### SOUTH DOUGLAS CLUB HEARS HISTORY OF SCOTTSDURG AT BESS CLOUGH RESIDENCE

"History of Gardiner and Scottsburg" was the subject chosen by Mrs. Guy McGee for Oregon history at a recent meeting of the South Douglas Study club held at the home of Miss Bess Clough near Canyonville. The history covered a period from 1852 to 1950 and was centered around the Hinsdale and Jewett families, who were founders of the first banks at Coos Bay and Gardiner, and the first telephone company. They are also noted for having established the mill and lumber industry in the lower Umpqua region.

Mrs. McGee was the daughter of the late Frank Sagabard of Gardiner. He worked for the navigation company which the Hinsdale family operated. Many Roseburg readers will remember how they made vacation trips to South Beach, to Scottsburg by train and stage, and then by boarding the boat "Eva" to the popular beach. Mr. Sagabard navigated that boat.

Current events were given by Mrs. Cecil Connor. Her subjects included weather, lookouts, relations with Bulgaria, changes in postage rates, the coal strike and the Mardi Gras.

Mrs. Wade Worthington gave an interesting account of her trip to New York City and Washington D.C., with highlights related along the way.
