

# McCarthy Challenges Trio To Start Libel Action

## WEARS GLASS SLIPPER

### Roseburg's Joan Rutter Wins Cinderella Contest

Miss Joan Rutter, 18-year-old Oregon State college freshman from Roseburg, Friday was acclaimed the Oregonian's "Quest for Cinderella" contest winner as the wearer of the glass slippers.

Joan fits her new role as the storybook heroine with almost fairylike precision, states the Oregonian. The fairy godmother in her case was Mrs. O. J. Feldkamp of Roseburg, who submitted the winner's picture and a letter commending her character without Joan's knowledge.

#### Wins Hollywood Trip

Of 25 finalists, selected from a field of more than 300 entries, she was chosen to receive the all-expense trip to Hollywood and a \$300 wardrobe to go with it.

A graduate in 1949 of Roseburg high school, she was yell leader and held many other honors at the school, as well as being head majorette of the Roseburg Drum Corps. At Oregon State, where she is taking a secretarial course, she was a homecoming princess last fall, is on the freshman rally squad and in the sextet at Snell Hall, and has now been selected as "Girl of the Month." Her grades have averaged above 3.00.

### Roseburg To Hear Barbershop Fours At Junior High

Roseburg's first review of barbershop quartet singing will be offered to the community tonight at 8 o'clock at the junior high school auditorium, with two male choruses and 11 quartets from four Oregon cities scheduled to appear.

Highlighted by the Forest Grove barbershop quartet contest winners, the Agony Four from Corvallis, the program will also feature the efforts of six Eugene quartets, two from Medford and Roseburg's two barbershop groups.

In addition to old-style songs furnished by these 11 foursomes, the audience will hear Eugene's 30-voice barbershop chorus and a similar group of 25 voices from Medford.

Of interest to the younger set is the fact that one of the Eugene quartets is composed of youths of junior high school age—proving, perhaps, that appreciation of barbershop style music is not confined to the older generation.

**Corps To Perform**  
During intermission of the two-hour program, the Knights of Pythias Girls Drum and Bugle corps will take the spotlight, performing three numbers under the direction of Billy Black. Tonight's show is being given to benefit the uniform and equipment fund of the corps.

Proceeds will enable them to replace old uniforms for the third time in the seven years the precision drill group has been functioning.

Tickets may be purchased at Billy Black's magazine stand in the Grand Hotel lobby, at Ken Bushey's Harmony House or at the junior high school auditorium tonight.

**Never Visited There**  
Joan has never been to Hollywood, in fact she has just barely been over the state border, in both directions.

Part of the treats in store for her will be being met at the airport by a limousine from RKO-Radio pictures, staying at one of Hollywood's famous hotels, trips through RKO and Walt Disney studios, radio appearances on NBC network shows and introduction to motion picture stars.

Joan's fairy godmother may some day become her fairy godmother-in-law, Cinderella's Prince Charming is Mrs. Feldkamp's son, Bob.

The youngest of a family of seven children, the rest all boys, Joan comes from a deserving family. Her father was injured several years ago, and the family lives on a pension. Joan worked through high school and earned most of her clothes and spending money. She thought college impossible, but an interested couple is helping her obtain her education.

Joan works in the co-op on the Oregon State campus and in the concession in the coliseum.

The finalists were screened Friday, in personal interviews and the winner was announced over the KGW-Hostess House broadcast. Each of the finalists were entertained at luncheon in the Multnomah hotel Rose Bowl.

## In the Day's News

By FRANK JENKINS

**It appears to be the Word on flying saucers:**

1. In Key West Presidential Private Secretary Ross says: "Neither the President nor members of his staff know of any such mysterious objects as a secret weapon of this or any other country."

2. In Washington, the navy says: (a) it has not developed any pancake-shaped jet planes and (b) it is not experimenting with any saucer-shaped missile.

**HATE** to have to say it, but in matters of this sort (and other matters affecting our governmental policies and procedures) NOBODY BELIEVES ANYBODY IN AUTHORITY ANY MORE.

We don't necessarily regard them as personal liars. We just assume

**Five Youths Killed In Train-Car Crash**  
COEUR D'ALENE, Idaho, April 8.—(AP)—Five young people were killed in a train-automobile collision early today.

The sixth youth escaped with minor cuts and shock.

Sheriff's officers reported the automobile in which the six were riding crashed into the engine of a Spokane International railway train. The accident occurred at a crossing three miles from nearby Rathdrum.

