Leather Craft Classes Get Underway Tonight

Leather craft work will be carried on in the YMCA craft classes, held every Tuesday this month at 7:30 p. m. in the junior high school industrial arts rooms. Chuck Allen will conduct the classes. Any adult interested in work with leather and willing to teach this skill to youngsters, after he has learned it himself, is invited to attend these classes which start tonight.

WRONG 'SURGERY' TYPE

GLENDALE, Calif. —(AP)—"I've broken my leg," explained Wendell Holmes Teat, 53, when police found him lying in the street. He was rushed to physicians and surgeons hospitalized but when the doctors examined him, they withdrew from the case and called a carpenter. Police said Teat forgot to mention that the leg was wooden.

Winston

By MRS. GEORGE BACHER
Mr. and Mrs. Archie Moore and son, Dean, spent Wednesday evening at the home of Mr. and Mrs. C. E. Bowman of Winston. The Moores are ranchers in the Roberts Creek area.

Mrs. J. F. Wiles, secretary of the Mrs. J. F. Wiles Rabbit Breeders association, made various business calls in the community Wednesday. Mrs. Wiles regularly assists local growers in getting their rabbits on the market at the proper time.

Over the weekend Mr. and Mrs. Ben Benson were guests in the home of Mr. and Mrs. Al Dotson and son, Larry. On Saturday evening the Dotsons entertained with a carnisia in honor of their guests, who returned to their home in Tiller Sunday afternoon. The Bensons are ranchers in that area.

Among those attending the banquet given in Grants Pass by the

Watkins Products, Inc. Monday evening were Mr. and Mrs. H. A. Cummins and Mr. and Mrs. J. F. Wiles.

Carl Bowman spent Friday visiting Elmer Boyer, a patient in Mercy hospital. Boyer, who has been seriously ill with pneumonia, is reported to be recovering satisfactorily. It is expected that he will be able to return to his home in Tenmile within a short time.

The county road grader, manned by members of the county road crew began repairing damage done by the January storms on Poplar drive Friday. Damage was comparatively slight this year, much less than in 1949. This road, as well as most other outlying roads

in this vicinity, has recently been paved and is mostly "storm proof." Only in one or two places were buckles noted because of the "unusual" weather.

Mr. and Mrs. Earl Jackson and baby son, Dennis Lee, visited Friday in the home of Mr. and Mrs. George W. Bacher. Mrs. Jackson is the former Blanche Alcock of Roseburg and lived here until she accepted employment as a teller at the Myrtle Creek bank. After her marriage she and her husband became licensed brokers and opened a real estate office in Tri-City.

The U.S. Department of Agriculture reports a trend among low-income families toward eating more meat, poultry, fish and eggs.

Indians in Fold

TUCSON, Ariz., March 7.—(AP)—All the Cleveland Indians, including pitcher Bob Lemon, were in the fold today, signed contracts and all—but Orestes Mino, the crackling Cuban, was still missing from camp.

The five-foot, eleven outfielder was due to arrive definitely on Sunday. Traveling secretary Spud Goldstein now believes an airplane strike has delayed his departure from Cuba.

BIRD MEETS SET

WASHINGTON, March 6.—(AP)—The U. S. Fish and Wildlife Service is taking its migratory waterfowl problems to the public.

Albert M. Day, service director, held a series of meetings will be held in key cities to explain the winter waterfowl inventory and the spring and summer breeding ground surveys and to show how they affect hunting regulations. The meetings include Portland, Ore., May 22.

MELROSE SEES SNOW

Another new ski of snow appeared on the Coast Range mountains above Melrose Monday. Large patches of last winter's heavy snowfall are still to be seen. The first snow appeared New Year's day, and there has been snow in the mountains since.

MRS. COOGAN 3RD TO SUE

HOLLYWOOD, March 7.—(AP)—Jackie Coogan's third wife says she will file for a divorce soon. "Things reached a climax after Jackie's recent trip to Germany," said Mrs. Coogan, the former Ann McCormick. "The baby and I are staying temporarily with Donald and Gwen O'Connor." The baby, Joanne, is 2.
Coogan's first wife was Betty Grable. His second was Flower Parry.

Gives you that new car feeling!

The gasoline that's Super-refined to remove power-robbing gum!

You don't have to let gummy gas make your car a traffic hazard... When Chevron Supreme Gasoline is both clean and Super-refined!

... Get a tankful, and hang onto your hat... for it's really full of pep, miles and power!

It may surprise you, but when your car pokes along, getting in the way of traffic, it's often because gum is sticking up its engine. Most raw gasoline contains impurities that form gum, and the only way to get them out is to refine them out. Chevron Supreme is the gasoline Super-Refined to remove engine-sticking gum. Try it for power...and for full mileage in the kind of driving you do. You'll get that "New-Car Feeling," too.

We take better care of your car

let's get the facts STRAIGHT!

Mercury and only Mercury was the Sweepstakes winner in the Mobilgas Grand Canyon Economy Run at 26.52 miles per gallon.

Some of the cars which have been making "me too" claims didn't even come close.

If you've been reading the "victory" statements made by various automobile manufacturers claiming to have won the Grand Canyon Economy Run, you're probably pretty well confused.

And we can't blame you—a bit. Everybody's trying to get into the act. Mercury's act.

It's true some other cars did take certain "class" prizes. But the grand prize... and the Sweepstakes Trophy... went to Mercury—and to Mercury alone. On a pound-for-pound basis—the basis upon which the American Automobile Association judged this famous economy test—Mercury outperformed every other car entered. That's right, every other stock model car entered—regardless of price, size or horse power.

Mercury's actual mileage figure was a big, juicy 26.52 miles per gallon! And that over the world's toughest 751 mile course at an average speed of more than 41 miles per hour. And how did a car the size of the big new Mercury do it? Mercury's gas-saving Touch-O-Matic overdrive helped—and so did careful driving.

But let's not overlook the main fact. The 1950 Mercury won because it was built to be thrifty. We've been bragging to folks around here about the amazing efficiency of Mercury's "Hi-power compression" and new "Econ-o-miser" carburetion—and it sure looks like we weren't kidding.

But don't just take our word for it. Come in and drive the new Mercury yourself. See what it's like to set your hands on a real Grand Prize winner.

And don't put off that pleasure until "tomorrow." Do it today!

Drive America's No. 1 economy car—the 1950 Mercury!
