Fullerton Dads club will hear Attorney Daniel R. Dimick talk on "Our Children, the Courts and Jails" Monday at 8:15 p. m. at the schoolhouse. The club will also hold election of officers. Lloyd Hayes, acting secretary for the club, reported today.

### Attorney Dimick Has Made An Intense Investigation Of What Happens In Courts And State Institutions To Juvenile Law Breakers In Oregon.

His discussion will be of considerable interest to all fathers attending.

All but six of the 625 seats in the next house had been decided last night when the vote-counting stopped for the weekends. An untouched record of 84 per cent of Britain's qualified electors had cast a total of 28,582,901 votes.

The results so far give Labor 314 seats, Conservatives 294 seats, Liberals eight, Irish Nationalists two, independent Liberal one and one seat to the neutral speaker of the house.

Results from five districts in Scotland will not be reported until Monday. Three of these are normally conservative. The sixth district still unreported—in Manchester—will not vote until next month, because of the death of one of the candidates.

The two officials held secret meetings yesterday with John L. Lewis and his aides, but apparently nothing came of the talks with the United Mine Workers leader. Lewis left later for Springfield, Ill., to attend the funeral of a brother. His absence from the coal negotiations was a further dampener on prospects for a coal contract.

Some operators said there wasn't a chance of the negotiations getting anywhere with Lewis away. In his absence UMW Vice-President Thomas Kennedy was the top union negotiator.

The union will go on trial before Federal Judge Richmond B. Keach to face charges of criminal contempt Monday.
