Pianist Presents Fine Recital At Baptist Church

Robert Hord, pianist and member of the University of Oregon school of music faculty, is being credited by Roseburg music lovers for presenting one of the outstanding piano recitals to be heard in this city. Hord presented his recital Sunday afternoon at the First Baptist church under auspices of the Friends of Music group, which was recently formed here for the purpose of sponsoring Oregon artists.

A most appreciative audience enjoyed the program, which opened with the First Chromatic Fantasy and Fugue by Bach and the famous 32 variations in C minor by Beethoven. Hord proved thoroughly at home with the most famous classics and completed this group by playing Fantasia Opus. 49 by Chopin. His group of modern numbers proved especially popular and included five Bagatelles by the English composer, Ferguson; Two Preludes by Debussy and Fairy Tales by the Russian composer, Medtner. Music lovers report Hord is a most mature musician, although still a young man. He is most pianistic and yet his playing is brilliant and colorful. He made impressive talks during the recital, which added interest to the occasion. His many encores included familiar numbers, which were enthusiastically applauded. Hord, who was graduated from Julliard college in New York, has done extensive concert work in the eastern and southern states, prior to joining the University of Oregon school of music faculty. He left this week to present a concert at Humboldt State college in California. The second of a series of three concerts to be sponsored by the Friends of Music group is dated for Sunday, April 16, at three o'clock at the Baptist church. The public is invited. No admission is charged as a free-will offering will be taken to assist in defraying expenses.

Sacramento Looks To Cubs For Aid

By BILL CONLIN (The Sacramento Union) ANAHEIM, Calif., March 21.—(AP)—Spring hopes of Sacramento Solons to repeat or improve their 1949 third place finish in the Pacific Coast league are centered on the club's new working agreement with the Chicago White Sox. The American leaguers already have furnished first baseman Steve Souchock on an outright sale and three pitchers — Max Surkont, off the Chicago roster; Bill Evans and southpaw Marv Rothblat, both from Memphis. But the Solons still can use infielders and more moundmen. Last year's Sacramento slub staff, which was generally rated with Hollywood's as the best in the league, was riddled at the end of the season. Ken Holcombe, an 18-game winner, went to the White Sox for \$25,000 cash. Bob Gillespie, a 17-gamer, was sold to Boston Red Sox. The Yankees recalled Don Johnson, who finished in a blaze as a reliever, and Brooklyn snatched Mal Mallette in the draft. Replacing this quartet is the big problem of Red Kress, in his freshman term as manager of the Solons and successor to Del Baker. Kress becomes the fifth Sacramento manager in as many years. Figured now as prospective Solon starters are Surkont, Evans, Rothblat, Orr Grove, Jess Dobernic, Frank Dassio, Jack Brewer and Rookie Merle Frick, who won 12 games last year in the Western international league at Wenatchee. Junior Thompson, purchased from San Diego, and holdover Dick Conger are available for relief, while other rookie hopes include Tom Rose, Gene Roenspie and Glen Lierman. The Solon catching look sound with veteran Bill Raimondi and Vince Plumbo back in form, plus Jim Steiner who returns from four years in Jorge Pasquel's Mexican Baseball league. Sacramento will have batting power in the outfield with Joe Marty (327), Al White (.286) and Ralph Hodgin (.311) in the front line. A four-gamer, who will see lots of action is 22-year-old Ted Del Guercio whose General Manager Jo Jo White purchased during the winter from the Boston Red Sox chain. He was picked on the All-Eastern league team in 1949 while performing for Scranton. The Solon infield, which may be the club's weak spot, has Souchock slated for first, Jim Tabor back at third and Len Ratto returning to shortstop. Don Johnson, 38, acquired as a free agent after being released last summer by Chicago Cubs, is the first line of defense at second base.

Four Deaths Thought Due To Poisoned Alcohol

CLEVELAND, March 21.—(AP)—Four men have died in the past two days from what police believe was the drinking of poisoned alcohol. Three of the victims died last night. The earlier death already has been blamed by Coroner Samuel R. Gerber on wood alcohol. Held by law agents today was a 50-year-old vagrant who police think brewed the fatal mixture. Two policemen, disguised as beard-bums, arrested him yesterday after paying him 91 cents for two pints of "smoke," a cheap alcoholic mixture.

Boulder Breaks Telephone Lines

A huge boulder fell Saturday night into a crevice directly over the Elk creek tunnel, on the Drain-Reedsport highway filling the crevice completely and breaking the long distance and local telephone lines that for years have been located there.

Old-timers remember that steps were carved out of a giant fir tree at the bottom of the bluff and the solid rock face of the bluff leading into the crevice by the late Lincoln Hancock.

Many persons remember using this short cut over the mountain. The Elkton Telephone company's lines go through this route as it cuts off several miles and the lines were easily accessible. Now it has become necessary for the telephone company to establish a new route over the mountain.

Persons who climbed the mountain Sunday to observe this strange occurrence report that if the rock had broken loose six feet farther up the bluff, the boulder would have fallen directly over the west entrance to the tunnel, and would have closed the tunnel or done great damage to it.

Doctors wore crosses on their clothing during European plague epidemics of the Middle Ages.
