ALWAYS IN STYLE—It's a new season but Ted Williams' same old batting style is still the spring rage. Boston's four-time American League batting champion follows through in familiar fashion in Sarasota, Fla., training base of Red Sox.

Beavers Play Padres At Riverside Today

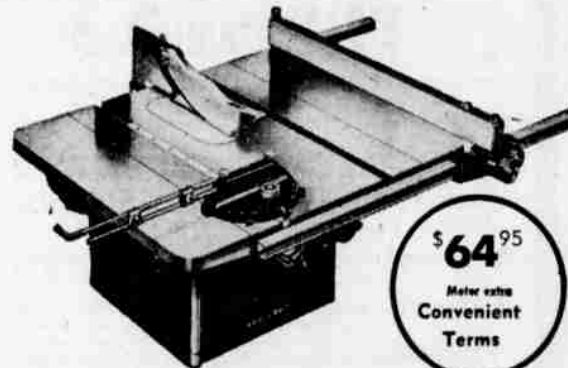

FULLERTON, Calif., March 20 —(P)—Cecce Garriott, whose seventh inning homer gave Los Angeles a 13 to 11 triumph over Portland yesterday, will put his batting power to the test of major league pitching today when the Angels take on the Cleveland Indians here.

One man was on base and the Angels were trailing by 12 to 11 when Garriott stepped up and parked one over the right field wall. For Portland, catcher Jim Gladd hit a triple with the bases full and a double; Mickey Rocco clouted a roundtripper with one aboard.

The Beavers play San Diego at Riverside today.

Bradley Sets Comeback Try Against Kansas U. Tonight

NEW YORK, March 20 —(P)—Stopped once by upstart CCNY, Bradley's unconvinced Braves start a comeback tonight that could lead to a rematch in the NCAA championship game.

The Bradley basketball team lost to City College of New York in the national invitation tournament title contest Saturday night. City College upset the top-seeded Braves, 69-61, to cap a sensational surge from the ranks of the unseeded.

But the Braves from Peoria, Ill., still are in the running for another national crown, the NCAA, as is CCNY. The NIT and NCAA tournaments are considered about on a par and each winner is considered a national champion.

Bradley will meet Kansas at Kansas City tonight for the district 5 bid to the Western National Collegiate Athletic association playoffs. If the Braves get by the Big

Y-League Trophy Hinges On Results Of Tuesday Games

Umpqua Pylwood's basketball five can claim the YMCA league trophy tomorrow night at the armory, by getting past the Christian churchmen in the late game of a scheduled double header.

Jaycees, who were bounced out of the top spot last week by the Plywood hoopers, must defeat the National Guardsmen in the first game, then hope that Plywood drops the second game to Christian church, in order to rate a playoff game for the second half championship.

The winner will be allowed to keep the trophy for a year. Any team winning it three times may retain permanent possession of it. The early game tomorrow night starts at 7:30. The late game is listed for 8:30. The public is invited.

NAMED COACH

SANTA CLARA, Calif., March 20 —(P)—Dick Gallagher, end coach and chief scout for the Cleveland Browns professionals, is new head football coach at Santa Clara.

Major League Training

MIAMI, Fla., March 20 —(P)—The New York Yankees are taking no chances with Joe Dimaggio, their \$100,000-a-year piece of bric-a-brac.

The Yankee clipper sat out his second straight game yesterday as the Boston Red Sox won their second of three exhibition games with the New Yorkers, 10-7.

Dimaggio picked up a charity horse against the Dodgers Friday. Rather than aggravate it, he didn't see any regular action although he took part in the warmup.

PHOENIX, Ariz., March 20 —(P)

—Manager Leo Durocher is eyeing the veteran Nap Reyes for possible infield utility duty with the New York Giants.

The bustling Cuban, who once understudied Bill Terry at first base, is showing the kind of hustle Leo likes. Jack Harshman is in line for the regular first base post but Reyes is looking handy around the bag. He played third yesterday in the exhibition game won by the St. Louis Browns, 10-8.

ST. PETERSBURG, Fla., March 20 —(P)

—Howard Pollet, who was a long time in coming to contract terms with the St. Louis Cardinals, made his first start in a game yesterday against Cincinnati, at Tampa, Fla. He was touched for the only Cincinnati runs.

The Cards won 4-2.

Red Munger, also making his first start for the Cardinals, retired nine of the ten men he faced. Ken Johnson gave up four hits in his four-inning stint.

PHOENIX, Ariz., March 20 —(P)

—The St. Louis Browns made four errors against the New York Giants yesterday, but they also hit four home runs to win a 10-inning game, 10-8.

Sherman Lollar greeted Giant pitcher Kirby Higbe with a homer in the tenth. The other home runs were by Dick Kokos, Chuck Grant and Kenny Wood.

SAN FRANCISCO, March 20 —(P)

—General Manager Frank Lane of the Chicago White Sox is still hopeful of obtaining first baseman Mickey Vernon from Cleveland.

At one time, Lane nearly closed the deal after the Indians' Hank Greenberg had declared Luke Easter, the giant negro, as the tribe's first baseman of his choice.