The automobile was demolished. Bones were strewn along the right-of-way.

Dead are Edward Duto, 21; Allen Manweiler, 21, and Le Roy Banks, 21, all of Rathdrum; Betty Griggs, 17, Coeur d'Alene, and Betty Buckenberger, 16, Trentwood, Wash.

Kay Olson, 17, Post Falls, Idaho, walked away from the wreckage.

### FBI-Wanted Man Caught In Florida

DAYTONA BEACH, Fla., April 8.—(AP)—The FBI tracked down one of its ten most wanted men through a bit of information gleaned from the check of a slain fugitive's automobile license.

Lee Emory Downs, 43, sought in connection with the \$10,800 burglary of a San Jose, Calif., telephone office in June, 1948, and his 25-year-old wife Patricia were seized at their luxurious house trailer in nearby Holly Hill yesterday.

They are charged with unlawful flight to avoid prosecution for the San Jose burglary, the FBI said. Downs was a known associate of Walter Lannon who was killed Wednesday near Mojave, Calif., while resisting arrest by the FBI and the California highway patrol, according to the FBI.

The Downs trailer, equipped with television and a piano, was brought to Holly Hill on Dec. 14, 1949. Downs and his wife joined him later.

When agents closed in on the pair yesterday, Downs was working under the vehicle and his wife was inside. Downs offered no resistance, although agents said he was armed. They also said six rifles, three pistols, ammunition, nine sticks of dynamite, and \$3,600 in cash were found in the trailer.

Downs and his wife were brought here for questioning by agents under the direction of Crawford Carter in charge of the Miami office of the FBI.

Agents said Downs had attempted to disguise himself and had bleached his hair to a light blonde. In Washington, FBI Director J. Edgar Hoover said Downs and two employees of the Pacific Telephone Telegraph company at San Jose on June 3, 1948, broke into the office and stole more than \$10,800.

Downs previously had been convicted in Idaho, Oregon, Utah and Washington state for burglary, the FBI said. Mrs. Downs, whose maiden name was Patricia Ruth McConnell, served a sentence at the Utah state penitentiary in 1945 for aiding a prisoner to escape, the agents said.

**Playing Cowboy Aids Young Hero In Boy's Rescue**

TOLEDO, O., April 8.—(AP)—Jack Gause, 12, was a hero today but he was too busy playing cowboy and Indians to pay much attention to fate.

The son of Mrs. Melvin Grove used rope throwing techniques he learned from wild west movies and resuscitation methods learned in the Boy Scouts to rescue a playmate yesterday.

Jack, Wayne Goodlive and two other boys were playing near a 10-foot excavation which had filled with water after construction workers left it.

Wayne, who is only eight, was pushed in. As his head bobbed up the first time, Jack threw his lasso and missed.

But the second time the throw was good and Jack caught one of the drowning lad's hands.

Tightening the loop, Jack waded into the shallow end of the hole and pulled the unconscious boy out.

Then he stretched Wayne out on grass and started resuscitation. "I almost lost my head then," he told a reporter.

"I was scared and started crying when I saw his head go down the first time."

After he revived in a few minutes, Wayne was taken home by Jack's just went home.

When a reporter from the Toledo Times called to see him he was out in the back yard hard at work at cowboys and Indians.

**Vic Micelli To Talk At Chamber Forum**

Victor J. Micelli will be the guest speaker at the chamber of commerce noon forum luncheon Monday at Hotel Umpqua, according to George Luoma, forum chairman.

Micelli will speak on "Community Service," basing his remarks on experience gained during many years work with civic, fraternal, service and veterans organizations. The public is invited to attend.

## JOY OF EASTER

### Great Cathedrals, Village Churches, Hilltops Await Message Of Risen Christ

The joy of Easter will be celebrated wherever Christians gather tomorrow, bringing to their hearts the ever-hopeful message of the risen Christ.

In the great cathedrals of the old world and the new, in village churches and at hilltop services, the devout will kneel once more to mark the miracle of the resurrection.

Millions will observe the occasion in other ways, too. It will be a day for fine dress, and flowers, and for children's games and Easter baskets.

**Celebrations Underway**  
Celebrations already were in progress in ancient Jerusalem, where nearly 20 centuries ago Christ suffered, died, and rose.

Bells thundered out their Easter messages from the basilica of the holy sepulchre, and from dozens of other churches, as thousands gathered to pray.

