hired additional clerks which makes it possible for them to remain open seven days a week instead of six. Beginning Sunday, Feb. 26, they will be open for business, 10 a. m. to 6:30 p. m.

Mr. and Mrs. True and daughter, Suzanne, came here to go into the grocery business when Winston

was still "young." It was known as Coos Junction at that time. Previously they resided in Coos Bay where True was employed with his father, who has a retail grocery.

Pfc. Paul Holtean arrived at the home of his parents, Mr. and Mrs. Clell Holtean, Monday, Feb. 20. He expects to be here on furlough until March 1. Holtean has been stationed at the San Antonio air base in Texas but will be transferred to another base in Texas upon his return to that city. He has recently been promoted from the rank of private to Pfc. and reports that he "likes the Army very much." He enlisted some time ago for a four year period.

NEW FLOAT DOH DINNER ROLLS

FLOAT DOH DINNER ROLLS

Besides 3 1/2 cups Fisher's Blend Flour, sifted and measured—you'll need:

1 cup lukewarm water	2 cakes compressed yeast,
1/2 cup melted shortening	or 2 packages dry granular
2 teaspoons salt	1 egg
1 tablespoon sugar	Yield 18-24 Rolls

Now—you can make DINNER ROLLS by the Float Doh method... an adaptation of wonderful Old Country baking by Mary Mills, home economist for Fisher's—"America's Finest Flouring Mills."

These rolls are different. They're light and tender, with a distinctive flavor and delicate crispy crust. Here's how you make them:

1. Sift and measure all-purpose Fisher's Blend Flour.
2. Mix lukewarm water, melted shortening, salt, sugar and yeast. Add egg and mix well.
3. Add 1/2 of flour and beat. Add remainder of flour. Do not knead this dough.
4. Take a clean flour sack or food-saver plastic bag. Dip it in cold water and wring out dry. Lay it flat on table and dust with flour. Put dough in center, bring corners of sack up and tie loosely. Leave plenty of room for dough to expand.

5. Fill a good-sized container with about 3 quarts of lukewarm water. Drop dough in carefully. Set aside to rise. It will float when ready.

6. Lift dough out of water carefully and turn it into a bowl. You will have to scrape dough from cloth. Place a spoonful of dough into greased muffin pan. Sprinkle with poppy or sesame seeds if desired.

7. Set aside in warm place to rise for about 1 hour, or until double in size.

8. Bake in a 425° F. oven for 20 minutes.

Serve Float Doh Dinner Rolls at family and company dinners. Make plenty. They'll be popular. Be sure the flour you use is FISHER'S BLEND. There is no better flour made for your kitchen.

* One of a family of Mary Mills "Float Doh" recipes.

FISHER FLOURING MILLS COMPANY... SEATTLE

HEATS FAST

A SNAP TO CLEAN
WON'T BURN THRU

REVERE TEA KETTLE

Won't burn through. Especially desirable in hard water areas. • Made of solid copper, best heat conductor of kettle metals. • Chrome plated with intermediate plating of nickel for durability. • Bottom in natural copper as such a surface heats faster. • You can fill through spout which also provides good pouring control. • Cover snaps into place—won't fall off when you pour.
