ADVISES US

against the use of over descriptive phrases in our advertising such as "beautiful setting, choice shrubbery, must see part of town, well constructed, finest of built-ins, large rooms, moderate closets, adequate heat, 2 more huge bedrooms can be finished upstairs," and a host of other things.

However, we're inclined to use them all when describing this lovely home in Westmoreland. You will enjoy living there. Make an appointment to see it today! $13,500 with terms.