The peak of a colorful holy fire ceremony of Eastern Orthodox Christians symbolizing the rise of Christ from the tomb as the light of the world.

Eastern morning Protestant services in St. Andrew's in Jerusalem churchyard were to be broadcast by shortwave to the United States and Canada.

More than 100,000 pilgrims thronged the streets of Rome where the climax of the Easter observance will come when Pope Pius XII celebrates a pontifical mass in St. Peter's.

**Will Give Blessing**  
At its end, from the central Loggia of the basilica, Pope Pius will give his apostolic blessing to the city and the world.

In Washington, D. C., where the hopes of millions in the politically divided world are turned, 250,000 visitors are expected for the day. Many were there not only for Easter but also for the delayed cherry blossom festival.

A police in New York marshaled a force of 639 just to handle the Easter parade on fifth avenue—always a colorful event. Thousands wearing their most festive attire, radiantly through the midtown Manhattan area in the vicinity of St. Patrick's cathedral.

Resorts throughout the country looked for major business on the weekend.

**Hindu-Moslem Peace Boosted**

NEW DELHI, India, April 8.—(AP)—India and Pakistan concluded an agreement today aimed at putting an end to bitter strife between Hindus and Moslems in the two countries.

A communique announcing the agreement was issued an hour after Pakistan's prime minister, Liaquat Ali Khan, departed for his own capital at Karachi. The agreement resulted from seven days of discussions between Liaquat and India's Prime Minister Jawaharlal Nehru.

Details of the agreement, aiming at ending the communal violence which threatened to bring war between the two neighboring countries, were not made known.

The communique said the details would not be released until Monday, when they are to be presented to the parliaments of the two countries.

**L. A. Puckett Sentenced To 3 Years For Larceny**

Lawrence Arthur Puckett, 35, of Winston Friday was sentenced to serve three years in the Oregon State penitentiary on a charge of larceny of personal property over the value of \$35. Sentence was imposed by Circuit Judge Carl E. Wimberly.

The district attorney's information, to which Puckett pleaded guilty, charges him with the theft of four rolls of copper wire, the property of the Douglas Electric Co-operative.

**ARM AMPUTATED**  
Ward was received this week from Rochester, Minn., that Dr. L. M. Lehrbach, Roseburg physician, had successfully undergone amputation there of his entire left arm for a long-standing affliction. There has been no subsequent word of his condition. Mrs. Lehrbach is with her husband.

**INVENTOR DIES BROKE**  
BOSTON, April 8.—(AP)—George A. Long, 100-year-old once wealthy inventor, died penniless Friday in a small basement room.

Georgianna Long, 70, was at the bedside of her father, who in 1875 invented a steam automobile which with other inventions brought him fortune.

Long, who once paid thousands of dollars in taxes to the city of Boston, lost his home last fall. By reason of his steam automobile invention, Long was honorary president of the Automobile Old Timers, Inc.

## Hickenlooper Says Tydings' Stand Wrong

WASHINGTON, April 8.—(AP)—Senate investigators split on a stormy issue today—whether FBI records completely clear Owen Lattimore, accused by Senator McCarthy of being a Communist spy.

Any conclusion that the records do entirely absolve Lattimore is "unwarranted," said Republican Senator Hickenlooper of Iowa.

On the other hand, Democratic Senator Tydings of Maryland declared he is standing by his statement that the FBI data put Lattimore "completely in the clear."

Tydings heads the senate foreign relations subcommittee which is investigating the charges brought by McCarthy, Wisconsin Republican, against Lattimore, an American authority on far eastern affairs.

Hickenlooper is a member of the five-man inquiry committee, which two days ago heard Lattimore call McCarthy's accusations "base and contemptible lies."

When Lattimore concluded his sworn testimony, Tydings told him that four members of the committee—all but Hickenlooper—had been given a complete summary of the FBI's Lattimore file. Hickenlooper was out of town the day FBI Director J. Edgar Hoover and Attorney General J. Howard McGrath presented the analysis to the group.

Tydings told Lattimore it was the universal opinion of the committee members who were present and all others in the room—the names named Hoover and McGrath—that "there was nothing in that file to show that you were a Communist or ever had been a Communist, or that you were in any way connected with any espionage information or charges." Then Tydings added:

"So that the FBI puts you completely, up to this moment at least, in the clear."

To be known officially as a community dial exchange, the new Glide office will be fully automatic, with Roseburg as the control center.

