

Rogue River Wins State B Title By Defeating Alsea

ASTORIA, March 13.—(AP)—The Rogue River Chieftains carried off their first state high school class B basketball title by defeating Alsea, 38 to 34, here Saturday night.

Garibaldi won third place, defeating Drain 48 to 41. Prairie City claimed the consolation playoff fifth place by dumping Monmouth, 62 to 45.

The champions from southern Oregon had to fight off a final quarter Alsea rally. After posting a 23-13 halftime lead, the Chieftains were in front, 28-22, when the third quarter ended. But with less than two minutes remaining, Alsea's underdog Wolverines narrowed the gap to two points, 36-34. But then they ran into a stone defense wall. Two free throws finished the victor's performance.

Both teams collected 13 field goals, but the Chieftains had dropped 12 of 20 free throws through the basket while Alsea made good on only 8 of 20 foul line shots.

aced. Forwards Gene and Glen De Puy each scored 5 points and the Rogue River attack was directed by Harry Frantz and Don Polivint had 7 apiece. Alsea's drive was a two-gun affair. Loren Sapp collected 15 points and teammate Delmar Stone had 14.

Garibaldi came from behind to win third place. Drain was out front 24-21 at the half, following a 13 point second quarter spurt. But the Garibaldi defense shifted tactics at that point. With Larry Duke and Irvin West leading the way, Garibaldi went in front 34-31 and moved to a 38-31 bulge. They were still ten points apart at the 48-41 finish.

Prairie City's Larry Pryse fired 28 points in leading his team to a 62-45 count over Monmouth. The Panthers were never headed. After a 28-23 halftime, a third quarter drive left them in front 47-34, and they clung to the lead.

Veteran Player-Coach Scores Baseball School

TUCSON, Ariz., March 13.—(AP)—Too much schooling, reasons coach Al Simmons, ruins a baseball player.

The former Philadelphia Athletics coach explained, "they (Rookie) attend baseball schools and are taught how to hit by a lot of old major league ball players who never hit over .250 in their lives. Whatever natural ability they have is ruined by instructors who make the kids change their batting stances to conform with some phony theories."

Simmons, who starred in both the American and National leagues, was one of the most unorthodox hitters in baseball history. But "foot-in-the-bucket style" and all, he held a .334 lifetime average for 20 years in big time ball.

Portland University Fans Seek Funds For Football

PORTLAND, March 13.—(AP)—Sports-minded alumni planned today to dig down for an estimated \$25,000 to keep Portland university in the college football picture.

School officials recently announced plans to drop the sport because of an expensive building program and lack of a suitable stadium.

The alumni said Saturday, however, they would meet on the campus tonight to draw up plans for continuance of the sport.

The shoe string financing does not contemplate keeping Coach Harry Wright, school officials said.

SAN FERNANDO, Calif., March 13.—(AP)—Manager Fred Haney, whose Hollywood Stars dropped a 9 to 3 verdict to a group of major league all stars yesterday, sends his charges up against the Los Angeles Angels tomorrow in another exhibition.

The Hollywoods couldn't seem to solve big league pitching as they collected eight scattered hits.

Dino Restelli and Roy Sievers homered for the major leaguers.

FULLERTON, Calif., March 13.—(AP)—Manager Bill Kelley, who still wears a satisfied smile over the 14 to 4 licking his Los Angeles Angels gave San Diego yesterday, sends his squad up against the Pittsburgh Pirates here today.

The Seraphs collected 16 hits off Padre pitchers Kewpie Barret, Red Embree and Mel Kneozovich. Red Barret and Dave Porto pitched six hit ball for the Angels, but they yielded home runs to Jack Graham and Harvey Storey.

PORTLAND WINS
ONTARIO, Calif., March 13.—(AP)—The San Diego Padres take on the Portland Beavers here tomorrow, and if Portland turns in a performance like it did yesterday against Sacramento, then the Padres are in for more grief.

Joe Falich and Joe Brovia homered for the Ports. Brovia was hit in the knee by a pitched ball, however, and will be sidelined for several days.

EL CENTRO, Calif., March 13.—(AP)—The San Francisco Seals and the Seattle Rainiers renew hostilities here tomorrow, with the Seals still smarting over a 5-3 drubbing they took from Seattle yesterday.

Jack Tobin homered for the Seals and Ralph Atkins poked one out of the park for Seattle.

Truman, Dusette Win Wrestling Team Matches

By CHUCK PLUMMER
Andy Truman and George Dusette defeated Tony Ross and Leo Wallick in a wild team wrestling battle at the armory Saturday night.

Ross took most of the beating, as when he got into trouble and went over to his corner to tag Wallick, Wallick wouldn't tag him. After the match, Ross went after Wallick and the two had a fight outside the ring, with Wallick apparently winning. Referee Elton Owen tried to pull Wallick off the bloody Ross, but Wallick then went after him and another fight started.

Ross and Wallick took the first fall as Ross applied his backbreaker to Dusette and pinned him after the two had taken turns hitting him. Dusette got revenge in the second fall, as he slugged Ross all over the ring, then tagged Truman, who won the fall with his famous rolling leg split and press. Ross had to fight nearly all of the final fall and was in plenty of trouble all the time, but Wallick wouldn't help him out at all. Eventually Ross had been beaten so much, he couldn't take more, so Dusette won the fall with a full-nelson.

In the 20-minute one-fall opener, Truman and Ross fought to a draw, and Wallick pinned Dusette, with a falling hanger's holds and a press.

DI MAGGIO'S HEEL BLISTERS
ST. PETERSBURG, Fla., March 13.—(AP)—Joe DiMaggio has heel trouble again—but it's not serious this time.

The slugging New York Yankees' outfielder came up with a blistered right heel—the same one which gave him so much trouble last spring—and was excused from the world champions' exhibition game with the St. Louis Cardinals yesterday.

Yankee Trainer Gus Mauch listed the case a minor one. Even Casey Stengel, the bombers' manager, is not worried.

"He could play tomorrow if it was improved, but naturally we're not taking any chances," Stengel said.

Doctors said DiMaggio would be back in action within two days. The Yanks won 7-1.

Phony Bid For Tariff Huddle Turns Faces Red

GENEVA, Switzerland.—(AP)—United Nations officials here, their faces a bit red, would like to get their hands on the guy who nominated the town of Piffelheim as the site of a world tariff conference.

The officials duly considered the nomination and circulated the nominating telegram as an official document. Then they tumbled to it: There isn't any Piffelheim, any more than there is a consul general named "Rott" to speak for it, or a famed watering place called "Bad Odor."

The officials had been assigned to pick a site for the tariff conference. Nominations came on behalf of Torquay, England, which was finally chosen, and a number of other towns. About 1,000 delegates from 40 nations will attend next September.

This was the telegram, from "Rott, consul general," which the U.N. officials circulated as an official document here:

"On behalf of my secretary foreign affairs propose Piffelheim as site 1950 tariff nominations.

"Piffelheim has unusual qualifications, namely no offices also no bedrooms. This has proved very effective, since work is done in open air this improving delegates' health. Recent conference on women's rights recently stimulated by long walks in forests.

"Also draw attention neighboring spa called Bad Odor whose waters very effective in relieving constipated protocols. With dismal climate, extortionate costs and prehistoric amenities, Piffelheim offers every inducement to complete conference rapidly."

Piffelheim got no votes.
