### Fire Razes Old Church; Pet Monkey Suspected

KLAMATH FALLS, March 9.—
(A?)— The old Keno church is in ashes today and occupants of the structure blame the blaze on their pet monkey.

The church, located 13 miles from here on the Ashland highway, burned late Wednesday afternoon.

It has been used as a residence by the Fritz Hollemons family since a new church was built several years ago. The Hollemons have a pet monkey, several dogs and a canary as household pets.

The Hollemons were away from home visiting friends when the fire broke out.

Firemen opined the monkey had gotten its impish paws on the kitchen match box.