Preliminary estimates indicate approximately 200 customers in the area will be served initially, according to Henwood.

Under the new system Glide customers will be able to dial local numbers directly, and will dial "O" for operator to place long distance and "assistance" calls. These latter calls will be answered and completed by operators in the Roseburg office, Henwood said.

The Glide conversion to dial will be the third in this area. The Oakland-Sutherland exchange was converted last Nov. 4, and the Camas Valley exchange is expected to be completed by April 25, said Henwood. Conversion of the Roseburg system is expected to get underway early next year. In the meantime negotiations are being made with rural telephone line cooperatives for either acquisition of their properties, or hookup arrangements for the dial system.

**INVENTOR DIES BROKE**  
BOSTON, April 8.—(AP)—George A. Long, 100-year-old once wealthy inventor, died penniless Friday in a small basement room.

Georgianna Long, 70, was at the bedside of her father, who in 1875 invented a steam automobile which with other inventions brought him fortune.

Long, who once paid thousands of dollars in taxes to the city of Boston, lost his home last fall. By reason of his steam automobile invention, Long was honorary president of the Automobile Old Timers, Inc.

**ARM AMPUTATED**  
Ward was received this week from Rochester, Minn., that Dr. L. M. Lehrbach, Roseburg physician, had successfully undergone amputation there of his entire left arm for a long-standing affliction. There has been no subsequent word of his condition. Mrs. Lehrbach is with her husband.

**Attorney Undecided On Wilson Defense**

VANCOUVER, Wash., April 8.—(AP)—Attorney Irvy Goodman scheduled more talks today and tomorrow with Utah Wilson before he makes up his mind whether he will defend Utah and his brother Turman against kidnap-slashing charges.

The brothers are accused of killing 15-year-old Ann Dewey, who was seized from the streets of Vancouver the night of March 19. Her body was found in the Wind river a week later.

Goodman, who has represented Turman Wilson in previous cases, earlier said he would announce his decision on this case today. But he said last night that he wanted to talk further with Utah.

The Portland attorney added that he had found evidence favorable to the brothers, who deny any connection with the crime.

**Californians Collide**

A collision two miles north of Myrtle Creek, involving vehicles operated by two California men, was reported today by state police.

Police said a northbound truck, operated by Thomas Albert Edwards, Montague, Calif., and a southbound coupe, driven by James Silva, Coite, San Leandro, collided at about 1 a. m. this morning. Neither driver was injured and damage to both vehicles was slight, state police reported.

They said both drivers claimed the other was on the wrong side of the highway at the time of the accident. No citations were issued.

**Deer Hunter Convicted**

## Diplomat John Service Also Rapped By Senator In Marine League Talk

PASSAIC, N. J., April 8.—(AP)—Senator McCarthy (R-Wis.) shook off his congressional immunity today and made new attacks on Owen Lattimore, Philip C. Jessup and diplomat John S. Service. He challenged them to sue him for libel.

McCarthy's latest accusations against the trio were considerably milder than those he originally leveled in the Senate, where he has constitutional protection from court action. Lattimore has called on the Wisconsin senator to make the same statements without cloaking himself in senatorial immunity.

**Speaks To Marines**  
In speech prepared for a meeting of the Marine Corps League, McCarthy said "I invite the individuals whose names I shall name to start their libel suits, if a single word I say is not true."

Then he proceeded to charge that: 1. Lattimore—"A man commonly known as the architect of our far eastern policy"—is "selling our State department" a program "identical to the plans in the platform of the Communist party."

He said this platform "will deliver vast areas of the world to Communist Russia."

2. The Institute of Pacific Relations—"An organization which Jessup once headed—cashed \$3,500 in checks 'representing Communist money'—and 'must be credited by the American people as having... originated the myth of the 'democratic' Chinese Communists.'"

3. Service was "picked up by the FBI in connection with the theft of secret government documents, but instead of being indicted, was later placed in charge of personnel in the State department's far eastern division."

Under immunity, McCarthy has told the Senate he can prove Lattimore is a Russian agent and a present or former member of the Communist party; that Jessup has an "unusual affinity for Communist causes" and that "the Communist affiliation of Service are well known." McCarthy repeated none of those charges today.

All three men have flatly and vigorously denied McCarthy's accusations in full.

The State department has denied the charges against Jessup, a top official who holds the rank of ambassador-at-large, and Service, who recently was called home from a consular assignment in India. It said Service was cleared in the secret-documents case McCarthy mentioned.