Manager Lou Boudreau said "Let's wait and see about Easter." The Vernon transaction then fell through.

The Sox have three first basemen on the roster—Charley Kress, Herm Reich and Gordon Goetz—berry—but not one of them has displayed the hitting and fielding steadiness desired.

FULLERTON, Calif., March 20 —(P)—If it's any consolation to Cleveland's Indians, pitcher Bob Lemon looked wonderful yesterday.

He hurled hitless ball to five innings and gave up only two walks.

As for the rest of the fumble-footed Tribesmen in on the 5-0 tasting handed out by the San Francisco Seals, that's another story. They committed eight errors during the nine-inning exhibition at San Francisco, handing the Seals four unearned runs as a gift.

So Lemon, who struck out four batters, yielded two runs on his team's errors, got charged with the loss. Mike Garcia, who followed Lemon on the mound, gave up five hits and three runs, but only one was earned.

His suspension was for failure to fulfill a contract, and was taken at the request of the Washington State Athletic commission.

First Christian, Episcopalians Fives Win Division Titles In YMCA-Church Hoop Play

The Episcopalians and the First Christians walked off with the championship trophies and the YMCA-Church league after torrid basketball tussles Saturday night at the high school gymnasium.

In both divisions, Frank Purdy's First Methodists lost after heart-rendering toil to the end. The Episcopalians won 28-27 in the B division, after swapping the lead with Purdy's Methodists in the second half.

The A division tussle which the Christians won 36-29, was a battle between four Methodist players on the court against the usual number playing for the winners. Two of Purdy's six suited-up players went out of fouls.

The Methodists led 22-8 at the half, and 29-16 at the three quarter mark, then lost their fifth man, with three minutes remaining. The Christians overtook and went ahead to win after that.

In the B game, the Episcopalians led all the way in the first two quarters, for a 15-12 margin at the half, but the Methodists

AAU Tourney Stars Shine At Beginning

DENVER, March 20 —(P)—George King, the nation's top college scorer, and other collegians held the national AAU basketball spotlight today, but their fling probably will be brief.

If past AAU performances held true, the college-bolstered team will begin falling before the seasoned favorites who go into action tonight, second night of the meet.

King flipped in 14 points last night with the Dayton, Ohio, All Stars as they routed the Kokomo, Ind., All Stars 99-53.

King in the past collegiate season rang up 967 points with the Charleston, W. Va., school for an average of 31.19 points per game. Both figures set new national single season scoring marks for college players.

The Toledo, Ohio, Cliff Nelson fuels team-matched a last minute victory from Regis college of Denver, 62-53.

Most of the 10 games yesterday and the 11 contests today matched college teams playing under their own name or under the banner of an AAU club. The Seattle Alpines go into action tomorrow.

Seeded teams make their first appearance tonight.

Today's pairings:

Dallas, Tex. (Hooker-Vandegriff) vs. Spokane, Wash., Inland Empire 66ers.

Portland, Ore. (Bradford Clothiers) vs. Hesston, Kas. (King Motors)

Houston, Tex. (Ada Oilers) vs. Seattle U Papooses.

gained the lead several times, before the end game.

Tiny Bobby Grey, Episcopalians guard and captain, capped scoring honors for the evening, with 17 counters. Other high scores included Myron Phillips, B Division First Methodist forward; Diz Burnett, A division first Methodist center and Gordon Gibbs, First Christian center.

Wallick Beats Ross In Finale

Leo Wallick, the Denver pile-driver, drove Tony Ross right into the mat for a KO Saturday night at the Roseburg armory, to take the main wrestling event, in a scheduled one hour two-out-of-three-fall go.

Wallick also took the first fall, after some fancy headwork—using Ross' head—then following up with a body press.

The Toledo Terror came back in the second heat and severely trounced Wallick with some shady maneuvers that brought howls of protest from the fans, but Wallick proved to be the master of the occasion in a torrid third fall.

Georges Dusette, ever popular with Roseburg mat patrons, took the early contest with a straight fall series over newcomer Johnny Pavich from Hungary.

Dusette utilized a headlock and full-nelson, respectively, to gain falls over his opponent.

LAST CHANCE GAS

22.07 MILES PER GALLON WITH MOBILGAS

—is the amazing average of 31 different makes and models of American cars participating in the famous Mobilgas Grand Canyon Economy Run.

Staged over a rugged 751-mile course between Los Angeles and Grand Canyon, the Mobilgas Economy Run demonstrated the power and mileage characteristics of Mobilgas—both regular and Special (premium) grades, as selected by the drivers of the 31 cars. All cars were certified strictly stock by the American Automobile Association.

As demonstrated in the tough Mobilgas Grand Canyon Economy Run...one of these two is best for you:

MOBILGAS—Most of the cars now in service, including many 1950 models, will give mileage, power and anti-knock performance—with outstanding economy—with Mobilgas. If you can knock on the gasoline you are now using...the money added by switching to Mobilgas Special (premium).

MOBILGAS SPECIAL—Cars with extra-high compression engines, or cars which knock due to poor mechanical adjustment, will perform better on Mobilgas Special. If you can knock on the gasoline you are now using...the money added by switching to Mobilgas Special (premium).
