Social Security Errors

May Stem From Worker

Errors in social security accounts sometimes arise because employees try to give their social security number from memory, according to Paul F. Johnson, manager of the social security field office at Eugene.

He suggested that Douglas county workers can protect themselves by showing their social security card to each employer, and seeing that the employer copies the number accurately. Lost cards will be replaced without charge.

A representative of the office will be in Roseburg at the city hall Tuesday, March 21, between the hours of 8:30 a.m. and noon to receive applications and answer questions about social security.

70-Year-Old Couple

Refuse Tax Deduction

SYRACUSE, N. Y., March 20. — (AP) — A 70-year-old couple has refused a federal income tax deduction for the opportunity to continue working.

Collector Frank J. Shaughnessy received a check for \$27 from the couple as their tax payment. Their identity was not disclosed.

Shaughnessy said the check would be submitted to the treasury as a contribution, instead of a tax.