O Lattimore, the department has said he was associated with it only briefly about five years ago.

**Cold Weather Heads For East**

By The Associated Press  
A mass of Canadian cold air is sweeping across the Great Lakes, bringing freezing cold this Easter Sunday to the northeastern part of the country.

The weather bureau issued cold wave warnings this morning for Ohio and New York.

The special bulletin said: Cold wave warnings were issued this morning for northern Ohio and western New York. Windy and turning colder today and becoming much colder tonight, with lowest temperatures 15 to 20 in northern Ohio and 8 to 12 degrees in western New York.

A mass of cold air centered in Ontario, Canada, this morning is moving southeastward across the Great Lakes. This air mass will cause unseasonably cold temperatures over the northeastern United States Easter Sunday.

Only the deep South and the Pacific Northwest can look for "seasonable" weather, with clouds, winds, rain, freezing temperatures and snow forecast for the rest of the country. It may be fair in New England, but the freezing weather is on its way.

**Attorney Undecided On Wilson Defense**

VANCOUVER, Wash., April 8.—(AP)—Attorney Irvy Goodman scheduled more talks today and tomorrow with Utah Wilson before he makes up his mind whether he will defend Utah and his brother Turman against kidnap-slashing charges.

The brothers are accused of killing 15-year-old Ann Dewey, who was seized from the streets of Vancouver the night of March 19. Her body was found in the Wind river a week later.

Goodman, who has represented Turman Wilson in previous cases, earlier said he would announce his decision on this case today. But he said last night that he wanted to talk further with Utah.

The Portland attorney added that he had found evidence favorable to the brothers, who deny any connection with the crime.

**Californians Collide**

A collision two miles north of Myrtle Creek, involving vehicles operated by two California men, was reported today by state police.

Police said a northbound truck, operated by Thomas Albert Edwards, Montague, Calif., and a southbound coupe, driven by James Silva, Coite, San Leandro, collided at about 1 a. m. this morning. Neither driver was injured and damage to both vehicles was slight, state police reported.

They said both drivers claimed the other was on the wrong side of the highway at the time of the accident. No citations were issued.

## Deer Hunter Convicted

COLVILLE, Wash., April 8.—(AP)—A Spokane hunter was convicted Friday of manslaughter in the hunting death of a woman last October.

A superior court jury of 11 men and one woman returned the verdict finding Raymond Lewis, a Spokane salesman, guilty.

He was accused of shooting Mrs. Violet Packer in a deer hunting accident near Springdale in Eastern Washington last Oct. 30.

**Ballet Dancer Dead**

LONDON, April 8.—(AP)—Vaslav Nijinsky, one of the greatest dancers of all time, died this morning.

Nijinsky died at London clinic, where he had been a patient for two days. He had been living in England since the war.

See story page 4

**LICENSE VIOLATION**

(Glen McMaster, 42, of route 1 (Roberts Creek), was being held in the Douglas county jail in lieu of a \$14.50 fine imposed in justice court, reported Judge A. J. Geddes. McMaster was charged with violation of the dog license law.

**Car-Sealed Man Gives Up Stunt**

FORT SMITH, Ark., April 8.—(AP)—Don Haynes, Ashland, Ore., failed by 12 days in his attempt to stay in an automobile 14 months.

He gave up the attempt here yesterday, and had worked saw him out of the sealed automobile in which he had lived 13 months and 18 days.

The stunt started on a bet with E. B. Mulden, also of Ashland, offering \$25,000 if he could remain in the car 14 months.

He gave up because he had lost contact with his publicity man, Haynes said.

The automobile was especially equipped. Haynes had been traveling about the country, appearing under auspices of automobile dealers and others in promotion and advertising schemes.

Now, says Haynes, he's looking for a job.

**Bridges Verdict Took Four Ballots By Jury**

SAN FRANCISCO, April 8.—(AP)—It took four ballots to convict Harry Bridges of lying to conceal Communist party membership, a jury member disclosed today.

The juror, who asked that his identity be withheld, said the first ballot showed six for conviction, two for acquittal and four blanks. The second one was 8-2-2, the third 11 for conviction to one for acquittal. The fourth was unanimous.

**Ballet Dancer Dead**

LONDON, April 8.—(AP)—Vaslav Nijinsky, one of the greatest dancers of all time, died this morning.

Nijinsky died at London clinic, where he had been a patient for two days. He had been living in England since the war.
