The main project of the state federation is the occidental scholarship that they help from all countries of the universe. Chinese nursing is also a project at Oregon State college. Mr. Halverson, scout leader of Sutherlin was introduced and gave a talk on what it meant for the boys to go to the Scout Jamboree at Valley Forge in June. He stated that three boys from Sutherlin, Ronald Elliott, Ronald Stribbling and Chuck Eynart, had earned their share of money for the trip. The balance was to be raised by the American Legion.

The boys will spend one week enroute. They first will go to Eugene where they will board a special Scout train and will travel south spending a day or so in California; thence to Denver, St. Louis and spend two days in Washington, D.C., where they will visit the White House. From there they will go to Valley Forge and spend one week in Boy Scout activities.

From Valley Forge they will go to New York, Niagara Falls, into Canada and from there to Chicago as guests of General Motors. The Dakotas, Yellow Stone National Park, Spokane are included in this trip which will take three weeks to complete.
